REPORTS FROM THE SUPERINTENDENT AND STAFF

Superintendent Parker stated that with the recent announcement about the closure of SHU at the end of the 2025-26 academic year, APS will not place the Community Recreation Center on the November 2025 ballot. "We still believe that building this facility is the right thing to do for the community and our students, but the District will consider a May proposal giving the District and the community additional time to determine how the closing of SHU will affect the planning and scope of the facility", Parer stated.

Toby Ernst provided a three-year summary on the Strength Development and Recreation Department.

- Increased number of participants in Middle School & High School student athletes in the weight room as well as in Maple Athletics.
- Increased success in multiple sports across the board at both the middle school and high school levels due to more experienced and developed (mental & physical) student athletes participating in Maple athletic programs.
- A more confident student athlete, both mentally and physically, walking the halls of APS School. As studies have shown, individuals who participate in extracurricular activities, such as weightlifting and athletics, tend to excel cognitively in the classroom at a higher rate than those who do not.

Tustee Solis-Gautz reported that the Curriculum Committee met and discussed virtual options and NWEA vs. Renaissance assessments.

Trustee Lewis reported that the Personnel Committee had met and discussed retirements, upcoming interviews, open positions, a Special Ed update, coaching positions, and the ASFCME contract.

Trustee Marks reported that the Finance Committee had met and discussed Chromebooks, federal funding, Varsity sports, Energy savings bond, snow removal, and Driver's Education.

Trustee Buku acknowledged Jay VanBuren's ten years of service on the ASEF board, seven of which he was the president. Buku thanked Jay for his dedication and support. Mike informed the board that Lisa Neuman would be the new President.

Trustee Solis-Gautz thanked the staff and volunteers for all the opportunities afforded to students during the summer. "My son wakes up at 7:30 in the summer to participate in lifting and running. The

PURPOSE:

Approval to purchase the Renaissance Start K-12 assessments.

EXPLANATION:

This proposal recommends adopting the Renaissance STAR Assessment for the 2025–2026 school year, replacing the NWEA MAP Growth K–12 assessment that Adrian Public Schools has used since the 2010–2011 school year. The STAR Assessment will be used to measure academic growth in Mathematics and English Language Arts across all grade levels.

One of the primary reasons for the change is Renaissance's ability to provide more robust and actionable reporting, including standards-based reports that align closely with classroom instruction and support targeted intervention and enrichment.

The data from the STAR Assessment will be used to:

- Plan Tier I instruction for all students in the classroom
- Support placement decisions for advanced enrichment and intervention courses
- Develop individualized learning plans aligned to specific standards and academic goals

The STAR Assessment also fulfills the requirements of Michigan Public Act 224 of 2023, which mandates benchmark assessments in early literacy and mathematics. Specifically, districts must assess:

- Kindergarten students within the first 90 days of the school year
- Grades 1 through 3 within the first 30 days of the school year

The total cost for the STAR Assessment is \$34,080 and is budgeted in the 2025-2026 District Curriculum budget. For reference, the 2023–2024 NWEA purchase was partially funded by the 104i Benchmark Assessment Grant, which covered \$26,037 of the cost.

RECOMMENDATION:

It is the recommendation of the Assistant Superintendent of Curriculum and Instruction and the Superintendent that the Adrian Board of Education approve the purchase of Renaissance Start K-12 assessments.

3118 Title IX Sexual Harassment

Consistent with Policy 3115, the District prohibits unlawful sex discrimination, including harassment and retaliation, in any of its education programs or activities in accordance with Title IX of the Education Amendments of 1972 and its implementing regulations.

This Policy addresses allegations of Title IX sexual harassment that occurred on or after August 14, 2020 unless the District previously investigated the allegations under a different policy pursuant to the now-vacated Title IX 2024 regulations. Allegations of discrimination, harassment, or retaliation not covered by this Policy should be addressed under the District's applicable non-discrimination or anti-harassment policies. Allegations alleging both Title IX sexual harassment and other forms of Unlawful Discrimination and Unlawful Harassment (e.g., race, age, disability) that cannot be reasonably separated into distinct complaints should be investigated under this Policy. Complaints that include allegations of Title IX sexual harassment may be investigated under this Policy or bifurcated and investigated pursuant to the applicable Grievance Procedure under Policies 3115-3115H. Investigating other forms of discrimination, including harassment and retaliation, pursuant to this Policy will fulfill the District's investigation requirements under Policies 3115-3115H, 4104, and 5202, but nothing in this paragraph limits the District's right to determine at any time that a non-Title IX allegation should be addressed under Policies 3115-3115H, 4104 or 5202 or any other applicable Policy.

The Board directs the Superintendent or designee to designate one or more employees who meet the training requirements in Section M of this Policy to serve as the District's Title IX Coordinator(s). The Title IX Coordinator will designate an Investigator, Decision-Maker, and Appeals Officer, if applicable, for each Formal Complaint made under this Policy. If a Formal Complaint is made under this Policy against the Title IX Coordinator, the Board President will designate the persons who will serve as the Investigator, Decision-Maker, and Appeals Officer and will work with District administrators to ensure that all other requirements of this Policy are met.

The Investigator, Decision-Maker, Appeals Officer, and Informal Resolution Facilitator cannot be the same person on a specific matter, and the persons designated to serve in those roles may or may not be District employees. Any person serving as the Investigator, Decision-Maker, Appeals Officer, or Informal Resolution Facilitator must meet the training requirements in Section M of this Policy.

Inquiries about Title IX's application to a particular situation may be referred to the Title IX Coordinator(s), the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

A. Definitions

For purposes of this Policy only, the below terms are defined as follows:

- "Sexual Harassment" means conduct on the basis of sex that satisfies one or more of the following:
 - a. a District employee conditioning the provision of a District aid, benefit, or service on a person's participation in unwelcome sexual conduct;
 - unwelcome conduct that a reasonable person would determine to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
 - c. "Sexual assault" as defined in in 20 USC 1092(f)(6)(A)(v), "dating violence" as defined in 34 USC 12291(a)(10), "domestic violence" as defined in 34 USC 12291(a)(8), or "stalking" as defined in 34 USC 12291(a)(30).
 - i. "Sexual assault" is an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation. It includes unlawful sexual intercourse (including incest and statutory rape) and any sexual act, including rape, sodomy, sexual assault with an object, or fondling, directed against another person without the consent of that person, including when that person is incapable of giving consent.
 - A) Rape: (Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - B) Sodomy: Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - C) Sexual Assault With an Object: To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - D) Fondling: The touching of the private body parts of another person for the purpose of sexual gratification without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

- E) Incest: Nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- F) Statutory Rape: Nonforcible sexual intercourse with a person who is under the statutory age of consent.
- ii. "Dating violence" means violence committed by a person who is or has been in a romantic or intimate relationship with the Complainant. The existence of such a relationship is based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
- iii. "Domestic violence" means felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the Complainant, person with whom the Complainant shares a child, person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Michigan; or any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of Michigan.
- iv. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.
- 2. "Actual Knowledge" means notice of sexual harassment or allegations of sexual harassment to the District's Title IX Coordinator or any District employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only District employee with actual knowledge is the Respondent.
- 3. "Appeals Officer" is the person designated by the District to decide appeals of a dismissal or determination of responsibility for matters investigated under this Policy. The Appeals Officer may not be the same person as the Investigator, Title IX Coordinator, Decision-Maker, or person designated to facilitate an informal resolution process on a specific matter.
- 4. "Complainant" is a person who is alleged to be the victim of conduct that could constitute Title IX sexual harassment.
- 5. "Consent" means a voluntary agreement to engage in sexual activity by a person legally capable of consenting. Someone who is incapacitated cannot consent. Past consent does not imply future consent. Silence or an absence of resistance does not imply consent. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. Coercion, force, or threat of either invalidates consent. Sexual conduct or relationships between District

- employees, volunteers, or contractors and students, regardless of age or consent, are prohibited.
- 6. "Day," unless otherwise indicated, means a day that the District's central office is open for business.
- 7. "Decision-Maker" is the person designated by the District to review the investigation report and provide a written determination of responsibility that provides the evidentiary basis for the Decision-Maker's conclusions. The Decision-Maker may not be the same person as the Investigator, Title IX Coordinator, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter.
- 8. "Education Program or Activity" means any location, event, or circumstance over which the District exercised substantial control over both the Respondent and the context in which the harassment occurred.
- "Formal Complaint" means a written document or electronic submission signed and filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the sexual harassment allegation.
- 10. "Grievance Process" is the process by which the District investigates and determines responsibility for Formal Complaints.
- 11. "Investigator" is the person designated by the District to investigate a Title IX Formal Complaint. The Investigator cannot be the same person as the Decision-Maker, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter. The Title IX Coordinator may serve as the Investigator on a particular investigation, unless the Title IX Coordinator has a conflict of interest or bias.
- 12. "Report" means an account of alleged Title IX sexual harassment made by any person (regardless of whether the reporting party is the alleged victim).
- 13. "Respondent" is a person who has been reported to be the perpetrator of conduct that could constitute Title IX sexual harassment.
- 14. "Supportive Measures" are non-disciplinary, non-punitive, individualized supports offered and implemented by the Title IX Coordinator as appropriate, as reasonably available, and at no-cost to the Complainant and the Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed. Supportive measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.

15. "Title IX Coordinator" is the person(s) designated by the District to coordinate the District's Title IX compliance. The Title IX Coordinator may not be the same person as the Appeals Officer or Decision-Maker on any matter. A person not serving as a Title IX Coordinator in a particular matter is not disqualified from serving in another role in that matter. The Title IX Coordinator may also serve as the Investigator or person designated to facilitate an informal resolution process on a particular investigation, unless the Title IX Coordinator signed the Formal Complaint.

B. Posting Requirement

The Title IX Coordinator's contact information (name or title, office address, electronic mail address, and telephone number), along with the District's Title IX nondiscrimination statement, must be prominently posted on the District's website and in any catalogs or handbooks provided to applicants for admission or employment, students, parents/guardians, and unions or professional organizations with a collective bargaining or professional agreement with the District.

The District will provide notice of this Policy to all applicants, students, parents/guardians, employees, and unions or professional organizations with a collective bargaining or professional agreement with the District by prominently posting this Policy on its website and referencing this Policy in its handbooks, which will include the Title IX Coordinator's name or title, office address, electronic mail address, and telephone number.

