## School Annual Education Report (AER)

January 31, 2022

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-2021 educational progress for the Michener Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Ann Lacasse, Principal for assistance.

The AER is available for you to review electronically by visiting the following web site [AER Combined Report](#) or you may review a copy in the main office at your child's school.

For the 2020-21 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a **HAS NOT BEEN GIVEN ONE OF THESE LABELS.**

### **Process for Assigning Pupils to the School**

Adrian Public Schools has set physical boundaries to establish the Michener Elementary attendance area. However, the district participates

in out-of district School of Choice, so physical boundaries are not the only criteria used to assign students to our building. This same process was used in the prior 2018-19 school year.

### **School Improvement Status Update**

#### **School Improvement Plan 2020-2021**

Michener's School Improvement team continues to meet to analyze data and plan for improvement. In order to combat the learning loss that occurred when the schools were shut down, key students and individual supports were identified. Additionally, curriculum was adapted to meet the needs of groups of students. Social Emotional supports were put in place with success to counteract the adverse effects of the school closure. Teachers have had and will continue to have professional development to better equip them to deal with the challenges.

#### **School Improvement Plan 2019-2020**

In an effort to continually improve, Michener Elementary staff and parents met regularly to update and monitor our School Improvement Plan. Social and emotional needs of students, as well as academics were a focus of our planning this year. Professional Development for teachers has been focused on meeting the needs of all students at Michener Elementary. Due to the COVID shutdown, planning was cut short.

Michener Elementary teachers are guided by research-based curriculum that has been approved by the Adrian Public Schools Board of Education. Our core curriculum follows the Michigan Curriculum Framework and is aligned with the Common Core Standards for the state. Michener teachers continue to be trained in the Common Core Standards. A copy of the core curriculum is available for your review in the Michener Elementary School Office and/or at <https://theadrianmaples-public.rubiconatlas.org>.

## Student Achievement

District wide and building wide unit math assessments are administered to all Michener students at the end of each math unit during the school year. All kindergarten-fourth grade students also take the NWEA-Maps assessment in the fall, winter and spring to monitor academic progress in reading and math. Each spring, third and fourth grade students take the statewide assessment, M-Step.

Michener Elementary is proud to boast a staff of dedicated, highly qualified teachers and paraprofessionals serving approximately 300 students and their families. Michener offers many unique programs to help our students grow.

- Literacy and math instruction are a strong focus for all of our staff. Students

are supported with high quality materials that are researched based, to grow children as readers and mathematicians. Teachers continually engage in professional development to improve their skills.

- Positive Behavior Interventions and Supports are fully implemented to support behavior that allows students to learn in a safe caring environment. These supports include daily Morning Meetings in the classroom to build strong, positive relationships among students and teachers.
- The Theater Arts Program continues with support from Michigan State University. Students produce a play once a year that is showcased in the early Spring.
- Many afterschool and school day enrichment opportunities are available such as Girl Scouts, Mathletes, craft and clay club, and after school sports.
- When appropriate, students with special needs are supported with Peer to Peer supports to encourage full inclusion and age appropriate social interactions.

We are having a great year and look forward to completing the rest of the 2021-2022 school year.

Sincerely,

*Ann Lacasse*
