School Annual Education Report (AER) Cover Letter

April 1, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for Alexander Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Michael Perez, principal for assistance.

The AER is available for you to review electronically by visiting the following web site [AER Combined Report](#), or you may review a copy in the main office at your child's school. For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was NOT identified with any of these labels.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Alexander Elementary School, as part of the Adrian Public School System, participates in a school-of-choice cooperative agreement with other schools in the county in accordance with Sections 105 and 105c of the State School Aid Act. School of Choice applications are handled through the board office and are handled individually based upon available spots at every grade level.

This same process used in the prior year 2016-2017.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

2018-2019

The school improvement focus for this year supported classroom teachers and their math instructional practices. We partnered with Mathematics SIS to support teacher in their instructional design and delivery focused on Numeracy and number talks. K - 5 teachers receive 1:1 coaching to support their instructional design and delivery, worked with grade level peers and Mathematics SIS consultant, and received classroom embedded coaching.

Additionally, we continue to support K-5 literacy instructional design and delivery by partnering with Camino Literacy. Teachers learn to design their classroom instruction around the Daily 5 model, embed Fountas & Pinnell literacy & assessment practices, and Guided Reading and The Literacy Continuum resources to target specific literacy strategies.

2017-2018

Initial work began as part of the school improvement process with teachers serving on content area teams disaggregating assessment data thereby developing content area academic achievement goals. Three times during the school year, staff administers the NWEA assessment (K-4). M-Step data initially becomes available in early June right as school is about to be out for summer. When data typically becomes available, special care to note trends in sub groups and across content strands.

Currently the focus of the school improvement plan falls in three content areas: math, reading, and writing with the bulk of professional development over the past three years and in the 16-17 school year in math and reading. Work with math has included aligning with the CCSS and reading on implementing the Daily 5 structure. This year literacy will enjoy more attention from district instructional coaches. Additionally, the building purchased updated writing materials to support CCSS instruction.

As part of the school improvement process, Alexander staff and parents will continue to revisit achievement data for the purpose of revising school goals as needs become apparent.

2018-19 Specialized Schools Annual Report

The students of Adrian Public Schools receive special education services through the Lenawee Intermediate School District (LISD). In addition to the specialized schools, students receive diagnostic testing, school psychology, school social work, physical and occupational therapy, career technical education, special needs training and speech pathology services.

The Lenawee Intermediate School District provides educational services to students from birth through age 26 who have severe handicaps. Students with severe physical, mental, emotional or sensory impairments may receive their educational program at a classroom operated by the

LISD. Zero students from Adrian Public Schools attended LISD classroom programs during the 2017-18 school year.

The LISD operates the Laura Haviland Program for elementary, middle and high school students with severe emotional and behavioral impairments. 11 students from Adrian Public Schools attended Laura Haviland during the 2017-18 school year.

In cooperation with the Lenawee County Probate Court, the LISD operates the juvenile education program housed at the Maurice Spear Campus.

LISD operates special education classrooms in local districts including classrooms for students with physical or other health impairments and hearing impairments in Madison; and classrooms for students with cognitive impairments in Tecumseh and Adrian. 23 students from Adrian Public Schools attended these programs during the 2017-18 school year.

The LISD PREP Academy provides educational programs for teen parents from Lenawee County. During the student's instructional program, childcare support is provided. 7 students from Adrian Public Schools attended the LISD PREP Academy during the 2017-18 school year.

The LISD TECH Center offers career technical education programs for high school juniors and seniors. 176 students from Adrian Public Schools attended the LISD TECH Center or participated in the co-op/work experience program during 2017-18. This equals 34% of the junior and senior population for this school district.

The most recent follow-up of LISD TECH Center students (a 2017 study of 2016 graduates) showed 67.5% were continuing their education. Of those continuing their education, 86.0% were continuing in a field related to their LISD TECH Center program. In addition, 98.6% were working (full-time or part-time) with 1.7% reporting they were unemployed/seeking employment. Of those working full-time, 72.7% were in a field related to their LISD TECH Center program.

Closing Statement

Alexander School is currently providing more Science, Technology, Engineering and Math opportunities for students and professional development for teachers. The District supports these efforts by providing STEM kits for each elementary school that rotate between elementary school. We continue to provide hands on science opportunities utilizing the Battle Creek Science Kits, and students in grades 3, 4 and 5 participate in the county science olympiad competition.

Alexander students and teacher continue to work on increasing overall literacy and our work is guided by the Third Grade reading bill which means that we have to measure reading progress in grades K-3 annually and support all learners that are below the normative thresholds by working with parents on an individualized reading improvement plan. Early indicators show that the collaborative efforts of students, teachers, interventions and at home reading are having positive results on the overall percentages of students that are reading at grade level.

As we look to the 2019-2020 school year we will continue to support classroom teachers in their reading and math instructional design and delivery. Numeracy, number talk, guided reading and math and reading coaching will be the foundation of our professional development and school improvement initiatives.

Finally, our district Positive Behavior Interventions and Support or PBIS initiative is having an overall positive impact on student behavior. Students at Alexander School and throughout APS are focusing on the following Maple PRIDE traits: Productivity, Respect, Integrity, Determination and Excellence.

Should you have questions or comments regarding the academic and behavioral progress of your child I invite you to call me here at school, 517-263-9533.

Sincerely,

Michael Perez