C. Designation of Title IX Coordinator

All Coordinators, including the Title IX Coordinator, are identified in Policy 3115B.

D. Reporting Title IX Sexual Harassment:

A person may make a report of sexual harassment or retaliation at any time. Reports may be made in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that result in the Title IX Coordinator receiving the person's verbal or written report.

Any District employee who receives a report of sexual harassment or has actual knowledge of possible sexual harassment must convey that information to the Title IX Coordinator by the end of the next day.

Any other person who witnesses an act of sexual harassment is encouraged to report it to a District employee and may do so anonymously. No person will be retaliated against based on any report of suspected sexual harassment or retaliation.

E. General Response to Sexual Harassment

1. District's Obligation to Respond without Deliberate Indifference

Upon actual knowledge of Title IX sexual harassment, the Title IX Coordinator must respond promptly in a manner that is not deliberately indifferent. The District will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

If the Title IX Coordinator receives a report of sexual harassment and the Complainant does not file a Formal Complaint, the Title IX Coordinator must evaluate the information and determine whether to sign and file a Formal Complaint. If the Title IX Coordinator determines not to sign and file a Formal Complaint, the Title IX Coordinator must address the allegations in a manner that is not deliberately indifferent.

2. Response to Report of Title IX Sexual Harassment

Upon receipt of a report of sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

3. Formal Complaint Filed

Upon the receipt of a Formal Complaint, the District must follow the Grievance Process in Section F of this Policy. A Formal Complaint may be submitted using a designated Title IX Sexual Harassment Formal Complaint Form.

4. Equitable Treatment

The District will treat the Complainant and Respondent equitably throughout the Grievance Process, which may include offering supportive measures as described in Subsection E(6) of this Policy.

5. Documentation and Recordkeeping

The Title IX Coordinator will document all sexual harassment reports and all incidents of sexual harassment that the Title IX Coordinator receives or personally observes.

The District will retain this documentation in accordance with applicable record retention requirements in Section N of this Policy.

6. Supportive Measures

After receiving a report of Title IX sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, with or without the filing of a Formal Complaint. If the District does not provide a Complainant with supportive measures, then the Title IX Coordinator must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

The District may provide, as appropriate, non-disciplinary, non-punitive individualized services to the Complainant or Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed.

Supportive measures should be designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party.

Supportive measures are offered without charge and are designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.

Supportive measures may include, but are not limited to:

- a. District-provided counseling;
- b. course-related adjustments, such as deadline extensions;
- c. modifications to class or work schedules:
- d. provision of an escort to ensure that the Complainant and Respondent can safely attend classes and school activities; and
- e. no-contact orders.

All supportive measures must be kept confidential, to the extent that maintaining such confidentiality would not impair the District's ability to provide the supportive measures.

7. Respondent Removal

a. Emergency Removal (Student)

The District may only remove a student Respondent from a District program or activity if, following an individualized safety and risk analysis, the District determines that there is an immediate threat to the physical health or safety of any student or other person arising from the sexual harassment allegations. The District must provide the Respondent with notice and an opportunity to immediately challenge the removal decision. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

b. Administrative Leave (Employee)

The District may place an employee Respondent on non-disciplinary administrative leave during the pendency of the Grievance Process. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

8. Law Enforcement

In appropriate circumstances, a District employee will notify law enforcement or Child Protective Services, consistent with Policies 4202, 5201, and 5701.

The District will attempt to comply with all law enforcement requests for cooperation with related law enforcement activity. In some circumstances, compliance with law enforcement requests may require the District to briefly suspend or delay its investigation. If an investigation is delayed, the District will notify the parties in writing of the delay and the reasons for the delay.

If the District's investigation is suspended or delayed, supportive measures will continue during the suspension or delay. If the law enforcement agency does not notify the District within 10 days that the District's investigation may resume, the District will notify the law enforcement agency that the District intends to promptly resume its investigation.

F. Grievance Process

Generally

The Grievance Process begins when a Formal Complaint is filed or when the Title IX Coordinator signs a Formal Complaint and concludes the date the parties receive the Appeals Officer's written decision or the date on which an appeal is no longer timely. The District will endeavor to complete the Grievance Process within 90-120 days, absent extenuating circumstances or delays as described below. The District will treat both the Complainant and the Respondent equitably throughout the Grievance Process.

Neither the Title IX Coordinator, the Decision-Maker, the Investigator, Appeals Officer, nor any person designated to facilitate an informal resolution process will have a conflict of interest or bias for or against Complainants or Respondents generally or for or against an individual Complainant or Respondent.

The Grievance Process requires an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a Complainant, Respondent, or witness.

Throughout the Grievance Process, there is a presumption that the Respondent is not responsible for the alleged conduct unless, in the determination of responsibility, the Decision-Maker finds the Respondent responsible for the alleged conduct.

At any point, the Title IX Coordinator, Investigator, Decision-Maker, or Appeals Officer may temporarily delay the Grievance Process or permit a limited extension of time frames for good cause. Good cause may include, but is not limited to, absence of a party, party's advisor, or witness; concurrent law

enforcement activity; or the need for accommodations (e.g., language assistance or accommodation of disabilities). If there is a delay or extension, the parties will receive written notice of the delay or extension and the reasons for the action.

Any disciplinary action resulting from the Grievance Process will be issued in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

After the investigation portion of the Grievance Process has concluded, the Decision-Maker will endeavor to issue a determination of responsibility within 30 days, absent extenuating circumstances.

2. Notice of Allegations

Upon receipt of a Formal Complaint, the District must provide written notice to the parties who are known at the time that includes:

- a. a copy of this Policy, which includes the District's Grievance Process, and any informal resolution process;
- b. the sexual harassment allegations, including sufficient details known at the time and with sufficient time so that parties may prepare a response before the initial interview. Sufficient details include parties involved in the incident, if known; the alleged conduct constituting sexual harassment; and the date and time of the alleged incident;
- c. a statement that the Respondent is presumed not responsible for the alleged conduct;
- d. a statement that a determination of responsibility is made at the Grievance Process's conclusion;
- e. a statement that the parties may have an advisor of their choice, who may be an attorney, although any attorney or advisor who is not a District employee will be at the party's own cost;
- f. a statement that the parties will be provided an opportunity to inspect and review any evidence before the investigation report is finalized; and
- g. if the Complainant or Respondent is a student, and the District's Student Code of Conduct addresses false statements by students during an investigation or the disciplinary process, a citation to that portion of the Code of Conduct. If, during the course of an investigation, the Investigator decides to investigate allegations that are not included in the initial notice, the District will provide notice of the additional allegations to the Complainant and Respondent.

3. Informal Resolution

During the Grievance Process, *after* a Formal Complaint has been filed but before a determination of responsibility has been made, the District may offer to facilitate an informal resolution process, or either party may request the informal resolution process. A Formal Complaint must be filed to initiate the informal resolution process.

Informal resolution does not require a full investigation and may encompass a broad range of conflict resolution strategies, including, but not limited to, arbitration, mediation, or restorative justice. The Title IX Coordinator will determine the informal resolution process that will be used, including the person who will facilitate that process.

Informal resolution is not available for a Formal Complaint alleging that an employee sexually harassed a student.

A party is not required to participate in an informal resolution process.

When offering informal resolution, the Title IX Coordinator must (1) provide both parties written notice of their rights in an informal resolution; and (2) obtain written, voluntary consent from both parties to enter into the informal resolution process. The written notice must contain the:

- a. allegations;
- b. informal resolution requirements, including the circumstances under which the informal resolution precludes the parties from resuming a Formal Complaint arising from the same allegations;
- c. right to withdraw from informal resolution and resume the Grievance Process at any time prior to a final resolution; and
- d. any consequences resulting from participating in the informal resolution process, including the records that will be maintained or that could be disclosed.

4. Investigation

The District has the burden of proof and the burden to gather evidence sufficient to reach a determination of responsibility.

a. Investigation Process

The District will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege unless the person holding the privilege has waived the privilege in writing.

The District may not access, consider, disclose, or otherwise use a party's medical records, including mental health records, which are made and maintained by a healthcare provider in connection with the party's treatment

unless the District obtains that party's voluntary, written consent to do so for the Grievance Process.

The Investigator must provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory or exculpatory evidence. The Investigator cannot restrict parties from discussing the allegations under investigation, nor can the Investigator restrict parties from gathering or presenting relevant evidence.

Parties may be accompanied by an advisor of their choice, including an attorney, during the Grievance Procedure. If a party chooses an advisor who is not a District employee, the District is not responsible for any associated costs. The Investigator or Title IX Coordinator may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties (e.g., abusive, disruptive behavior or language will not be tolerated; advisor will not interrupt the investigator to ask questions of witnesses).

The Investigator must provide the date, time, location, participants, and purpose of all hearings (if any), investigative interviews, and meetings, to a party whose participation is invited or expected. Written notice must be provided a sufficient time in advance so that a party may prepare to participate.

As described in Section L of this Policy, retaliation against a person for making a complaint or participating in an investigation is prohibited.

The Investigator must ensure that the Complainant and Respondent have an equal opportunity to inspect and review any evidence obtained as part of the investigation so that each party has the opportunity to meaningfully respond to the evidence before the investigation's conclusion. This evidence includes (1) evidence upon which the District does not intend to rely in reaching a determination regarding responsibility, and (2) inculpatory or exculpatory evidence obtained from any source.

Before the investigation's completion, the Investigator must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 calendar days to submit a written response to the Investigator. The party's response must be considered by the Investigator before completing the final investigation report.

b. Investigation Report

The Investigator must create an investigation report that fairly summarizes relevant evidence and submit the investigation report to the Decision-Maker.

At least 10 calendar days before a determination of responsibility is issued, the Investigator must send the investigation report to each party for review and written response. Written responses to the investigation report must be submitted directly to the Decision-Maker.

The Investigator will endeavor to complete the investigation and finalize the report within 60 days.

5. Determination of Responsibility

The Decision-Maker cannot be the same person as the Title IX Coordinator, Investigator, Appeals Officer, or person designated to facilitate an informal resolution process.

