School Annual Education Report (AER)

April 1st, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2017-2018 educational progress for the Prairie Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact, Shanan Henline, the building principal, for assistance.

The AER is available for you to review electronically by visiting the following web site [AER Combined Report](#), or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Prairie Elementary School has NOT be given one of these labels.

School Background:

Each year Prairie strives to improve the education success of its students. For 2016-2017 Prairie focused on the following: In ELA (Reading) we continued work in reading fluency, identifying supporting details in text, and being able to cite where main ideas occurred in print. Writing was similar with focus on adding detail to student writing along with making sure pieces of writing had identifiable beginning, middle, and end as well as smooth transitions. Mathematics concentration always

involves having students learn basic operations, yet we focused students on improving their ability to solve word problems, and gain a better grasp on basic algebraic operations. In addition, student attendance at school could be a challenge. Our building sent attendance letters, met with parents, made daily calls, and as needed referred specific cases to the truancy officer to facilitate better attendance of our students.

Process for Assigning Pupils to the School:

Prairie Elementary School, as part of the Adrian Public School System, participates in a school of choice cooperative agreement with other schools in the county in accordance with Sections 105 and 105c of the State School Aid Act. School of Choice applications are handled through the board office and are handled individually based upon available spots at every grade level.

This same process used in the prior 2016-2017 school year.

The Status of the 3-5 Year School Improvement Plan:

We are in the 3rd year of the school improvement plan. During the 2017-2018 school year, our School Improvement Team met periodically to review our School Improvement Plan and goals established for our building. For 2017-2018, our focus continued in the content areas of Reading, Writing, and Math. On a periodic basis, we met to analyze our achievement data to determine progress made toward the achievement of building goals and increased student academic achievement, with a focus on the bottom 30% of learners. During the 2017-2018 academic year, our building worked to increase our students Literacy proficiency by concentration on Reading for accuracy, comprehension, and detail. In writing, our teachers worked with students on writing with elaboration on specific details and staying on topic. Additionally, our district teachers will continue to work with Instructional Coaches to improve instructional strategies and delivery. Our Math curriculum, Engage NY, provides a structured, information-building base for students that will increase their understanding of more complex Mathematical concepts during their academic careers. The district adopted Atlas Rubicon, which is the K-12 curriculum warehouse for Adrian Public Schools. PBIS was introduced to the building in the 2017-2018 school year.

It was reported in the 2016-2017 school year it was reported to be in the 3rd year.

2018-19 Specialized Schools Annual Report

The students of Adrian Public Schools receive special education services through the Lenawee Intermediate School District (LISD). In addition to the specialized schools, students receive diagnostic testing, school psychology, school social work, physical and occupational therapy, career technical education, special needs training and speech pathology services.

The Lenawee Intermediate School District provides educational services to students from birth through age 26 who have severe handicaps. Students with severe physical, mental, emotional or sensory impairments may receive their educational program at a classroom operated by the LISD. Zero students from Adrian Public Schools attended LISD classroom programs during the 2017-18 school year.

The LISD operates the Laura Haviland Program for elementary, middle and high school students with severe emotional and behavioral impairments. 11 students from Adrian Public Schools attended Laura Haviland during the 2017-18 school year.

In cooperation with the Lenawee County Probate Court, the LISD operates the juvenile education program housed at the Maurice Spear Campus.

LISD operates special education classrooms in local districts including classrooms for students with physical or other health impairments and hearing impairments in Madison; and classrooms for students with cognitive impairments in Tecumseh and Adrian. 23 students from Adrian Public Schools attended these programs during the 2017-18 school year.

The LISD PREP Academy provides educational programs for teen parents from Lenawee County. During the student's instructional program, childcare support is provided. 7 students from Adrian Public Schools attended the LISD PREP Academy during the 2017-18 school year.

The LISD TECH Center offers career technical education programs for high school juniors and seniors. 176 students from Adrian Public Schools attended the LISD TECH Center or participated in the co-op/work experience program during 2017-18. This equals 34% of the junior and senior population for this school district.

The most recent follow-up of LISD TECH Center students (a 2017 study of 2016 graduates) showed 67.5% were continuing their education. Of those continuing their education, 86.0% were continuing in a field related to their LISD TECH Center program. In addition, 98.6% were working (full-time or part-time) with 1.7% reporting they were unemployed/seeking employment. Of those working full-time, 72.7% were in a field related to their LISD TECH Center program.

Students Represented at Parent Conferences:

Prairie Elementary School strives to have 100% attendance at Parent Teacher Conferences. Our school community believes that communication between home and school is a key factor in a student's academic success.

In the Fall of 2017-2018, our Prairie enrollment was 264 students. Fall conference attendance revealed that 94% of 265 students were represented by parents at conference time. In the Spring of 2017-2018, our Prairie enrollment was 256 students. Spring conference attendance revealed that 87% of 256 students were represented by parents at conference time.

This is my 2nd year as principal of Prairie Elementary School as we have worked together to build character and self-esteem in our students, build a safe and caring environment, we work to deliver instruction that will engage our students, provide challenge and rigor, and work to increase student achievement on state, local, and school assessments. Prairie Elementary employees, students, families, and community take great pride in our school. We are enthusiastic about the onset of the 2018-2019 school year, and will continue our dedicated work to move our students and families in a positive direction together. At Prairie, we work to exhibit Prairie PRIDE daily in our words, actions and academic achievement. The Positive Behavior Intervention and Support Program has provided us to continuously recognize students for meeting behavior expectations from anywhere in the school, not just the classroom. I am looking forward to continue to see the progress our students continue to make in the 2018-2019 school year.

Sincerely,

Shanan Henline
