School Annual Education Report (AER) Cover Letter

March 13th, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-2016 educational progress for the Michener Elementary School. The AER addresses the complex reporting information required by Federal and State laws. The school's report contains information about student assessment and teacher quality. If you have any questions about the AER, please contact Mrs. Debra Risner, principal, for assistance.

The AER is available for you to review electronically by visiting the following web site <u>www.theadrianmaples.com</u> or you may review a copy at the Michener Elementary School office.

Michener Elementary is a Title 1 Schoolwide building. We appreciate the continued support of parents, staff and our community in this effort.

Our attendance rate percentage of 94.48% still significantly affects the learning of some students at Michener. Our goal is to have every student in school, on time each day to support quality learning.

1. Process for Assigning Pupils to the School

Adrian Public Schools has set physical boundaries to establish the Michener Elementary attendance area. However, the district participates in out-of district School of Choice, so physical boundaries are not the only criteria used to assign students to our building. The dates for submitting Schools of Choice paperwork for the 2015-2016 school year were as follows: 1st trimester - March 19, 2015- Sept. 11, 2015 2nd trimester - Nov. 11-25, 2015

This same process was used in the prior 2014-2015 school year.

2. <u>School Improvement Plan</u>

Michener is a Title 1 Schoolwide building. We compiled the necessary data to complete the Comprehensive Needs Assessment and the other nine components to achieve Schoolwide status. Last year it was reported to be in our eighth year of implementation of our school improvement goals in math, reading, science and writing. Throughout the school year, we analyze student achievement data to update our goals to best meet the needs of our students.

3. <u>Specialized Schools</u>

2015-2016

The students of Adrian Public Schools receive special education services through the Lenawee Intermediate School District (LISD). In addition to the specialized schools, students receive diagnostic testing, school psychology, school social work, physical and occupational therapy, career technical education, special needs training and speech pathology services.

The Lenawee Intermediate School District provides educational services to students from birth through age 26 that have severe handicaps. Students with severe physical, mental, emotional or sensory impairments may receive their educational program at a classroom operated by the LISD. Students from Adrian Public Schools attended LISD classroom programs during the 2015-16 school year.

The LISD TECH Center offers career technical education programs for high school juniors and seniors. One hundred sixty-nine (169) students from Adrian Public Schools attended the LISD TECH Center or participated in the co-op/work experience program during 2015-16. This equals 32% of the junior and senior population for this school district.

The most recent follow-up of LISD TECH Center students (a 2015 study of 2014 graduates) showed 71.1% were continuing their education. Of those continuing their education, 71.3% were continuing in a field related to their LISD TECH Center program. In addition, 89.4% were working (full-time or part-time) with 7.6% reporting they were seeking employment. Of those working full-time, 71.4% were in a field related to their LISD TECH Center program.

Local districts operate special education classrooms open to students from other districts. Adrian Public Schools placed no students in these programs during the 2015-16 school year.

2014-2015

The Lenawee Intermediate School District provides educational services to students from birth through age 26 that have severe handicaps. Students with severe physical, mental, emotional or sensory impairments may receive their educational program at a classroom operated by the

LISD. Students from Adrian Public Schools attended LISD classroom programs during the 2014-15 school year.

The LISD operates the Laura Haviland Program for elementary, middle and high school students with severe emotional and behavioral impairments. Students from Adrian Public Schools attended Laura Haviland during the 2014-15 school year.

In cooperation with the Lenawee County Probate Court, the LISD operates the juvenile education program housed at the Maurice Spear Campus.

LISD operates special education classrooms in local districts including classrooms for students with physical or other health impairments and hearing impairments in Madison; and classrooms for students with cognitive impairments in Tecumseh and Adrian. Thirteen (13) students from Adrian Public Schools attended these programs during the 2014-15 school year.

The LISD PREP Academy provides educational programs for teen parents from Lenawee County. During the student's instructional program, childcare support is provided. Seventeen, twenty-three and twenty-one (17/23/21) students from Adrian Public Schools attended the LISD PREP Academy during the first, second and third trimesters of the 2012-13 school year.

The LISD TECH Center offers career technical education programs for high school juniors and seniors. One hundred sixty-two (162) students from Adrian Public Schools attended the LISD TECH Center or participated in the co-op/work experience program during 2014-15. This equals 30% of the junior and senior population for this school district.

Local districts operate special education classrooms open to students from other districts. Adrian Public

Schools placed students in these programs during the 2014-15 school year.

4. <u>Core Curriculum</u>

Michener Elementary teachers follow the designated curriculum that has been approved by the Adrian Public Schools Board of Education. Our core curriculum follows the Michigan Curriculum Framework and is aligned with the Common Core Standards for the state. Michener teachers have received and will continue to be trained in the Common Core Standards with full implementation of the Common Core State Standards underway this school year in Math, Reading and Science. A copy of the core curriculum is available for your review in the Michener Elementary School Office.

5. <u>Student Achievement</u>

District wide and building wide unit math assessments are administered to all Michener students at the end of each math unit during the school year. All kindergarten-fourth grade students also take the NWEA-Maps assessment in the fall, winter and spring to monitor academic progress in reading and math. Each spring, third and fourth grade students take the statewide assessment, M-Step.

6. Parental Involvement at Parent Teacher Conferences

Michener Elementary strives to involve parents to establish positive, two-way communication to improve student achievement. Below is the data of the percentages of parents who attended conferences.

	<u>Fall</u>	<u>Spring</u>
2010-11	95%	98%
2011-12	98%	98%
2012-13	99%	96%
2013-14	97%	*56%
2014-15	98%	97%
2015-16	96%	97%

We believe that involving parents in their children's education will support improved student learning and result in a reduction of student disciplinary problems. Our school clearly works best when parents take an active interest in their children's education and form partnership with our school to encourage their children to do well. Our goal is to meet with all parents on a regular basis.

*Due to the high number of weather-related school closure days, Parent-Teacher conferences in the Spring of 2013-14 were held on one night from 5:00-8:00 with parents "dropping in" to talk with the classroom teachers instead of having scheduled times for each conference.

Michener Elementary takes great pride in our:

Points of Pride

- Daily 5 Reading MAISA reading/literacy curriculum
- **Guided Reading**, our differentiated reading program that offers flexible reading groups based on each student's individual learning needs.

MAISA Writing curriculum using the writing workshop model.

District-wide PBIS. CHAMPs, our proactive and positive approach to classroom management.

M & M; Math intervention and enrichment built into the school day for every student at Michener three times each week.

Grade Level Professional Learning Communities

Universal breakfast- and lunch program - every child has the opportunity to eat breakfast and lunch, free of charge.

Hands-on math and science curriculum.

Quality art, music, Spanish and physical education instruction.

Sincerely,

Una Ripe

Mrs. Debra Risner, Principal