Before the Decision-Maker reaches a determination of responsibility, and after the Investigator has sent the investigation report to the parties, the Decision-Maker must:

- a. afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness; and
- b. provide each party with the answers, and allow for additional, limited followup questions from each party.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant unless offered to prove that someone other than the Respondent committed the alleged misconduct, or the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

If the Decision-Maker decides to exclude questions from either party as not relevant, the Decision-Maker must explain the decision to the party proposing the questions.

The Decision-Maker must issue a written determination of responsibility based on a preponderance of the evidence standard (i.e., more likely than not) simultaneously to both parties. The written determination of responsibility must include:

- a. identification of the sexual harassment allegations;
- b. description of the procedural steps taken from the receipt of the Formal Complaint through the determination of responsibility, including any:
 - i. notification to the parties;
 - ii. party and witness interviews;
 - iii. site visits;
 - iv. methods used to collect evidence; and

- v. hearings held.
- c. factual findings that support the determination;
- d. conclusions about the application of any relevant code of conduct, policy, law, or rule to the facts;
- e. a statement of, and rationale for, the result as to each allegation, including:
 - i. a determination of responsibility;
 - ii. any disciplinary action taken against the Respondent (consistent with Policies 4309, 4407, 4506, 4606, or 5206, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts); and
 - iii. whether remedies designed to restore and preserve equal access to the District's education program or activity will be provided to the Complainant.
- f. appeal rights.

6. Appeals

Notice of the determination of responsibility or dismissal decision must include notice of the parties' appeal rights.

Both parties may appeal a determination of responsibility or the decision to dismiss a Formal Complaint in whole or in part for the following reasons only:

- a. A procedural irregularity that affected the outcome.
- b. New evidence that was not reasonably available at the time the determination of responsibility or dismissal decision was made that could affect the outcome.
- c. The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against the Complainant or Respondent, generally or individually, that affected the outcome.

An appeal must be filed with the Title IX Coordinator within 5 calendar days of the date of the determination of responsibility or dismissal decision.

Upon receipt of an appeal, the Title IX Coordinator will assign an Appeals Officer who will provide both parties written notice of the appeal and an equal opportunity to submit a written statement in support of, or challenging, the determination or dismissal decision.

The Appeals Officer must provide a written decision describing the result of the appeal and the rationale for the result to both parties simultaneously. The Appeals Officer will endeavor to decide an appeal within 30 days.

The Appeals Officer cannot be the same person who acts as the Title IX Coordinator, Investigator, Decision-Maker, or person designated to facilitate an informal resolution process on the same matter. The Appeals Officer also cannot have a conflict of interest or bias against Complainants and Respondents generally or individually.

The determination of responsibility is final upon the date the parties receive the Appeals Officer's written decision or on the date on which an appeal is no longer timely.

G. Dismissal

1. Mandatory Dismissals

The Title IX Coordinator must dismiss a Formal Complaint if:

- a the Formal Complaint's allegations, even if substantiated, would not constitute sexual harassment as defined in this Policy;
- b. the Formal Complaint's allegations did not occur in the District's programs or activities; or
- c. the Formal Complaint's allegations did not occur in the United States.

2. Discretionary Dismissals

The Title IX Coordinator may dismiss a Formal Complaint if:

- a. the Complainant notifies the Title IX Coordinator in writing that the Complainant wishes to withdraw the Formal Complaint in whole or in part;
- b. the Respondent's enrollment or employment ends; or
- c. specific circumstances prevent the District from gathering evidence sufficient to reach a determination (e.g., several years have passed between alleged misconduct and Formal Complaint filing, Complainant refuses or ceases to cooperate with Grievance Process).

The Title IX Coordinator will promptly and simultaneously notify both parties when a Formal Complaint is dismissed. The notice must include the reasons for mandatory or discretionary dismissal and the right to appeal. Appeal rights are discussed above in Subsection F(6) of this Policy.

Dismissal of a Formal Complaint under this Policy does not excuse or preclude the District from investigating alleged violations of other policy, rule, or law, or from issuing appropriate discipline based on the results of the investigation.

H. Consolidation of Complaints

The Title IX Coordinator or Investigator may consolidate Formal Complaints where the allegations arise out of the same facts or circumstances. Where a Grievance Process involves more than one Complainant or more than one Respondent, references in this Policy to the singular "party," "Complainant," or "Respondent" include the plural, as applicable.

I. Remedies and Disciplinary Sanctions

The District will take appropriate and effective measures to promptly remedy the effects of sexual harassment. The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appropriate remedies will be based on the circumstances and may include, but are not limited to:

- 1. providing an escort to ensure that the Complainant and Respondent can safely attend classes and school activities:
- 2. offering the parties school-based counseling services, as necessary;
- 3. providing the parties with academic support services, such as tutoring, as necessary;
- 4. rearranging course or work schedules, to the extent practicable, to minimize contact between the Complainant and Respondent;
- 5. moving the Complainant's or the Respondent's locker or work space;
- 6. issuing a "no contact" directive between the Complainant and Respondent;
- 7. providing counseling memoranda with directives or recommendations.

These remedies may also be available to any other student or person who is or was affected by the sexual harassment.

The District will impose disciplinary sanctions consistent with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts. Discipline may range from warning or reprimand to termination of employment, or student suspension or expulsion.

After a determination of responsibility, the Title IX Coordinator should consider whether broader remedies are required, which may include, but are not limited to:

- assemblies reminding students and staff of their obligations under this Policy and applicable handbooks;
- additional staff training;
- 3. a climate survey; or
- 4. letters to students, staff, and parents/guardians reminding persons of their obligations under this Policy and applicable handbooks.

If the Complainant or Respondent is a student with a disability, the District will convene an IEP or Section 504 Team meeting to determine if additional or different programs, services, accommodations, or supports are required to ensure that the Complainant or Respondent continues to receive a free appropriate public education. Any disciplinary action taken against a Respondent who is a student with a disability must be made in accordance with Policy 5206B and the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act

J. False Statements

Any person who knowingly makes a materially false statement in bad faith during a Title IX investigation will be subject to discipline, up to and including discharge or permanent expulsion. A dismissal or determination that the Respondent did not violate this Policy is not sufficient, on its own, to conclude that a person made a materially false statement in bad faith.

K. Confidentiality

The District will keep confidential the identity of a person who reports sexual harassment or files a Formal Complaint, including parties and witnesses, except as permitted or required by law or to carry out any provision of this Policy, applicable regulations, or laws.

L. Retaliation

Retaliation (e.g., intimidation, threats, coercion) for the purpose of interfering with a person's rights under Title IX is prohibited. This prohibition applies to retaliation against any person who makes a report, files a Formal Complaint, or participates in, or refuses to participate in a Title IX proceeding. Complaints alleging retaliation may be pursued in accordance with District Policy.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this Section.

When processing a report or Formal Complaint of sexual harassment, pursuing discipline for other conduct arising out of the same facts or circumstances constitutes retaliation if done for the purpose of interfering with that person's rights under Title IX.

Any person who engages in retaliation will be disciplined in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

M. Training

All District employees must be trained on how to identify and report sexual harassment.

Any person designated as a Title IX Coordinator, Investigator, Decision-Maker, Appeals Officer, or any person who facilitates an informal resolution process must be trained on the following:

- the definition of sexual harassment;
- 2. the scope of the District's education programs or activities;
- 3. how to conduct an investigation and the District's grievance process, including, as applicable, hearings, appeals, and informal resolution processes; and
- 4. how to serve impartially, including avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

Investigators must receive training on how to prepare an investigation report as outlined in Subsection F(4)(b) above, including, but not limited to, issues of relevance.

Decision-Makers and Appeals Officers must receive training on issues of evidence and questioning, including, but not limited to, when questions about a Complainant's prior sexual history or disposition are not relevant.

Any materials used to train District employees who act as Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, or who facilitate an informal resolution process must not rely on sex stereotypes and must promote impartial investigations and adjudications of Formal Complaints. These training materials must be posted on the District's website.

N. Record Keeping

The District will maintain records related to reports of alleged Title IX sexual harassment for a minimum of seven years. This retention requirement applies to investigation records, disciplinary sanctions, remedies, appeals, and records of any action taken, such as supportive measures.

The District will also retain any materials used to train Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, and any person designated to facilitate an informal resolution process.

O. Office for Civil Rights

Any person who believes that he or she was the victim of sexual harassment may file a complaint with the Office for Civil Rights (OCR) at any time:

An OCR complaint may be filed before, during, or after filing a Formal Complaint with the District. A person may forego filing a Formal Complaint with the District and instead file a complaint directly with OCR. The District recommends that a person who has been subjected to sexual harassment also file a Formal Complaint with the District to ensure that the District is able to take steps to prevent any further harassment and to discipline the alleged perpetrator, if necessary. OCR does not serve as an appellate body for District decisions under this Policy. An investigation by OCR will occur separately from any District investigation.

The District is not obligated to adopt the applicant's or employee's specific accommodation request.

The District may engage or re-engage in accommodation discussions, as necessary.

An applicant or employee who believes he/she has been discriminated against under this Policy must promptly file a complaint using the Employment Complaint Procedure in Policy 4104.

Date adopted:

4100 Employee Rights and Responsibilities

4106 Family and Medical Leave Act (FMLA)

This Policy will be interpreted and applied consistent with the FMLA, as amended, and its regulations. This Policy should not be interpreted to conflict with an applicable collective bargaining agreement where the collective bargaining agreement provides rights or obligations beyond those conferred by FMLA and that are not prohibited by FMLA.

A. Qualifying for FMLA Leave

1. Employee Eligibility

- a. To be eligible for FMLA leave, an employee must:
 - i. have worked at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave (full-time instructional employees are presumed to meet the 1,250 hour requirement);
 - ii. have completed 12 months (cumulative) of work for the District before the commencement of the leave. This includes non-consecutive intervals of employment with the District occurring up to 7 years before the commencement of the FMLA leave; and
 - iii. make the request at a time when the District has 50 or more employees at, or within 75 miles of, the worksite.
- b. The applicable 12-month period to determine an employee's entitlement to FMLA leave (i.e., the FMLA leave year) is a "rolling" 12-month period measured backward from when the FMLA leave would commence. An eligible employee taking FMLA leave to care for a covered service member or veteran with a serious injury or illness is allowed to take up to 26 work weeks of leave in a single 12-month period measured forward from the date the employee first takes leave.

