## **District Annual Education Report (AER) Cover Letter**

March 17, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for Adrian Public Schools and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Superintendent Bob Behnke or Derrick Richards for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site [www.theadrianmaples.com](http://www.theadrianmaples.com) or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

### **Student Assessment Data**

Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT.

- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.
- The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

### **Accountability Scorecard – Detail Data and Status**

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability scorecard status.

### **Teacher Qualification Data**

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

### **NAEP Data (National Assessment of Educational Progress)**

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

### **Review the table below listing our schools.**

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information.

- A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.
- A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools.
- Some schools are not identified with any of these labels. In these cases no status label is given.

School Name	Status Label	Key Initiatives to Accelerate Achievement
Adrian High School	No Label	AHS initiatives are implementing PBIS, Curriculum Development, IB Diploma Program, Read/Math 180 intervention programs, and Graduation Coaches.
McKinley Education Center	No Label	McKinley Education Center initiative is to reduce APS District graduation rate.
Adrian Middle School 7/8	No Label	AMS 7/8 initiatives are implementing PBIS and providing opportunities to students to participate in Project Lead the Way, Alternative Learning Experiences, Read/Math 180 intervention programs and after school tutoring.
Adrian Middle School 5/6	No Label	AMS 5/6 initiatives are implementing PBIS, Curriculum Development, Read 180 intervention and 21 <sup>st</sup> Century Learning class experience.
Alexander Elementary	Focus School	Alexander initiatives are implementing PBIS, Curriculum Development, improving achievement for all students as well as a focus on the lowest 30% of students.
Lincoln Elementary	No Label	Lincoln Elementary initiatives are implementing PBIS, Curriculum Development, Continued PYP Implementation, and providing targeted interventions to students.
Michener Elementary	No Label	Michener Elementary initiatives are implementing PBIS, Curriculum Development and providing targeted interventions to students.
Prairie Elementary	No Label	Prairie Elementary initiatives are implementing PBIS, Curriculum Development and providing targeted interventions to students.

During the 2016-2017 school year, as a District, we progressed in two significant areas: the implementation of a systematic K-12 curriculum and a district wide Positive Behavior Intervention and Supports (PBIS) Program. The District has also expanded opportunities for students across the District. At the Elementary level we have added Technology and Spanish instruction for all students, at the secondary level there has been a concerted effort to build upon Science, Technology,

Engineering, and Mathematics (STEM) educational opportunities for all. This belief that all student should have a STEM experience at each grade level is built on the solid foundation of our Arts for All Program which is supported by the Adrian Schools Educational Foundation. These exercises will continue to move the District forward to give our students the best classroom experiences and further prepare them for the 21<sup>st</sup> Century careers.

Adrian Public Schools has created a process to provide improved communication to members of the community by improvement in communications with a weekly "APS in the News" update as well as a revamped community newsletter entitled Maple Messenger. In working with a communication company, the goal is to build a solid communication plan to reach all levels of the APS community.

Much progress has taken place over the course of the year and will into the summer with various bond projects. The root of these projects is to enhance the educational and extra-curricular experiences for students at all levels.

I want to thank the community and parents for the continued support of the Adrian Public Schools and the efforts that our teachers and staff have upon the academic and social achievements of our students.

Sincerely,

A handwritten signature in black ink, appearing to read "R.D.G. Behnke". The signature is fluid and cursive, written in a professional style.

Robert D.G. Behnke  
Superintendent
