## **School Annual Education Report (AER)**

January 30, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2023-24 educational progress for Lincoln Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Tiffany Yatzek, for assistance.

The AER is available for you to review electronically by visiting the following web site [AER Combined Report](#), or you may review a copy in the main office at your child's school. For the 2023-2024 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school **HAS NOT BEEN GIVEN ONE OF THESE LABELS.**

### **School Summary**

Lincoln Elementary implements a "teaming" approach in multiple grade levels, now in its 4th year, aiming to deliver tailored and diverse instruction to students. This model not only allows teachers to concentrate on targeted planning, preparation, and teaching but also fosters greater collaboration among colleagues.

Additionally, Lincoln Elementary emphasizes transdisciplinary learning, particularly in ensuring comprehensive math instruction across various subjects, including special classes. Moreover, a significant focus lies in reading instruction and support, notably through the Title I teaching method. This involves Title I teachers collaborating with classroom teachers during Daily 5

instruction, a practice known as "push-in," expanding the number of students supported compared to the traditional "pull-out" method. This combined "push-in" and "pull-out" strategy has generated academic data that correlates with increased reading success among students.

Lincoln Elementary has taken a full-force approach to becoming a trauma-informed school. Teachers are currently learning and implementing practices and strategies outlined in the book *Help for Billy* by Heather T. Forbes. Additionally, a trauma leadership team has been trained following the Classroom 180 Framework. This team will be providing training and support to other staff members.

#### Process of Assigning Pupils to School

Lincoln Elementary, as part of the Adrian Public School System, participates in a school of choice cooperative agreement with other schools in the county in accordance with Sections 105 and 105c of the State School Aid Act. School of Choice applications are handled through the board office and are handled individually based upon available spots at every grade level.

The process was the same for the 2021-22 school year.

#### Status of School Improvement Plan

### **2022-2023**

The school improvement team at Lincoln continues to convene regularly, dedicated to analyzing, revising, and executing the school improvement plan. Recent changes in leadership have resulted in the inclusion of staff members who had not previously participated, enhancing support for the plan's success. This multidisciplinary and multi-grade level team remains focused on elevating student achievement in reading, writing, and math.

Specifically aligned with the Michigan Literacy Essentials and Michigan Math Essentials, the team concentrates on offering differentiated learning opportunities for all students through meticulous data analysis. Moreover, they diligently support Positive Behavioral Interventions and Supports (PBIS) initiatives, continuously reviewing behavioral data to provide targeted support (Tier 1, Tier 2, and Tier 3) to students.

Building on the groundwork laid in the 2021-2022 school year, a primary emphasis of the school improvement plan centers on fostering a positive culture and climate conducive to students' social, emotional, and academic growth. A notable shift involves directly addressing students' social and emotional needs through regular classroom instruction. Teachers now incorporate Social-Emotional Learning (SEL) lessons weekly, with flexibility to review and reteach as required based on observed student needs. Furthermore, educators are actively learning and implementing trauma-informed practices within the classroom, employing strategies tailored to meet the diverse needs of students.

In summary, Lincoln is:

- Educating the Whole Child
- An Icon of Maple Pride and School Spirit
- A leader in collaboration and research with higher education through Adrian College
- A decade long example of Wellness and Recreation Programs for adults and kids - 9th year of Fall into Fitness and after school running and walking clubs.
- Champions of student lead action.
- Proponents of Community Relationships and Partnerships benefiting students through authentic educational experiences and financial support such as Fall into Fitness, Science Day.