2. Qualifying Events

- a. An eligible employee may take FMLA leave, up to a total of 12 work weeks, during any 12-month period for any one or more of the following:
 - i. the birth or care of the employee's newborn child;
 - ii. the employee's care for a newly adopted child or child placed in the employee's home for foster care;
 - iii. to care for a spouse, child (who is younger than age 18, or over 18 but incapable of self-care), a Parent (but not parent-in-law), or an individual

for whom the employee stands in loco parentis who has a serious health condition;

- iv. the employee's own serious health condition; or
- v. a qualifying military exigency about an employee, the employee's spouse, child (regardless of age), or Parent.
- b. An eligible employee may take up to 26 work weeks of leave during a single 12-month period to care for a covered service member who is receiving medical treatment, recuperation, or therapy, or is in outpatient status, or is on the temporary disability retired list for a serious injury or illness. The employee must be the spouse, child, Parent (regardless of their child's age), or next of kin of the covered service member. This subsection applies to veterans of the Armed Services who suffered an injury or illness, or aggravated an injury or illness, in the line of duty on active duty if the veteran was a member of the Armed Forces at any time during the 5 years before receiving treatment.

3. Limitations on FMLA Leave

- a. The entitlement to leave for the birth of a child or placement of a child with an employee for the purposes of adoption or foster care expires at the end of the 12-month period beginning on the date of the birth or placement, and these circumstances do not qualify for intermittent or reduced schedule leave
- b. Concerning spouses who are both employed by the District, and both eligible for FMLA leave, they are limited to a combined total of 12 work weeks of FMLA leave for the birth or placement, or related care, of a child for adoption or foster care with the employees or the care of a Parent with a serious health condition. This limitation does not apply to the care of a spouse or child with a serious health condition or to an employee's own serious health condition.
- c. Concerning the entitlement to 26 work weeks of leave to care for a covered service member with a serious illness or injury, the 26 work week allotment may include other reasons for FMLA leave authorized by the Act. But in that allotment, an employee is not entitled to more than 12 work weeks of leave for reasons unrelated to the care for a covered service member with a serious illness or injury.
- d. Concerning spouses who are both employed by the District, and both eligible for FMLA leave to care for a covered service member, they are limited to a combined total of 26 work weeks of leave for all leaves authorized by the Act during the 12-month period commencing with FMLA leave to care for a covered service member. The spouses are subject to the 12 work week limitation for leave related to the birth or placement, or related

care, of a child for adoption or foster care with the employees or the care of a Parent with a serious health condition.

B. FMLA Notice

- 1. An employee must give the District notice of FMLA leave as follows:
 - a. When the need for FMLA leave is foreseeable (e.g., for the birth of a child, placement for adoption or foster care, or planned medical treatment), 30 calendar days' notice is required. If the employee fails to give 30 calendar days' notice with no reasonable excuse, the District reserves the right to deny or to delay the employee's FMLA leave. If the FMLA leave is for planned medical treatment, the employee must make reasonable efforts to schedule treatment so as not to unduly disrupt the District's operations.
 - b. When the need for FMLA leave is unexpected, the employee must provide notice to the District as soon as practicable.
- 2. For both foreseeable and unexpected leave, employees must comply with District Policies, work rules, collective bargaining agreement provisions, and customary absence reporting procedures. Failure to comply with these requirements may be grounds to delay or deny the employee's FMLA leave request and may result in discipline.
- 3. Absent extenuating circumstances, within 5 work days after an employee requests FMLA leave or the District has reasonable information that an employee may qualify for FMLA leave, the District will provide to the employee a copy of this Policy and the U.S. Department of Labor's (DOL) "Notice of Eligibility and Rights & Responsibilities" DOL Form WH-381 (as updated).
- 4. Once the District receives sufficient notice, including any requested medical certification (see below), that an employee's leave qualifies as FMLA leave, the District will, absent extenuating circumstances, within 5 work days, notify the employee in writing whether the leave is designated as FMLA leave using DOL Form WH-382 (as updated).

C. Certification

1. If an employee requests FMLA leave due to the employee's serious health condition or to care for a Parent, child, or spouse with a serious health condition, the employee must provide medical certification from a health care provider of the serious health condition involved and, if applicable, verification that the employee is needed to care for the family member and the expected duration of the leave. Employees requesting leave for a qualifying exigency or leave to care for a covered service member with a serious injury or illness must provide the appropriate certification. The District will provide the employee with the appropriate DOL form applicable to the employee's requested leave.

- Employees must return the requested certification within 15 calendar days after the request. The District may delay or deny FMLA leave if submission of the certification is not timely.
- 3. Failure or refusal to provide requested medical certification within 15 calendar days may result in denial of the leave being designated as FMLA leave.
- 4. If an employee provides an incomplete or insufficient certification, the District will advise the employee, in writing, of the deficiencies and what additional information is needed. An employee must return the requested additional information within 7 calendar days. The District, but not the employee's direct supervisor, may contact an employee's health care provider for clarification or authentication of a certification. The District may not contact the employee's health care provider if a complete and sufficient certification, signed by the health care provider, is submitted.
- 5. If the District has reason to doubt the medical certification an employee submits, the District may require, at its expense, that the employee obtain a second opinion from a health care provider of the District's choice. If the second opinion differs, the District may require, at its expense, that a third opinion be obtained from a health care provider who is mutually selected by the employee and the District. The third medical certification will be final and binding on both parties. If the employee refuses to be examined by the third health care provider, the employee will be bound by the second opinion. The District may not request a second opinion for leave to care for a covered service member or veteran with a serious injury or illness.

The District may request recertification consistent with FMLA regulations. Recertification will be at the employee's expense.

The District may request recertification in less than 30 calendar days if: an employee requests an extension of FMLA leave; circumstances stated in the prior certification have changed significantly; or the District receives information that casts doubt upon the employee's stated reason for the absence or the certification's validity.

D. Concurrent Leave and Substitution of Paid Leave

FMLA leave provided to employees is unpaid, unless the employee has applicable paid leave. Applicable paid leave (e.g., sick, personal, business, vacation, paid time off, leave under Michigan Paid Medical LeaveEarned Sick Time Act (MPMLAESTA), or workers' compensation) will run concurrently with FMLA leave at the election of either the District or the employee. The ability to use paid leave concurrently with FMLA leave is subject to compliance with the procedures and conditions normally associated with the paid leave. A medical leave of absence covered by workers' compensation runs concurrently with FMLA leave and consistent with an applicable individual employment contract or collective

bargaining agreement. FMLA leave beyond an employee's applicable accrued paid leave is unpaid.

E. Intermittent and Reduced Schedule Leave

- Eligible employees may take FMLA leave intermittently or on a reduced schedule when leave is taken to care for a family member with a serious health condition, for an employee's own serious health condition, because of a qualifying exigency, or to care for a covered service member or veteran, an eligible employee may take leave intermittently or on a reduced schedule when medically necessary.
- Intermittent or reduced schedule leave will not result in a reduction in the employee's total amount of leave beyond the amount of leave actually taken. Intermittent and reduced schedule FMLA leave will be accounted for in the shortest increment used to account for leave generally within the employee's classification.

Employees must follow the District's absence reporting procedures when using intermittent leave.

- 3. When an instructional employee seeks to take intermittent or reduced schedule leave to care for a family member with a serious health condition, to care for a covered service member or veteran, or for the employee's own serious health condition which is foreseeable based on planned medical treatment, and the employee would be on leave for more than 20% of the total number of work days over the leave period, the District may either require the employee to take leave on a full-time basis for the duration of the requested intermittent or reduced schedule leave or temporarily transfer the employee to an alternate position with equivalent pay and benefits.
- 4. If an eligible employee requests intermittent or reduced schedule leave for a foreseeable medical treatment, including during a period of recovery from a serious health condition, the District may require the employee to transfer temporarily to an available alternate position for which the employee is qualified and which better accommodates recurring periods of leave than the employee's regular position. The alternate position must have equivalent pay and benefits as the employee's regular position.

F. Group Health Plan Benefits

- 1. Eligible employees are generally entitled to the continuation of District-provided group health plan benefits while on FMLA leave. Group health plan benefits include medical, dental, and optical insurance coverages in which the employee is enrolled at the time that FMLA leave is taken.
- 2. The District will continue paying its portion, if any, of the employee's group health plan costs and insurance premiums or representative premiums while the employee is on FMLA leave and in accordance with any applicable

collective bargaining or individual employment contract. Any share or portion of the group health plan costs, insurance premiums, or representative premiums paid by the employee before FMLA leave must continue to be paid by the employee during FMLA leave. See DOL Form WH-381. An employee's failure to pay his/her portion of group health plan costs, insurance premiums, or representative premiums during FMLA leave may result in loss of coverage if the employee's contribution is more than 30 calendar days late. The District will provide the employee with written notice at least 15 calendar days before cancelling the employee's coverage because of a failure to make employee contributions.

 As addressed in subsection I below, an employee who fails to voluntarily return to work after FMLA leave may be required to repay the District for his/her group health plan benefit costs.

G. Return to Work

- 1. At the expiration date of an employee's FMLA leave, the employee will be returned to that employee's former position or an equivalent position with the same pay, benefits, and working conditions. An employee taking FMLA leave has no greater right to reinstatement than if the employee had been continuously employed during the FMLA leave period.
- If an employee was unable to renew a license or certification because of FMLA leave and is no longer qualified for the employee's former position, the District will provide the employee reasonable time, on unpaid status, to fulfill the necessary return to work conditions.

3. Instructional Employees

- a. "Instructional" employees are those whose principal function is to teach and instruct students in a class, small group, or individual setting.
- b. If an instructional employee begins FMLA leave more than 5 weeks before the end of a term or semester, the District may require the employee to take FMLA leave until the end of the term or semester if the FMLA leave is to last at least 3 weeks and the employee would return to work during the 3-week period before the end of the term or semester.
- c. If an instructional employee begins FMLA leave during the 5-week period before the end of a term or semester because of the birth or placement for adoption or foster care of a child, to care for a spouse, child, or Parent with a serious health condition, or to care for a covered service member or veteran, the District may require that FMLA leave be taken until the end of the term or semester if the instructional employee would return to work during the 2-week period immediately before the end of the term or semester and the leave is to last more than 2 weeks.

