## School Annual Education Report (AER)

January 31, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2020-2021 educational progress for the Prairie Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact, Shanan Henline, the building principal, for assistance.

The AER is available for you to review electronically by visiting the following web site [AER Combined Report](#), or you may review a copy in the main office at your child's school.

For the 2020 2021 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

**Prairie Elementary School has NOT been given one of these labels.**

### School Background:

Prairie has continued to build our capacity for mindful classrooms. This year we took steps towards integrating meditation, yoga and classroom discussions around mindfulness into our schools culture by aligning it with PBIS. We have integrated this into most of our school day and it is used as a tier 1 strategy for classroom management. We started a "School Garden" and look forward to incorporating it into our schools culture as well as integrating it into science, math, writing, reading and research over these next 3 years. We invested professional development into the instructional model "Gradual Release of Responsibility " and will continue to focus on advancing our teachers' skills using this instructional model for the next 3 years.

### **Process for Assigning Pupils to the School**

Prairie Elementary School, as part of the Adrian Public School System, participates in a school of choice cooperative agreement with other schools in the county in accordance with Sections 105 and 105c of the State School Aid Act. School of Choice applications are handled through the board office and are handled individually based upon available spots at every grade level.

### **The Status of the 3-5 Year School Improvement Plan**

Prairie Elementary School's Improvement Plan aligns with the district's Strategic Plan that includes literacy, with both reading and writing, and math. This process is continually evaluated and revised to meet current student needs.

### **2020-2021 School Improvement**

We continue to use the Multi tier system of support (MTSS) to help us deliver reading instruction. Tier 1 is what teachers provide to all students, this includes guided reading and ability grouping for a portion of reading instruction. Tier 2 includes an additional layer of support from the classroom teacher 4-5 times a week for 15-20 minutes each session and it may also include support from a Reading Specialist. Tier 3 is a third layer of support that includes the classroom teacher providing tier 1 and 2 and the Reading Specialists providing the third tier level support. The third tier layer of support comes from the Reading Specialist 4 to 5 times a week for 20-30 minutes for each session.

It was during this school year that teachers spent at least 4 staff meetings focusing on resources available to help identify tier 2 reading strategies and progress monitoring tools that they can utilize in the classroom. We looked closer at the Fountas & Pinnell "Responsive Teaching Across the Grades" teacher resource. In addition to that we learned more about the Florida Center for Reading Research. This is another very good resource for teachers to help them identify tier 2 strategies to use with their tier 2 reading groups.

We continue to use data from our School Wide Information System (SWIS) to help our PBIS leadership team track how our students are behaving overall and where can we focus our resources to help children acquire skills that will help them get along with others and spend more time on task focusing on content and social skills development.

### **2020 2021 Specialized Schools Annual Report**

The students of Adrian Public Schools receive special education services through the Lenawee Intermediate School District (LISD). In addition to the specialized schools, students receive diagnostic testing, school psychology, school social work, physical and occupational therapy, career technical education, special needs training and speech pathology services.

The Lenawee Intermediate School District provides educational services to students from birth through age 26 who have severe handicaps. Students with severe physical, mental, emotional or sensory impairments may receive their educational program at a classroom operated by the LISD. Less than 10 students from Adrian Public Schools attended LISD classroom programs during the 2020-21 school year.

The LISD operates the Laura Haviland Program for early elementary, elementary, middle and high school students with severe emotional and behavioral impairments. 20 students from Adrian Public Schools attended Laura Haviland during the 2020-21 school year.

In cooperation with the Lenawee County Probate Court, the LISD operates the juvenile education program housed at the Maurice Spear Campus.

LISD operates special education classrooms in local districts including classrooms for students with physical or other health impairments and hearing impairments in Madison, and classrooms for students with cognitive impairments in Tecumseh and Adrian. 14 students from Adrian Public Schools attended these programs during the 2020-21 school year.

The LISD PREP Academy provides educational programs for teen parents from Lenawee County. During the student's instructional program, childcare support is provided. Less than 10 students from Adrian Public Schools attended the LISD PREP Academy during the 2020-21 school year.

The LISD TECH Center offers career technical education programs for high school juniors and seniors. 159 students from Adrian Public Schools attended the LISD TECH Center or participated in the co-op/work experience program during 2020-21. This equals 43.1% of the junior and senior population for this school district.

*The most recent follow-up of LISD TECH Center students (a 2020 study of 2019 graduates) showed 58.4% were continuing their education. Of those continuing their education, 87.3% were continuing in a field related to their LISD TECH Center program. In addition, 91.4% were working (full-time or part-time) with 4.6% reporting they were unemployed/seeking employment. Of those working full-time, 73.5% were in a field related to their LISD TECH Center program.*

Local districts operate special education classrooms open to students from other districts. There are two MiCI classrooms in the county that other districts can send students to. One is the LISD MiCI HS classroom at BD and the other is the MS and HS MiCI classrooms at Addison. Beyond that districts do individual agreements to allow students to attend a classroom in another district. (Name of Sending School District) placed 0 students with (Name of Receiving School District) during the 2020-21 school year.

### **To Access a Copy of the State Curriculum**

Our core curriculum follows the Michigan Common Core State Standards. Teachers

are working to develop a deep understanding of the Common Core State Standards. A copy of the core curriculum is available for your review in the Prairie Elementary School Office. Michigan’s Common Core State Standards can be viewed on the Michigan Department of Education’s website. You can view the curriculum at our Prairie Elementary’s office or on this website:  
<https://theadrianmaples-public.rubiconatlas.org>

### **Students Represented at Parent Conferences:**

Fall 93%

Spring 74%

Prairie Elementary School strives to have 100% attendance at Parent Teacher Conferences. Our school community believes that communication between home and school is a key factor in a student's academic success.

#### **Closing:**

On behalf of all Prairie staff thank you for allowing us to serve your children.

Students and staff were so excited to start the school year in a more natural and normal manner. Though we still felt it necessary to have safe protocols in place for when we were sick. For the most part many of us felt some peace as we became less nervous. As we move further from the Pandemic it has been a breath of fresh air to come and go, and move freely throughout the school and the school day. We look forward to spending more time being with classmates, and teachers being able to spend more time collaborating and working together side by side to plan more for our learners.

Sincerely,

*Carl A. Lewandowski*

## NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	80.7	4.04	95.0	2.55
		83.5	3.27	94	2.37
8	Math	86.9	1.98	95.0	2.21
		89.3	2.33	95.7	1.91

*The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.*
