School Annual Education Report (AER) Cover Letter

April 11, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the Michener Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Ann Lacasse, Principal for assistance.

The AER is available for you to review electronically by visiting the following web site [AER Combined Report](#) or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a **HAS NOT BEEN GIVEN ONE OF THESE LABELS.**

1. Process for Assigning Pupils to the School

Adrian Public Schools has set physical boundaries to establish the Michener Elementary attendance area. However, the district participates in out-of-district School of Choice, so physical boundaries are not the only criteria used to assign students to our building. This same process was used in the prior 2017-18 school year.

2. School Improvement Plan 2017-18

Michener is a Title 1 Schoolwide building. We compiled the necessary data to complete the Comprehensive Needs Assessment and the other nine components to achieve Schoolwide status. Throughout the school year, we analyze student achievement data to update our goals to best meet the needs of our students. Positive Behavior Interventions supports were introduced and implemented. The staff was trained to support student behavior in all settings and report to parents.

School Improvement Plan 2016-17

Michener school is in its second year of school improvement planning. The plan includes professional development for teaching staff in the areas of literacy, math and social emotional development. Goals are formed around these areas.

3. Specialized Schools

2018-19 Specialized Schools Annual Report

The students of Adrian Public Schools receive special education services through the Lenawee Intermediate School District (LISD). In addition to the specialized schools, students receive diagnostic testing, school psychology, school social work, physical and occupational therapy, career technical education, special needs training and speech pathology services.

The Lenawee Intermediate School District provides educational services to students from birth through age 26 who have severe handicaps. Students with severe physical, mental, emotional or sensory impairments may receive their educational program at a classroom operated by the LISD. Zero students from Adrian Public Schools attended LISD classroom programs during the 2017-18 school year.

The LISD operates the Laura Haviland Program for elementary, middle and high school students with severe emotional and behavioral impairments. 11 students from Adrian Public Schools attended Laura Haviland during the 2017-18 school year.

In cooperation with the Lenawee County Probate Court, the LISD operates the juvenile education program housed at the Maurice Spear Campus.

LISD operates special education classrooms in local districts including classrooms for students with physical or other health impairments and hearing impairments in Madison; and classrooms for students with cognitive impairments in Tecumseh and Adrian. 23 students from Adrian Public Schools attended these programs during the 2017-18 school year.

The LISD PREP Academy provides educational programs for teen parents from Lenawee County. During the student's instructional program, childcare support is provided. 7 students from Adrian Public Schools attended the LISD PREP Academy during the 2017-18 school year.

The LISD TECH Center offers career technical education programs for high school juniors and seniors. 176 students from Adrian Public Schools attended the LISD TECH Center or participated in the co-op/work experience program during 2017-18. This equals 34% of the junior and senior population for this school district.

The most recent follow-up of LISD TECH Center students (a 2017 study of 2016 graduates) showed 67.5% were continuing their education. Of those continuing their education, 86.0% were continuing in a field related to their LISD TECH Center program. In addition, 98.6% were working (full-time or part-time) with 1.7% reporting they were unemployed/seeking employment. Of those working full-time, 72.7% were in a field related to their LISD TECH Center program.

4. Core Curriculum

Michener Elementary teachers follow the designated curriculum that has been approved by the Adrian Public Schools Board of Education. Our core curriculum

follows the Michigan Curriculum Framework and is aligned with the Common Core Standards for the state. Michener teachers have received and will continue to be trained in the Common Core Standards with full implementation of the Common Core State Standards underway this school year in Math, Reading and Science. A copy of the core curriculum is available for your review in the Michener Elementary School Office and/or at <https://theadrianmaples-public.rubiconatlas.org>.

5. Student Achievement

District wide and building wide unit math assessments are administered to all Michener students at the end of each math unit during the school year. All kindergarten-fourth grade students also take the NWEA-Maps assessment in the fall, winter and spring to monitor academic progress in reading and math. Each spring, third and fourth grade students take the statewide assessment, M-Step.

2016-17	96%	97%
2017-18	96%	97%
2018-19	96%	96%

*Due to the high number of weather-related school closure days, Parent-Teacher conferences in the Spring of 2013-14 were held on one night from 5:00-8:00 with parents “dropping in” to talk with the classroom teachers instead of having scheduled times for each conference.

Points of Pride

This year as the new principal at Michener Elementary I have enjoyed seeing lots of great things happen:

- **Daily 5 Reading** – MAISA reading/literacy curriculum has continued with specialized training for teachers in Guided Reading to individualize instruction for all students. We continue to use the **MAISA Writing** using the writing workshop model. Students also receive hands-on math and science curriculum, quality art, music, Spanish and physical education instruction.
- We are continuing our implementation of PBIS and adding the element of Restorative Justice through Peace Circles. Fifth graders have engaged in anti-bullying conversations with the help of a mediator. We are collaborating with the Southeast Michigan Dispute Resolution to implement restorative justice and peace circles. Our building is holding morning meetings building-wide daily.
- To help our students develop as readers, we continue to have a vibrant Fluency Friends program with many community volunteers reading with our students each week. We also have Lunch Buddies who are forming positive relationships with students and encouraging them academically. We have

recently added Read With Hachi the therapy dog. The kids love this!

- Due to a grant from the Wharton Center and Disney, students participate in theater arts program that puts on a play annually.
- Fourth graders collaborate with the Anthropology class at Siena Heights. SHU students get to observe and volunteer in our classrooms. Our students get to tour campus and have lunch as well as getting to know a college student
- One our 4th graders received the Catherine Cobb Everyday Hero Award for her organization of a backpack campaign. Over 200 backpacks were filled with essential supplies and toys for children in foster care and distributed through Adriannah's Journey Bags.
- Cops and Kindergarteners continues this year and is the subject of the commissioned book Cops and Kiddos.
- The use of technology has increased building-wide. Second graders are coding Ozobots to help with reading comprehension and integrating science and math into ELA. Many students are demonstrating knowledge by creating YouTube videos to teach what they have learned. Fifth grade students have access to a 3D Printer.

We are looking forward to another fantastic school year next year.

Sincerely,

Ann Lacasse

Mrs. Ann Lacasse, Principal