- d. If an instructional employee begins FMLA leave during the 3-week period before the end of a term or semester because of the birth or placement for adoption or foster care of a child, to care for a spouse, child, or Parent with a serious health condition, or to care for a covered service member or veteran, the District may require the employee to take FMLA leave until the end of the term or semester, if the leave will last more than five (5) work days.
- e. Any additional FMLA leave required of an instructional employee by the District will not count against the employee's allotment of FMLA leave.

4. Fitness for Duty

The District may require that an employee returning from FMLA leave submit a fitness-for-duty certification from a health care provider which addresses the employee's ability to return to work and perform the essential functions of the employee's position. The District must provide the employee with notice of the requirement to provide a fitness-for-duty certification and the essential functions of the employee's position when the District provides the employee the designation of FMLA leave notice (DOL Form WH-382, as updated). If the employee fails to submit the fitness-for-duty certification in a timely manner, return from FMLA leave may be delayed by the District. The employee may be terminated if he/she fails to submit the fitness-for-duty certification.

 Unless a collective bargaining agreement provides otherwise, an employee on unpaid FMLA leave is not entitled to accrue seniority, employment benefits (other than medical insurance), or any benefit conditioned on length of service or work performed.

H. Denial of Key Employee Restoration

- 1. The District reserves the right to deny restoration to the same or equivalent position to any eligible employee who is a key employee, meaning any employee who is paid a salary and is in the highest paid 10% of employees. The District may deny restoration if necessary to prevent substantial and grievous economic injury to the District's operations. If the District intends to deny restoration to a key employee, it will:
 - a. use DOL Form WH-381, as updated, to notify the employee of his/her status as a key employee in response to the employee's request for FMLA leave and provide the employee with an explanation of the consequences for the employee if the District determines that substantial and grievous injury will result to its operations if the employee is reinstated after FMLA leave;
 - b. notify the employee, in person or by certified mail, as soon as the District decides it will deny restoration and the reasons for the denial;
 - c. offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice;

- d. make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration; and
- e. the District must maintain its group health plan cost, contributions, premium, or representative premium contributions for the employee's group health plan benefits for the entire term of the employee's FMLA leave, even after giving the employee notice that restoration will be denied.

I. Failure to Return to Work

- 1. An employee's unexcused failure to return to work upon expiration of FMLA leave will subject the employee to discharge unless the District grants an extension of leave as required by law or under a collective bargaining agreement, employee handbook, or individual employment contract. An employee who requests an extension of leave due to the continuation, recurrence, or onset of the employee's serious health condition, or the serious health condition of the employee's spouse, child, Parent, or covered service member or veteran, must submit to the employee's supervisor a written request for an extension. This written request must be made as soon as possible before the expiration of the employee's FMLA leave. Medical certification or recertification will be required to support any request for leave extension.
- If an employee is unable to perform the essential functions of the position or an equivalent position at the end of FMLA leave, the District will comply with ADA requirements, as applicable.
- 3. If an employee fails to return to work after his/her FMLA leave expires, the employee must reimburse the District for any group health plan costs, contributions, premiums, and representative premiums that the District paid for continuation of the employee's group health benefits coverage during FMLA leave, unless the employee does not return due to: (a) the continuation, recurrence, or onset of the serious health condition which entitled the employee to FMLA leave and the employee provides the District with sufficient certification from the proper health care provider of the continuation, recurrence, or onset of the serious health condition; or (b) other circumstances beyond the employee's control. This provision does not apply to any group health plan cost, insurance premium, or representative premium contributions made by the District for periods during which the employee used paid leave concurrently with FMLA leave.

J. Recordkeeping

- 1. The District will maintain the following records related to FMLA requests and use:
 - a. basic payroll information;
 - b. dates (or hours) during which eligible employees take FMLA leave;

- c. copies of all notices, requests, and other documents related to FMLA leave;
- d. copies of documents evidencing group health plan cost contributions, insurance premium, and representative premium payments made by the District on behalf of an eligible employee on FMLA leave; and
- e. documents related to disputes about eligibility or designation of FMLA leave.
- Medical certifications and other medical documentation related to FMLA leave will be maintained in a separate, confidential file from an employee's personnel file. See Policy 4224.

K. Notice to Employees

The District will post the appropriate notice of rights poster in a location easily seen by employees and include a general notice of employee FMLA rights in applicable employee handbooks or by providing employees notice at their time of hire.

4403 Performance Evaluation

Performance evaluations are essential to provide quality educational services and to measure competency. This Policy does not diminish the Board's authority or ability to non-renew a professional staff member's contract at the end of the contract's term, consistent with applicable statutes, collective bargaining agreements, Policies, and individual employment contracts. This Policy must be implemented consistent with Policy 1101.

A. Teachers as Defined by Revised School Code Section 1249 (K-12 certified teachers of record)

Teachers will be evaluated pursuant to a performance evaluation system consistent with Revised School Code Section 1249 and the Teachers' Tenure Act. This performance evaluation system will include, as appropriate, the following:

- 1. a year-end evaluation process that meets statutory standards;
- 2. an evaluation tool that incorporates components required by law, including:
 - a. locally agreed-on student growth and assessment data or student learning objectives, as defined by Revised School Code Section 1249;
 - b. the teacher's performance; and
 - c. objective criteria.
- 3. an individualized development plan (IDP) with performance goals developed by the evaluator in consultation with the teacher and recommended training designed to improve the teacher's effectiveness for:
 - a. all probationary teachers;
 - teachers rated minimally effective or ineffective during the 2023-24 school year;
 - e.b. treachers rated needing support or developing; or
 - d.c. at the evaluator's discretion when performance deficiencies are noted.
- 4. classroom observations of at least 15 minutes each which include, at a minimum, a review of the teacher's lesson plan, the state curriculum standard used in the lesson, and pupil engagement, with appropriate written feedback and a post-observation meeting between the teacher and the school administrator conducting the observation to discuss those items;

- a mid-year progress report, if required by law, which aligns with the teacher's individualized development plan, includes specific performance goals developed by the evaluator, and any recommended training identified by the evaluator;
- 6. a year-end performance evaluation effectiveness rating, of effective, developing, or needing support;
- 7. tenured teachers rated as highly effective or effective on the 3 most recent consecutive year-end evaluations may be evaluated triennially, but if the teacher is not rated as effective on one of the triennially year-end evaluations, the teacher must receive year-end evaluations;
- 8. a mentor for teachers rated developing or needing support or for teachers in the first year of probation;
- opportunity for a tenured teacher rated needing support on a year-end evaluation to request a review consistent with Revised School Code Section 1249;
- 10.a tool approved by MDE, a modified MDE tool, or a local evaluation tool if adopted in compliance with Revised School Code Section 1249 and corresponding regulations;
- 11. website posting of required information for the evaluation tool;
- 12. training on the evaluation tool for teachers and evaluators as required by law; and
- 13. other components that the Superintendent or designee deems relevant, important, or in the District's best interests.

If a tenured teacher is rated ineffective or needing support on 3 consecutive yearend evaluations, the teacher must be discharged consistent with due process. The District is not precluded from discharging a teacher at other times as provided by the Teachers' Tenure Act.

If a teacher receives an unevaluated rating, the teacher's rating from the school year immediately before the designation must be used.

B. Non-Teaching Professionals Subject to the Teachers' Tenure Act

The performance evaluation system for a Non-Teaching Professional with a teaching certificate subject to the Teachers' Tenure Act must include multiple observations. An IDP will be developed during the employee's probationary period. Except during the probationary period, which must include annual evaluations, the Superintendent or designee will evaluate the employee's performance at intervals determined by the Superintendent or designee. The Superintendent or designee has discretion to select and use an evaluation tool that serves the District's best interests.

The Superintendent or designee also has discretion to implement an IDP if performance deficiencies are noted, regardless of the employee's effectiveness rating.

To the extent required by law, a tenured Non-Teaching Professional subject to the Teachers' Tenure Act rated as needing support may request a review consistent with Revised School Code 1249.

C. Non-Teaching Professionals and Teachers Not Subject to Revised School Code Section 1249

For Non-Teaching Professionals and teachers not subject to Revised School Code Section 1249, the Superintendent or designee will evaluate the employee's performance at intervals determined by the Superintendent or designee, except annual evaluation will be performed during the employee's probationary period. The Superintendent or designee has discretion to select and use an evaluation tool that serves the District's best interests.

An IDP may be established at the Superintendent's or designee's discretion.

4407 Discipline

Maintaining appropriate procedures and standards for addressing misconduct and other inappropriate behavior by Professional Staff is a critical component in furthering an effective educational environment and in providing quality educational services to students. Off-duty conduct may result in discipline if it adversely impacts the District and is not a legally protected activity. Information about substantiated unprofessional conduct will not be suppressed or removed from a personnel file consistent with Revised School Code Section 1230b. This Policy must be implemented consistent with Policy 1101.

A. Probationary Professional Staff

Probationary Professional Staff discipline or demotion may occur for any lawful reason.

- 1. If the complaint alleges suspected child abuse or neglect, the matter must be immediately reported to Children's Protective Services.
- 2. An employee who is subject to an investigatory interview that may result in discipline or who reasonably believes an investigatory interview may result in discipline may bring a representative consistent with Policy 4108.
- 3. The Superintendent or designee is authorized to place a Professional Staff member on paid, non-disciplinary administrative leave pending the completion of an investigation when, in the judgment of the Superintendent or designee, placing the Professional Staff member on leave will protect the investigatory process or work environment.
- 4. Disciplinary measures may include warning, reprimand, unpaid suspension, financial penalty, or discharge. This Policy does not require that disciplinary measures be applied progressively or sequentially. The District may apply appropriate disciplinary measures for the circumstances. The District may also consider preventative measures, including training, coaching, and other remedial measures.
- 5. Discipline will be confirmed in writing and placed in that person's personnel file. The person's year-end performance evaluation may also reflect the discipline.
- 6. The Superintendent or designee is authorized to impose discipline except for:
 - a. nonrenewal of a probationary teacher; or
 - b. discharge of a probationary teacher.

The Board's action may be based upon the Superintendent's or designee's written recommendation and applicable procedures set forth in the Teachers' Tenure Act.

