School Annual Education Report (AER) Cover Letter

March 13, 2017

Dear Parents and Community Members:

We, at Adrian Middle School 5-6 are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015- 2016 educational progress for Adrian Middle School 5-6. The AER addresses the complex reporting information required by the federal and state laws. The school's report contains information about student assessment data, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Matt Schwartz for assistance.

The AER is available for you to review by visiting the following web site http://theadrianmaples.com/ or you may review a copy from Matthew Schwartz, Principal, at Adrian Middle School 5-6.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels.

Adrian Middle School 5/6 was not given one of the preceding labels.

State law requires that we also report additional information to you.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:

Adrian Public School students are assigned to schools using the attendance boundaries that are established by the Adrian Board of Education. Adrian Middle School 5/6 also participates in School of Choice. Parents requesting Schools of Choice must submit paperwork to the Adrian Board of Education.

Our school currently receives students from the 4 district elementary schools and assigns them in heterogeneous class groupings.

All students participate in the State Standardized Assessments Access according the state schedule. All students also completed testing through the Northwest Evaluation Association (NWEA.) This test is used to assess student's basic skills and monitor their progress in comparison to other students at their grade level in reading and math. The results are also used in determining the best placement for students in classes.
