School Annual Education Report (AER) Cover Letter

January 30, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-2023 educational progress for the Adrian High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact the Principal, Sam Skeels.

The AER is available for you to review electronically by visiting the following web [site AER Combined Report](#) or you may review a copy in the main office at your child's school.

For the 2022-23 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school **HAS NOT BEEN GIVEN ONE OF THESE LABELS.**

SCHOOL BACKGROUND

Adrian High School implemented a Sustainability Plan which includes educating and supporting students as well as promoting school, parent, and community partnerships to ensure quality academic achievement for our students so they are able to reach their maximum potential. We are providing a responsive environment in which our community feels welcome as partners in the comprehensive, rigorous, educational process built upon Productivity, Respect, Integrity,

Determination, and Excellence. We are improving home and school communication via frequently updated websites, phone calls, electronic mail, instant messaging, Parent-Teacher Conferences, and varied forms of written communication.

State law requires that we also report additional information.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:

Adrian Public School students are assigned to schools using the attendance boundaries that are established by the Adrian Board of Education. Adrian High School also participates in School of Choice. Parents requesting Schools of Choice must submit paperwork to the Adrian Board of Education.

This process was the same for the 2021-2022 school year.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:

The Adrian High School improvement plan evolves continuously in a process that blends strategic planning and district improvement plan with objective student achievement data. Our goals include increasing student achievement across all subjects. Thereby improving success rates from 9th grade through 12th grade to ultimately increase our graduation rate. We also put a strong emphasis on student attendance, and communication with all stakeholders in our school and community. Each human who comes to or is a part of our school will feel respected and valued.

Teachers are trained and ongoing professional development is provided for instruction, student engagement, and assessments. Instructional coaches and administrators provide ongoing support and feedback for all teachers in this endeavor. Adrian High School employs Graduation Coaches who, along with teachers and administrators identify at-risk students and help them succeed in school by keeping them on track academically before they begin to fail or consider dropping out. We identify, recruit and engage parents and concerned adults, organizations and government agencies to serve in a variety of ancillary roles to ensure student success.

Adrian High School will continue its partnership with the Adrian City Police and host a School Resource Officer (SRO). The program is intended to be a proactive approach to deal with the pressures today's young people find themselves having to confront. This includes the use of alcohol, drugs, and tobacco along with peer pressure and other unhealthy social influences. Aside from assistance with law enforcement issues the SRO mentors students and is a valuable link to other service agencies that may provide preventative and counseling services.

Additionally, Adrian High School employees Mental Health Specialists who provide counseling social work service to students including but not limited to: Anxiety, depression, sexual abuse, mental and emotional trauma, and addiction. School based services assist in prevention of

school-related problems or help to generalize the new skills that the youth may be working on in their home-based therapy.

2022-2023 Dual Enrollment/IB/AP Data

Adrian High School offers Dual Enrollment in partnership with colleges and universities. In the 2022-2023 school year 336 classes were taken by 74 students in the Fall, and 464 classes by 92 students in the Spring.

Adrian High School offers thirteen International Baccalaureate courses. 191 students were enrolled in IB courses. By in large, students will qualify for college credit and/or other college benefits, by earning a score of 4 or better in their overall IB course(s). IB/HL courses are much more likely to yield college credit than IB/SL courses. During the 2020-2021 school year 27 assessments were successful in receiving credit.

In regards to AP courses, a score of 3 or better can net college credit, however, it is up to the college and/or university to determine which AP score earns college credit. Twenty seven students took an AP exam and five students earned a score of 3 or better which makes them eligible to receive college credit. Please call Dana Noel at 517-263-2181 for additional information regarding AP courses and testing.