B. Tenured and Non-Probationary Professional Staff

Tenured teacher discipline or demotion will occur only for a reason(s) that is not arbitrary or capricious. Likewise, the disciplining of Non-Teaching Professionals will be governed by the arbitrary or capricious standard unless expressly stated otherwise in a collective bargaining agreement, employee handbook, or individual employment contract. Under the arbitrary or capricious standard, a disciplinary decision must be supported by a preponderance of the evidence and the discipline must have a rational relationship to the established misconduct or inappropriate behavior.

Before imposing discipline, the Superintendent or designee will investigate whether a Professional Staff member engaged in conduct that may justify discipline. The investigation should include discussions with witnesses determined by the Superintendent or designee to have relevant information and a review of tangible evidence (e.g., documents, video, electronic communications). The Professional Staff member will be provided an opportunity to respond to the allegation(s).

If a Professional Staff member is governed by a collective bargaining agreement or individual employment contract, the Superintendent or designee will adhere to the disciplinary standards and procedures in that agreement. If the collective bargaining agreement or individual employment contract does not have an applicable provision, then the standards and procedures outlined below will apply.

The following procedures may be used for investigating allegations of Professional Staff misconduct or inappropriate conduct:

- 1. The Superintendent or designee may consult with legal counsel in appropriate cases and may request that legal counsel assist with an investigation.
- 2. The Superintendent or designee will give the Professional Staff member oral or written notice of the allegation(s).
- 3. If the complaint alleges suspected child abuse or neglect, the matter must be immediately reported to Children's Protective Services.
- 4. The Superintendent or designee will give oral or written notice of the time, date, and location of a meeting to provide the Professional Staff member with an opportunity to respond to the allegation(s) and substantiating factor(s).
- 5. An employee who is subject to an investigatory interview that may result in discipline or who reasonably believes an investigatory interview may result in discipline may bring a representative consistent with Policy 4108.

- 6. The Superintendent or designee is authorized to place a Professional Staff member on paid, non-disciplinary administrative leave pending the completion of an investigation when, in the judgment of the Superintendent or designee, placing the Professional Staff member on leave will protect the investigatory process or work environment.
- 7. If an investigation concludes that a preponderance of the evidence (i.e., more likely than not) establishes that the Professional Staff member engaged in conduct warranting discipline, the appropriate level of discipline will be guided by the following:
 - a. the seriousness of the offense;
 - b. the Professional Staff member's prior disciplinary and employment record;
 - whether other Professional Staff members have engaged in similar or like past conduct known to the District's administration and the discipline imposed for those infractions;
 - d. the existence of aggravating or mitigating factors, as determined by the Superintendent or designee;
 - e. applicable federal or state law;
 - f. the Professional Staff member's acceptance of responsibility;
 - g. the likelihood of recurrence; and
 - h. any other factors the Superintendent or designee determine are relevant.
- 8. Disciplinary measures may include:
 - a. warning;
 - b. reprimand;
 - c. unpaid suspension;
 - d. financial penalty; or
 - e. discharge.

This Policy does not require that disciplinary measures be applied progressively or sequentially. The District may apply appropriate disciplinary measure. The District may consider additional preventative measures to address the misconduct, including training, coaching, and other remedial measures.

9. Discipline will be confirmed in writing and placed in that person's personnel file. The discipline imposed may also be reflected in the person's year-end performance evaluation.

4400 Professional Staff

4408 Termination

This Policy must be implemented consistent with Policy 1101.

A. Probationary Teachers

For purposes of this Policy, the "termination" of a probationary teacher occurs when the probationary teacher is discharged during the term of an existing individual employment contract between the probationary teacher and the Board. Discontinuation of a probationary teacher's employment at the expiration of an individual employment contract is not termination for purposes of this Policy and is addressed separately in Policy 4409.

The Board may terminate a probationary teacher for misconduct, inappropriate behavior, performance that is not effective, or for any other lawful reason at any time.

The Superintendent or designee may recommend the termination of a probationary teacher to the Board. The recommendation will include the reason(s) for the proposed termination.

Probationary teachers recommended for termination by the Superintendent or designee will be provided advance notice of the allegations; an opportunity for a hearing in closed or open session before the Board; and the time, date, and location of the Board hearing.

B. Tenured Teachers

The Superintendent or designee may recommend the termination of a tenured teacher by filing tenure charges with the Board. The Board will consider whether to proceed on the tenure charges or modify the charges. A tenured teacher may be terminated for a reason that is not arbitrary or capricious.

The tenured teacher may challenge the Board's decision to discharge or demote the teacher by timely filing an appeal with the State Tenure Commission.

C. Non-Teaching Professionals and Teachers not subject to the Teachers' Tenure Act (preschool, GSRP, or other teachers if they did not serve a probationary period under the Tenure Act)

Unless otherwise provided by a collective bargaining agreement or individual employment contract, a Non-Teaching Professional or teacher who is not subject to the Teachers' Tenure Act may be terminated by the Board for any reason that is not arbitrary or capricious, subject to due process.

The Superintendent or designee may recommend the termination of a Non-Teaching Professional or teacher to the Board. The recommendation will include the reason(s) for the proposed termination.

Non-Teaching Professionals or teachers recommended for termination by the Superintendent or designee will be provided advance written notice of the allegations; an opportunity for a hearing in closed or open session before the Board; and the time, date, and location of the Board hearing.

D. Extracurricular Positions, Including Athletic Coaches

Unless otherwise provided by a collective bargaining agreement or individual employment contract, extracurricular positions, including athletic coaches, may be non-renewed or terminated at-will by the Superintendent or designee. For contracted extracurricular positions, including athletic coaches, see Policy 4207.

4409 Non-Renewal

For purposes of this Policy, "non-renewal" of a probationary teacher refers to the discontinuation of the employment relationship between the Board and a probationary teacher at the expiration of the probationary year following the process set forth in the Teachers' Tenure Act.

Teachers must serve a probationary period as required by the Teachers' Tenure Act. A probationary teacher's contract may be non-renewed for performance-based reasons or any other lawful reason.

This Policy must be implemented consistent with Policy 1101.

A. Probationary Period

1. A probationary teacher rated developing or needing support may be subject to non-renewal consistent with the Teachers' Tenure Act. - b. The applicable 12-month period to determine an employee's entitlement to FMLA leave (i.e., the FMLA leave year) is a "rolling" 12-month period measured backward from when the FMLA leave would commence. An eligible employee taking FMLA leave to care for a covered service member or veteran with a serious injury or illness is allowed to take up to 26 work weeks of leave in a single 12-month period measured forward from the date the employee first takes leave.

2. Qualifying Events

- a. An eligible employee may take FMLA leave, up to a total of 12 work weeks, during any 12-month period for any one or more of the following:
 - i. the birth or care of the employee's newborn child;
 - ii. the employee's care for a newly adopted child or child placed in the employee's home for foster care;
 - iii. to care for a spouse, child (who is younger than age 18, or over 18 but incapable of self-care), a Parent (but not parent-in-law), or an individual

for whom the employee stands in loco parentis who has a serious health condition;

- iv. the employee's own serious health condition; or
- v. a qualifying military exigency about an employee, the employee's spouse, child (regardless of age), or Parent.
- b. An eligible employee may take up to 26 work weeks of leave during a single 12-month period to care for a covered service member who is receiving medical treatment, recuperation, or therapy, or is in outpatient status, or is on the temporary disability retired list for a serious injury or illness. The employee must be the spouse, child, Parent (regardless of their child's age), or next of kin of the covered service member. This subsection applies to veterans of the Armed Services who suffered an injury or illness, or aggravated an injury or illness, in the line of duty on active duty if the veteran was a member of the Armed Forces at any time during the 5 years before receiving treatment.

3. Limitations on FMLA Leave

- a. The entitlement to leave for the birth of a child or placement of a child with an employee for the purposes of adoption or foster care expires at the end of the 12-month period beginning on the date of the birth or placement, and these circumstances do not qualify for intermittent or reduced schedule leave
- b. Concerning spouses who are both employed by the District, and both eligible for FMLA leave, they are limited to a combined total of 12 work weeks of FMLA leave for the birth or placement, or related care, of a child for adoption or foster care with the employees or the care of a Parent with a serious health condition. This limitation does not apply to the care of a spouse or child with a serious health condition or to an employee's own serious health condition.
- c. Concerning the entitlement to 26 work weeks of leave to care for a covered service member with a serious illness or injury, the 26 work week allotment may include other reasons for FMLA leave authorized by the Act. But in that allotment, an employee is not entitled to more than 12 work weeks of leave for reasons unrelated to the care for a covered service member with a serious illness or injury.
- d. Concerning spouses who are both employed by the District, and both eligible for FMLA leave to care for a covered service member, they are limited to a combined total of 26 work weeks of leave for all leaves authorized by the Act during the 12-month period commencing with FMLA leave to care for a covered service member. The spouses are subject to the 12 work week limitation for leave related to the birth or placement, or related

care, of a child for adoption or foster care with the employees or the care of a Parent with a serious health condition.

B. FMLA Notice

- 1. An employee must give the District notice of FMLA leave as follows:
 - a. When the need for FMLA leave is foreseeable (e.g., for the birth of a child, placement for adoption or foster care, or planned medical treatment), 30 calendar days' notice is required. If the employee fails to give 30 calendar days' notice with no reasonable excuse, the District reserves the right to deny or to delay the employee's FMLA leave. If the FMLA leave is for planned medical treatment, the employee must make reasonable efforts to schedule treatment so as not to unduly disrupt the District's operations.
 - b. When the need for FMLA leave is unexpected, the employee must provide notice to the District as soon as practicable.
- 2. For both foreseeable and unexpected leave, employees must comply with District Policies, work rules, collective bargaining agreement provisions, and customary absence reporting procedures. Failure to comply with these requirements may be grounds to delay or deny the employee's FMLA leave request and may result in discipline.
- 3. Absent extenuating circumstances, within 5 work days after an employee requests FMLA leave or the District has reasonable information that an employee may qualify for FMLA leave, the District will provide to the employee a copy of this Policy and the U.S. Department of Labor's (DOL) "Notice of Eligibility and Rights & Responsibilities" DOL Form WH-381 (as updated).
- 4. Once the District receives sufficient notice, including any requested medical certification (see below), that an employee's leave qualifies as FMLA leave, the District will, absent extenuating circumstances, within 5 work days, notify the employee in writing whether the leave is designated as FMLA leave using DOL Form WH-382 (as updated).

