### **School Annual Education Report (AER) Cover Letter**

March 13<sup>th</sup>, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-2016 educational progress for Lincoln Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Sam Skeels, Principal for assistance.

The AER is available for you to review electronically by visiting the following web site [www.theadrianmaples.com](http://www.theadrianmaples.com) or you may review a copy in our main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Lincoln Elementary is a proud, authorized school for the International Baccalaureate (IB) World School, in the Primary Years Programme. International Baccalaureate represents a standard of excellence in schools round the world.

#### Process of Assigning Pupils to School

Students in the Adrian Public School district are assigned to schools using the attendance boundaries that have been established by the district. In addition, LINCOLN ELEMENTARY accepts School of Choice students.

This same process used in the prior 2014-2015 school year.

#### Status of School Improvement Plan

LINCOLN ELEMENTARY School's Improvement Plan aligns with the district's Strategic Plan that includes literacy, with both reading and writing, and math. This process is continually evaluated and revised to meet current student needs

Lincoln Elementary teachers follow the curriculum that has been approved by the Adrian Public Schools superintendent and Board of Education. Our core curriculum follows the Michigan Curriculum Framework and is working toward alignment with the Common Core State Standards. Teachers are working to develop deep understanding of the Common Core State Standards and are working to align content vertically and horizontally across the grades. A copy of the core curriculum is available for your review in the Lincoln Elementary School Office. Michigan's Common Core State Standards can be viewed on the Michigan Department of Education's website. In Closing, being a part of the largest district in the county, Lincoln students have access to a wide variety of educational opportunities. LINCOLN ELEMENTARY SCHOOL is proud to be authorized as an International Baccalaureate (18) Primary Years Programme (PYP) World School! Lincoln elementary is the only school in Lenawee County to be authorized as an IB PYP World School.

Lincoln is known for its high student retention rate. This is due in part to the low teacher turnover, a high percentage of parent involvement and a strong Parent Teacher Organization. Most of our students walk to school with some coming from the Schools of Choice option.

Please feel free to stop by LINCOLN ELEMENTARY SCHOOL if you would like to discuss this report and the accompanying data.

Sincerely,

Sam Skeels, Principal
