School Annual Education Report (AER) Cover Letter

March 13th, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015 -2016 educational progress for Adrian Middle School 7-8. The AER addresses the complex reporting information required by Federal and State laws. The school's report contains information about student assessment, school accountability and teacher quality. If you have any questions about the AER, please contact Nate Parker for assistance.

The AER is available for you to review electronically by visiting the following web site <u>http://www.theadrianmaples.com</u> or you may review a copy from the principal's office at your child's school.

For the 2015 -2016 school year, Adrian Middle School 7-8 has not been given any of the following labels; reward, priority or focus. While we are pleased with the growth that we have made, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

State law requires that we also report additional information. All 7th and 8th grade students in the Adrian City School District are assigned to the Adrian Middle School 7-8 building. We are currently in the third year of our school improvement plan and are making modifications, as necessary, as we assess current data available to the school. Our goal is to increase student achievement in all subject areas and to continue to challenge our students, so that they may realize their fullest potential. We do this through universal student supports to meet the needs of our diverse student population.

This same process used in the prior 2014-2015 school year.

Core Curriculum

The school follows the core curriculum complete with its strands, benchmarks, and grade level content expectation (GLCEs) in the area of science, social studies, physical education and health. In English and math, we are transitioning to the National Common Core Standards. This curriculum can be accessed through the Michigan Department of Education's website, www.michigan.gov/mde.

Specialized Schools

2015-2016

The students of Adrian Public Schools receive special education services by Adrian Public School's teachers and Lenawee Intermediate School District (LISD) personnel. Students with a learning disability may receive special instruction in either a math or English resource room. Co-taught general education classrooms are available in math, science, social studies and English. A certified special education teacher works with the general education teacher making accommodations or modifications to the general education curriculum to support the special education student.

The Lenawee Intermediate School District provides educational services to students from birth through age 26 who have severe handicaps. Students with severe physical, mental, emotional or sensory impairments may receive their educational program at a classroom operated by the LISD. Students from Adrian Middle School 7-8 attended LISD classroom programs, during the 2015-16 school year.

Students with Mild Cognitive Impairments are serviced by Adrian Middle School staff in the MICI classroom. The MICI classroom serves students of Adrian Public Schools in grades 6, 7, and 8. The LISD services students with Moderate Cognitive Impairments (MOCI,) at Adrian Middle School 7-8, who are of middle school age.

The LISD operates the Laura Haviland Program for elementary, middle and high school students with severe emotional and behavioral impairments. Students from Adrian Public Schools attended Laura Haviland during the 2015 – 2016 school year.

The LISD PREP Academy provides educational programs for teen parents from Lenawee County. During the student's instructional program, childcare support is provided. No students from Adrian Middle School attended the LISD PREP Academy during the 2015-16 school year.

Students from Adrian Middle School 7-8 also attended the Porter Center which provides services through the LISD for students from local districts.

In cooperation with the Lenawee County Probate Court, the LISD operates the juvenile education program housed at the Maurice Spear Campus. Truancy concerns are managed in partnership with the local districts and the LISD staffed truancy officer.

2014-2015

The students of Adrian Public Schools receive special education services by Adrian Public School's teachers and Lenawee Intermediate School District (LISD) personnel. Students with a learning disability may receive special instruction in either a math or English resource room.

Co-taught general education classrooms are available in math, science, social studies and English. A certified special education teacher works with the general education teacher making accommodations or modifications to the general education curriculum to support the special education student.

The Lenawee Intermediate School District provides educational services to students from birth

through age 26 who have severe handicaps. Students with severe physical, mental, emotional or sensory impairments may receive their educational program at a classroom operated by the LISD. Seven students from Adrian Middle School 7-8 attended LISD classroom programs, during the 2014-15 school year.

Students with Mild Cognitive Impairments are serviced by Adrian Middle School staff in the MICI classroom. The MICI classroom serves students of Adrian Public Schools in grades 6, 7, and 8. The LISD services students with Moderate Cognitive Impairments (MOCI,) at Adrian Middle School 7-8, who are of middle school age.

The LISD operates the Laura Haviland Program for elementary, middle and high school students with severe emotional and behavioral impairments. Students from Adrian Public Schools attended Laura Haviland during the 2014 – 2015 school year.

The LISD PREP Academy provides educational programs for teen parents from Lenawee County. During the student's instructional program, childcare support is provided. Students from Adrian Middle School attended the LISD PREP Academy during the 2014-15 school year.

Students from Adrian Middle School 7-8 also attended the Porter Center which provides services through the LISD for students from local districts.

In cooperation with the Lenawee County Probate Court, the LISD operates the juvenile education program housed at the Maurice Spear Campus. Truancy concerns are managed in partnership with local districts and the LISD staffed truancy officer.

Student Achievement Results for Nationally Normed Achievement Tests

All students also participate in the M-step test in the spring of the year. The M-step test assesses students based on State of Michigan Grade Level Standards in math, science, social studies and English. All students also completed Map testing through the Northwest Evaluation Association (NWEA.) This test is used to assess student's basic skills and monitor their progress in comparison to other students at their grade level. They are also used in determining the best placement for students in classes.

This same process used in the prior 2014-2015 school year.

Aggregate results from M-step testing are attached below.

The 2015 - 2016 school year was the second year for the administration of the M-step test. We are using the results from this test to inform decisions about our instruction and curriculum, with the goal of continuing to increase the number of students who score proficient, in each subject area.

During Parent Teacher Conferences, 41% of students were represented. This is a slight decline from our percentage of 45%, the year before.

I welcome your input, ideas and suggestions on how we can improve Adrian Middle School 7-8. Input from students, parents and the community regarding curriculum, art and music education, and athletics is essential to ensure that we are providing students with the best educational experience possible. Feel free to call or e-mail, or to set up an appointment, if you have any ideas or suggestions for continuing to make Adrian Middle School 7-8 a great place to learn.

Sincerely,

Nate Parker Principal AMS 7-8 nparker@adrian.k12.mi.us

Quality learning for every student every day through leadership in standards-driven curriculum and materials, research-based instructional strategies, data-driven decision

02/20/2017