C. Certification

1. If an employee requests FMLA leave due to the employee's serious health condition or to care for a Parent, child, or spouse with a serious health condition, the employee must provide medical certification from a health care provider of the serious health condition involved and, if applicable, verification that the employee is needed to care for the family member and the expected duration of the leave. Employees requesting leave for a qualifying exigency or leave to care for a covered service member with a serious injury or illness must provide the appropriate certification. The District will provide the employee with the appropriate DOL form applicable to the employee's requested leave.

- 2. Employees must return the requested certification within 15 calendar days after the request. The District may delay or deny FMLA leave if submission of the certification is not timely.
- 3. Failure or refusal to provide requested medical certification within 15 calendar days may result in denial of the leave being designated as FMLA leave.
- 4. If an employee provides an incomplete or insufficient certification, the District will advise the employee, in writing, of the deficiencies and what additional information is needed. An employee must return the requested additional information within 7 calendar days. The District, but not the employee's direct supervisor, may contact an employee's health care provider for clarification or authentication of a certification. The District may not contact the employee's health care provider if a complete and sufficient certification, signed by the health care provider, is submitted.
- 5. If the District has reason to doubt the medical certification an employee submits, the District may require, at its expense, that the employee obtain a second opinion from a health care provider of the District's choice. If the second opinion differs, the District may require, at its expense, that a third opinion be obtained from a health care provider who is mutually selected by the employee and the District. The third medical certification will be final and binding on both parties. If the employee refuses to be examined by the third health care provider, the employee will be bound by the second opinion. The District may not request a second opinion for leave to care for a covered service member or veteran with a serious injury or illness.

The District may request recertification consistent with FMLA regulations. Recertification will be at the employee's expense.

The District may request recertification in less than 30 calendar days if: an employee requests an extension of FMLA leave; circumstances stated in the prior certification have changed significantly; or the District receives information that casts doubt upon the employee's stated reason for the absence or the certification's validity.

D. Concurrent Leave and Substitution of Paid Leave

FMLA leave provided to employees is unpaid, unless the employee has applicable paid leave. Applicable paid leave (e.g., sick, personal, business, vacation, paid time off, leave under Michigan Paid Medical LeaveEarned Sick Time Act (MPMLAESTA), or workers' compensation) will run concurrently with FMLA leave at the election of either the District or the employee. The ability to use paid leave concurrently with FMLA leave is subject to compliance with the procedures and conditions normally associated with the paid leave. A medical leave of absence covered by workers' compensation runs concurrently with FMLA leave and consistent with an applicable individual employment contract or collective

bargaining agreement. FMLA leave beyond an employee's applicable accrued paid leave is unpaid.

E. Intermittent and Reduced Schedule Leave

- Eligible employees may take FMLA leave intermittently or on a reduced schedule when leave is taken to care for a family member with a serious health condition, for an employee's own serious health condition, because of a qualifying exigency, or to care for a covered service member or veteran, an eligible employee may take leave intermittently or on a reduced schedule when medically necessary.
- Intermittent or reduced schedule leave will not result in a reduction in the employee's total amount of leave beyond the amount of leave actually taken. Intermittent and reduced schedule FMLA leave will be accounted for in the shortest increment used to account for leave generally within the employee's classification.

Employees must follow the District's absence reporting procedures when using intermittent leave.

- 3. When an instructional employee seeks to take intermittent or reduced schedule leave to care for a family member with a serious health condition, to care for a covered service member or veteran, or for the employee's own serious health condition which is foreseeable based on planned medical treatment, and the employee would be on leave for more than 20% of the total number of work days over the leave period, the District may either require the employee to take leave on a full-time basis for the duration of the requested intermittent or reduced schedule leave or temporarily transfer the employee to an alternate position with equivalent pay and benefits.
- 4. If an eligible employee requests intermittent or reduced schedule leave for a foreseeable medical treatment, including during a period of recovery from a serious health condition, the District may require the employee to transfer temporarily to an available alternate position for which the employee is qualified and which better accommodates recurring periods of leave than the employee's regular position. The alternate position must have equivalent pay and benefits as the employee's regular position.

F. Group Health Plan Benefits

- 1. Eligible employees are generally entitled to the continuation of District-provided group health plan benefits while on FMLA leave. Group health plan benefits include medical, dental, and optical insurance coverages in which the employee is enrolled at the time that FMLA leave is taken.
- 2. The District will continue paying its portion, if any, of the employee's group health plan costs and insurance premiums or representative premiums while the employee is on FMLA leave and in accordance with any applicable

collective bargaining or individual employment contract. Any share or portion of the group health plan costs, insurance premiums, or representative premiums paid by the employee before FMLA leave must continue to be paid by the employee during FMLA leave. See DOL Form WH-381. An employee's failure to pay his/her portion of group health plan costs, insurance premiums, or representative premiums during FMLA leave may result in loss of coverage if the employee's contribution is more than 30 calendar days late. The District will provide the employee with written notice at least 15 calendar days before cancelling the employee's coverage because of a failure to make employee contributions.

3. As addressed in subsection I below, an employee who fails to voluntarily return to work after FMLA leave may be required to repay the District for his/her group health plan benefit costs.

G. Return to Work

- 1. At the expiration date of an employee's FMLA leave, the employee will be returned to that employee's former position or an equivalent position with the same pay, benefits, and working conditions. An employee taking FMLA leave has no greater right to reinstatement than if the employee had been continuously employed during the FMLA leave period.
- If an employee was unable to renew a license or certification because of FMLA leave and is no longer qualified for the employee's former position, the District will provide the employee reasonable time, on unpaid status, to fulfill the necessary return to work conditions.

3. Instructional Employees

- a. "Instructional" employees are those whose principal function is to teach and instruct students in a class, small group, or individual setting.
- b. If an instructional employee begins FMLA leave more than 5 weeks before the end of a term or semester, the District may require the employee to take FMLA leave until the end of the term or semester if the FMLA leave is to last at least 3 weeks and the employee would return to work during the 3-week period before the end of the term or semester.
- c. If an instructional employee begins FMLA leave during the 5-week period before the end of a term or semester because of the birth or placement for adoption or foster care of a child, to care for a spouse, child, or Parent with a serious health condition, or to care for a covered service member or veteran, the District may require that FMLA leave be taken until the end of the term or semester if the instructional employee would return to work during the 2-week period immediately before the end of the term or semester and the leave is to last more than 2 weeks.

- d. If an instructional employee begins FMLA leave during the 3-week period before the end of a term or semester because of the birth or placement for adoption or foster care of a child, to care for a spouse, child, or Parent with a serious health condition, or to care for a covered service member or veteran, the District may require the employee to take FMLA leave until the end of the term or semester, if the leave will last more than five (5) work days.
- e. Any additional FMLA leave required of an instructional employee by the District will not count against the employee's allotment of FMLA leave.

4. Fitness for Duty

The District may require that an employee returning from FMLA leave submit a fitness-for-duty certification from a health care provider which addresses the employee's ability to return to work and perform the essential functions of the employee's position. The District must provide the employee with notice of the requirement to provide a fitness-for-duty certification and the essential functions of the employee's position when the District provides the employee the designation of FMLA leave notice (DOL Form WH-382, as updated). If the employee fails to submit the fitness-for-duty certification in a timely manner, return from FMLA leave may be delayed by the District. The employee may be terminated if he/she fails to submit the fitness-for-duty certification.

 Unless a collective bargaining agreement provides otherwise, an employee on unpaid FMLA leave is not entitled to accrue seniority, employment benefits (other than medical insurance), or any benefit conditioned on length of service or work performed.

H. Denial of Key Employee Restoration

- 1. The District reserves the right to deny restoration to the same or equivalent position to any eligible employee who is a key employee, meaning any employee who is paid a salary and is in the highest paid 10% of employees. The District may deny restoration if necessary to prevent substantial and grievous economic injury to the District's operations. If the District intends to deny restoration to a key employee, it will:
 - a. use DOL Form WH-381, as updated, to notify the employee of his/her status as a key employee in response to the employee's request for FMLA leave and provide the employee with an explanation of the consequences for the employee if the District determines that substantial and grievous injury will result to its operations if the employee is reinstated after FMLA leave;
 - b. notify the employee, in person or by certified mail, as soon as the District decides it will deny restoration and the reasons for the denial;
 - c. offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice;

- d. make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration; and
- e. the District must maintain its group health plan cost, contributions, premium, or representative premium contributions for the employee's group health plan benefits for the entire term of the employee's FMLA leave, even after giving the employee notice that restoration will be denied.

I. Failure to Return to Work

- 1. An employee's unexcused failure to return to work upon expiration of FMLA leave will subject the employee to discharge unless the District grants an extension of leave as required by law or under a collective bargaining agreement, employee handbook, or individual employment contract. An employee who requests an extension of leave due to the continuation, recurrence, or onset of the employee's serious health condition, or the serious health condition of the employee's spouse, child, Parent, or covered service member or veteran, must submit to the employee's supervisor a written request for an extension. This written request must be made as soon as possible before the expiration of the employee's FMLA leave. Medical certification or recertification will be required to support any request for leave extension.
- If an employee is unable to perform the essential functions of the position or an equivalent position at the end of FMLA leave, the District will comply with ADA requirements, as applicable.
- 3. If an employee fails to return to work after his/her FMLA leave expires, the employee must reimburse the District for any group health plan costs, contributions, premiums, and representative premiums that the District paid for continuation of the employee's group health benefits coverage during FMLA leave, unless the employee does not return due to: (a) the continuation, recurrence, or onset of the serious health condition which entitled the employee to FMLA leave and the employee provides the District with sufficient certification from the proper health care provider of the continuation, recurrence, or onset of the serious health condition; or (b) other circumstances beyond the employee's control. This provision does not apply to any group health plan cost, insurance premium, or representative premium contributions made by the District for periods during which the employee used paid leave concurrently with FMLA leave.

