Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2019-2020 educational progress for the Adrian Community High School formerly known as Adrian Adult and Alternative. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Director of Adrian Community Education Center, Derrick Richards or Lead Teacher, Adrienne Phelps for assistance.

The AER is available for you to review electronically by visiting the following web site [AER Combined Report or](#) you may review a copy in the main office at your child's school.

For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school HAS NOT BEEN GIVEN ONE OF THESE LABELS.

School Background

Adrian Community High School is an Alternative High School supporting students whom has previously experienced academic struggles in a regular setting, many of which at enrollment are not on track to graduate. However, Adrian Community High School gives these students an opportunity to stay in school and follow a path towards graduation, even if it exceeds the normal four year process. Students may also continue their education in the Adult Education Program if not completed by time they are 20 years of age. To help provide support to these students, all student who are academically needing support are provided a Graduation Coach and one on one tutoring.

Process for Assigning Pupils to the School, Adrian Public Schools

Adrian Public School students are assigned to schools using the attendance boundaries that have been established by the district. In district students must apply through Adrian High School for enrollment. Adrian Community High School also participate in School of Choice. Parents requesting Schools of Choice must submit paperwork to our Adrian Board of Education.

This same process used in the prior 2018-2019 school year.

The Status of the 3-5 School Improvement Plan

Adrian Community High School is in its fifth year of the school improvement plan. Improvement goals include, but not limited to, increasing student achievement across all core subjects, with emphasis on English and mathematics, increase graduation rate, increase parental involvement, and increase student attendance in relationship with teacher mentor communication. Adrian Community High School has graduation coaches, a social worker and extended individualized learning opportunities with teachers of core subject areas to help increase student achievement, number of courses completed and graduation rate.

It was reported in the 2015-2016 AER report that Adrian Community High School formerly McKinley Adult and Alternative Education Center was in its fourth year of the school improvement plan.

Specialized Schools Annual Report

2019-2020 Specialized Schools Annual Report

The students of Adrian Public Schools receive special education services through the Lenawee Intermediate School District (LISD). In addition to the specialized schools, students receive diagnostic testing, school psychology, school social work, physical and occupational therapy, career technical education, special needs training and speech pathology services.

The Lenawee Intermediate School District provides educational services to students from birth through age 26 who have severe handicaps. Students with severe physical, mental, emotional or sensory impairments may receive their educational program at a classroom operated by the LISD. Less than ten students from Adrian Public Schools attended LISD classroom programs during the 2019-20 school year.

The LISD operates the Laura Haviland Program for elementary, middle and high school students with severe emotional and behavioral impairments. 11 students

from Adrian Public Schools attended Laura Haviland during the 2019-20 school year.

In cooperation with the Lenawee County Probate Court, the LISD operates the juvenile education program housed at the Maurice Spear Campus.

LISD operates special education classrooms in local districts including classrooms for students with physical or other health impairments and hearing impairments in Madison; and classrooms for students with cognitive impairments in Tecumseh and Adrian. 14 students from Adrian Public Schools attended these programs during the 2019-20 school year.

The LISD PREP Academy provides educational programs for teen parents from Lenawee County. During the student's instructional program, childcare support is provided. 11 students from Adrian Public Schools attended the LISD PREP Academy during the 2019-20 school year.

The LISD TECH Center offers career technical education programs for high school juniors and seniors. 140 students from Adrian Public Schools attended the LISD TECH Center or participated in the co-op/work experience program during 2019-20. This equals 39.8 % of the junior and senior population for this school district.

The most recent follow-up of LISD TECH Center students (a 2019 study of 2018 graduates) showed 67.2% were continuing their education. Of those continuing their education, 84.2% were continuing in a field related to their LISD TECH Center program. In addition, 89.2% were working (full-time or part-time) with 3% reporting they were unemployed/seeking employment. Of those working full-time, 59.8% were in a field related to their LISD TECH Center program.

Local districts operate special education classrooms open to students from other districts. There are two MiCI classrooms in the county that other districts can send students to. One is the LISD MiCI HS classroom at BD and the other is the MS and HS MiCI classrooms at Addison. Beyond that districts do individual agreements to allow students to attend a classroom in another district. Adrian Public Schools placed zero students with Adrian Public Schools during the 2019-20 school year.

Adrian Community High School is a place that allows students whom have struggled academically and or socially in a regular school setting to have one more chance to be successful academically. We are proud of the students who have attended and then graduated from this program. Success stories range from students who graduated and found a job after high school or a student who then went on to attend Eastern Michigan or Jackson College, or maybe even the student who has earned a full tuition scholarship to Baker College. This program will continue to be a viable option for students to have a chance at success.

Sincerely,

Derrick J Richards
