

## **Series 5000: Students, Curriculum, and Academic Matters**

### **5500 School Sponsored and Extracurricular Activities**

#### ***5502 Student Government***

The purpose of student government is to provide students with leadership opportunities and experience in the representative democratic process.

Students may organize a student government, elect officers and representatives, conduct meetings, and engage in approved activities and functions designed to be beneficial to the student body.

A student government organization must be supervised by a staff member. A student government organization's charter, constitution, or bylaws will be subject to review and approval by the Superintendent or designee.
