School Annual Education Report (AER)

January 31, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-2022 educational progress for the Michener Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Ann Lacasse, Principal for assistance.

The AER is available for you to review electronically by visiting the following web site [AER Combined Report](#) or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a **HAS NOT BEEN GIVEN ONE OF THESE LABELS.**

Process for Assigning Pupils to the School

Adrian Public Schools has set physical boundaries to establish the Michener Elementary attendance area. However, the district participates

in out-of district School of Choice, so physical boundaries are not the only criteria used to assign students to our building. This same process was used in the prior 2020-21 school year.

School Improvement Status Update

School Improvement Plan 2021-2022

School Improvement work continued throughout the school year with an emphasis on targeted interventions for students who were falling behind as a result of COVID. Data was analyzed and drove the decision making process regarding which students would benefit from interventions. After school clubs were implemented to provide more social opportunities for students.

School Improvement Plan 2020-2021

Michener's School Improvement team continues to meet to analyze data and plan for improvement. In order to combat the learning loss that occurred when the schools were shut down, key students and individual supports were identified. Additionally, curriculum was adapted to meet the needs of groups of students. Social Emotional supports were put in place with success to counteract the adverse effects of the school closure. Teachers have had and will continue to have professional development to better equip them to deal with the challenges.

Student Achievement

District wide and building wide unit math assessments are administered to all Michener students at the end of each math unit during the school year. All kindergarten-fourth grade students also take the NWEA-Maps assessment in the fall, winter and spring to monitor academic progress in reading and math. Each spring, third and fourth grade students take the statewide assessment, M-Step.

Michener Elementary is proud to boast a staff of dedicated, highly qualified teachers and paraprofessionals serving approximately 300 students and their families. Michener offers many unique programs to help our students grow.

- Literacy and math instruction are a strong focus for all of our staff. Students are supported with high quality materials that are researched based, to grow children as readers and mathematicians. Teachers continually engage in professional development to improve their skills.
- Positive Behavior Interventions and Supports are fully implemented to support behavior that allows students to learn in a safe caring environment. These supports include daily Morning Meetings in the classroom to build strong, positive relationships among students and teachers.
- Maple Pride trips have been implemented to support our PBIS and attendance initiatives. These merit trips can be earned by students who meet behavior expectations consistently and have excellent attendance.
- The Theater Arts Program continues with support from Michigan State University. Students produce a play once a year that is showcased in the early Spring.
- Many afterschool and school day enrichment opportunities are available such as Girl Scouts, Mathletes, Garden Club, Astronomy Club and after school sports.
- When appropriate, students with special needs are supported with Peer to Peer supports to encourage full inclusion and age appropriate social interactions.

We are having a great year and look forward to completing the rest of the 2022-2023 school year.

Sincerely,

Ann Lacasse
