School Annual Education Report (AER) Cover Letter

April 29, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-2017 educational progress for Lincoln Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Sam Skeels, Principal for assistance.

The AER is available for you to review electronically by visiting the following web site www.theadrianmaples.com or you may review a copy in our main office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

For 2016-2017, LINCOLN ELEMENTARY SCHOOL did not make any of the following labels: Reward, Priority, or Focus School. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort

Lincoln Elementary is a proud, authorized school for the International Baccalaureate (IB) World School, in the Primary Years Programme. International Baccalaureate represents a standard of excellence in schools round the world.

Process of Assigning Pupils to School

Lincoln Elementary, as part of the Adrian Public School System, participates in a school of choice cooperative agreement with other schools in the county in accordance with Sections 105 and 105c of the State School Aid Act. School of Choice applications are handled through the board office and are handled individually based upon available spots at every grade level. This process is delineated below.

Status of School Improvement Plan

Lincoln Elementary School's Improvement Plan aligns with the district's Strategic Plan that includes literacy, with both reading and writing, and math. This process is continually evaluated and revised to meet current student needs.

We are in the 3rd year of the school improvement plan. During the 2016-2017 school year, our School Improvement Team met periodically to review our School Improvement Plan and goals established for our building. For 2016-2017, our focus continued in the content areas of Reading, Writing, and Math. On a periodic basis, we met to analyze our achievement data to determine progress made toward the achievement of building goals and increased student academic achievement, with a focus on the bottom 30% of learners.

During the 2016-2017 academic year, our building worked to increase our students Literacy proficiency by concentration on Reading for accuracy, comprehension, and detail. In writing, our teachers worked with students on writing with elaboration on specific details and staying on topic. Additionally, our district teachers will continue to work with Instructional Coaches to improve instructional strategies and delivery. Our Math curriculum, Engage NY, provides a structured, information-building base for students that will increase their understanding of more complex Mathematical concepts during their academic careers. The district adopted Atlas Rubicon, which is the K-12 curriculum warehouse for Adrian Public Schools. PBIS was introduced to the building in the 2016-2017 school year

In Closing, being a part of the largest district in the county, Lincoln students have access to a wide variety of educational opportunities. LINCOLN ELEMENTARY SCHOOL is proud to be authorized as an International Baccalaureate (IB) Primary Years Programme (PYP) World School! Lincoln elementary is the only school in Lenawee County to be authorized as an IB PYP World School.

Lincoln is known for its high student retention rate and as a popular school of choice. This is due in part to the low teacher turnover, a high percentage of parent involvement, and heavy emphasis on building and sustaining caring and positive relationships. Most of our students walk to school with some coming from the Schools of Choice option.

Please feel free to stop by LINCOLN ELEMENTARY SCHOOL if you would like to discuss this report and the accompanying data.

Sincerely,

Sam Skeels, Principal