J. Recordkeeping

- 1. The District will maintain the following records related to FMLA requests and use:
 - a. basic payroll information;
 - b. dates (or hours) during which eligible employees take FMLA leave;

- c. copies of all notices, requests, and other documents related to FMLA leave;
- d. copies of documents evidencing group health plan cost contributions, insurance premium, and representative premium payments made by the District on behalf of an eligible employee on FMLA leave; and
- e. documents related to disputes about eligibility or designation of FMLA leave.
- Medical certifications and other medical documentation related to FMLA leave will be maintained in a separate, confidential file from an employee's personnel file. See Policy 4224.

K. Notice to Employees

The District will post the appropriate notice of rights poster in a location easily seen by employees and include a general notice of employee FMLA rights in applicable employee handbooks or by providing employees notice at their time of hire.

4403 Performance Evaluation

Performance evaluations are essential to provide quality educational services and to measure competency. This Policy does not diminish the Board's authority or ability to non-renew a professional staff member's contract at the end of the contract's term, consistent with applicable statutes, collective bargaining agreements, Policies, and individual employment contracts. This Policy must be implemented consistent with Policy 1101.

A. Teachers as Defined by Revised School Code Section 1249 (K-12 certified teachers of record)

Teachers will be evaluated pursuant to a performance evaluation system consistent with Revised School Code Section 1249 and the Teachers' Tenure Act. This performance evaluation system will include, as appropriate, the following:

- 1. a year-end evaluation process that meets statutory standards;
- 2. an evaluation tool that incorporates components required by law, including:
 - a. locally agreed-on student growth and assessment data or student learning objectives, as defined by Revised School Code Section 1249;
 - b. the teacher's performance; and
 - c. objective criteria.
- 3. an individualized development plan (IDP) with performance goals developed by the evaluator in consultation with the teacher and recommended training designed to improve the teacher's effectiveness for:
 - a. all probationary teachers;
 - teachers rated minimally effective or ineffective during the 2023-24 school year;
 - e.b. treachers rated needing support or developing; or
 - d.c. at the evaluator's discretion when performance deficiencies are noted.
- 4. classroom observations of at least 15 minutes each which include, at a minimum, a review of the teacher's lesson plan, the state curriculum standard used in the lesson, and pupil engagement, with appropriate written feedback and a post-observation meeting between the teacher and the school administrator conducting the observation to discuss those items;

- a mid-year progress report, if required by law, which aligns with the teacher's individualized development plan, includes specific performance goals developed by the evaluator, and any recommended training identified by the evaluator;
- 6. a year-end performance evaluation effectiveness rating, of effective, developing, or needing support;
- 7. tenured teachers rated as highly effective or effective on the 3 most recent consecutive year-end evaluations may be evaluated triennially, but if the teacher is not rated as effective on one of the triennially year-end evaluations, the teacher must receive year-end evaluations;
- 8. a mentor for teachers rated developing or needing support or for teachers in the first year of probation;
- opportunity for a tenured teacher rated needing support on a year-end evaluation to request a review consistent with Revised School Code Section 1249;
- 10.a tool approved by MDE, a modified MDE tool, or a local evaluation tool if adopted in compliance with Revised School Code Section 1249 and corresponding regulations;
- 11. website posting of required information for the evaluation tool;
- 12. training on the evaluation tool for teachers and evaluators as required by law; and
- 13. other components that the Superintendent or designee deems relevant, important, or in the District's best interests.

If a tenured teacher is rated ineffective or needing support on 3 consecutive yearend evaluations, the teacher must be discharged consistent with due process. The District is not precluded from discharging a teacher at other times as provided by the Teachers' Tenure Act.

If a teacher receives an unevaluated rating, the teacher's rating from the school year immediately before the designation must be used.

B. Non-Teaching Professionals Subject to the Teachers' Tenure Act

The performance evaluation system for a Non-Teaching Professional with a teaching certificate subject to the Teachers' Tenure Act must include multiple observations. An IDP will be developed during the employee's probationary period. Except during the probationary period, which must include annual evaluations, the Superintendent or designee will evaluate the employee's performance at intervals determined by the Superintendent or designee. The Superintendent or designee has discretion to select and use an evaluation tool that serves the District's best interests.

The Superintendent or designee also has discretion to implement an IDP if performance deficiencies are noted, regardless of the employee's effectiveness rating.

To the extent required by law, a tenured Non-Teaching Professional subject to the Teachers' Tenure Act rated as needing support may request a review consistent with Revised School Code 1249.

C. Non-Teaching Professionals and Teachers Not Subject to Revised School Code Section 1249

For Non-Teaching Professionals and teachers not subject to Revised School Code Section 1249, the Superintendent or designee will evaluate the employee's performance at intervals determined by the Superintendent or designee, except annual evaluation will be performed during the employee's probationary period. The Superintendent or designee has discretion to select and use an evaluation tool that serves the District's best interests.

An IDP may be established at the Superintendent's or designee's discretion.

4407 Discipline

Maintaining appropriate procedures and standards for addressing misconduct and other inappropriate behavior by Professional Staff is a critical component in furthering an effective educational environment and in providing quality educational services to students. Off-duty conduct may result in discipline if it adversely impacts the District and is not a legally protected activity. Information about substantiated unprofessional conduct will not be suppressed or removed from a personnel file consistent with Revised School Code Section 1230b. This Policy must be implemented consistent with Policy 1101.

A. Probationary Professional Staff

Probationary Professional Staff discipline or demotion may occur for any lawful reason.

- 1. If the complaint alleges suspected child abuse or neglect, the matter must be immediately reported to Children's Protective Services.
- 2. An employee who is subject to an investigatory interview that may result in discipline or who reasonably believes an investigatory interview may result in discipline may bring a representative consistent with Policy 4108.
- 3. The Superintendent or designee is authorized to place a Professional Staff member on paid, non-disciplinary administrative leave pending the completion of an investigation when, in the judgment of the Superintendent or designee, placing the Professional Staff member on leave will protect the investigatory process or work environment.
- 4. Disciplinary measures may include warning, reprimand, unpaid suspension, financial penalty, or discharge. This Policy does not require that disciplinary measures be applied progressively or sequentially. The District may apply appropriate disciplinary measures for the circumstances. The District may also consider preventative measures, including training, coaching, and other remedial measures.
- 5. Discipline will be confirmed in writing and placed in that person's personnel file. The person's year-end performance evaluation may also reflect the discipline.
- 6. The Superintendent or designee is authorized to impose discipline except for:
 - a. nonrenewal of a probationary teacher; or
 - b. discharge of a probationary teacher.

The Board's action may be based upon the Superintendent's or designee's written recommendation and applicable procedures set forth in the Teachers' Tenure Act.

B. Tenured and Non-Probationary Professional Staff

Tenured teacher discipline or demotion will occur only for a reason(s) that is not arbitrary or capricious. Likewise, the disciplining of Non-Teaching Professionals will be governed by the arbitrary or capricious standard unless expressly stated otherwise in a collective bargaining agreement, employee handbook, or individual employment contract. Under the arbitrary or capricious standard, a disciplinary decision must be supported by a preponderance of the evidence and the discipline must have a rational relationship to the established misconduct or inappropriate behavior.

Before imposing discipline, the Superintendent or designee will investigate whether a Professional Staff member engaged in conduct that may justify discipline. The investigation should include discussions with witnesses determined by the Superintendent or designee to have relevant information and a review of tangible evidence (e.g., documents, video, electronic communications). The Professional Staff member will be provided an opportunity to respond to the allegation(s).

If a Professional Staff member is governed by a collective bargaining agreement or individual employment contract, the Superintendent or designee will adhere to the disciplinary standards and procedures in that agreement. If the collective bargaining agreement or individual employment contract does not have an applicable provision, then the standards and procedures outlined below will apply.

The following procedures may be used for investigating allegations of Professional Staff misconduct or inappropriate conduct:

- 1. The Superintendent or designee may consult with legal counsel in appropriate cases and may request that legal counsel assist with an investigation.
- 2. The Superintendent or designee will give the Professional Staff member oral or written notice of the allegation(s).
- 3. If the complaint alleges suspected child abuse or neglect, the matter must be immediately reported to Children's Protective Services.
- 4. The Superintendent or designee will give oral or written notice of the time, date, and location of a meeting to provide the Professional Staff member with an opportunity to respond to the allegation(s) and substantiating factor(s).
- 5. An employee who is subject to an investigatory interview that may result in discipline or who reasonably believes an investigatory interview may result in discipline may bring a representative consistent with Policy 4108.

- 6. The Superintendent or designee is authorized to place a Professional Staff member on paid, non-disciplinary administrative leave pending the completion of an investigation when, in the judgment of the Superintendent or designee, placing the Professional Staff member on leave will protect the investigatory process or work environment.
- 7. If an investigation concludes that a preponderance of the evidence (i.e., more likely than not) establishes that the Professional Staff member engaged in conduct warranting discipline, the appropriate level of discipline will be guided by the following:
 - a. the seriousness of the offense;
 - b. the Professional Staff member's prior disciplinary and employment record;
 - whether other Professional Staff members have engaged in similar or like past conduct known to the District's administration and the discipline imposed for those infractions;
 - d. the existence of aggravating or mitigating factors, as determined by the Superintendent or designee;
 - e. applicable federal or state law;
 - f. the Professional Staff member's acceptance of responsibility;
 - g. the likelihood of recurrence; and
 - h. any other factors the Superintendent or designee determine are relevant.
- 8. Disciplinary measures may include:
 - a. warning;
 - b. reprimand;
 - c. unpaid suspension;
 - d. financial penalty; or
 - e. discharge.

This Policy does not require that disciplinary measures be applied progressively or sequentially. The District may apply appropriate disciplinary measure. The District may consider additional preventative measures to address the misconduct, including training, coaching, and other remedial measures.

9. Discipline will be confirmed in writing and placed in that person's personnel file. The discipline imposed may also be reflected in the person's year-end performance evaluation.

- 10. The Superintendent or designee is authorized to impose discipline except for:
 - a. the discharge of a Professional Staff member; or
 - b. the demotion of a tenured teacher, as defined in the Teachers' Tenure Act.

The Board's action may be based on the Superintendent's or designee's written recommendation and applicable procedures in the Teachers' Tenure Act.

11. A tenured teacher's salary may be escrowed after tenure charges are approved by the Board pursuant to Policy 4208.

C. Extracurricular Positions, Including Athletic Coaches

Unless otherwise provided by an applicable collective bargaining agreement or individual employment contract, employees holding extracurricular positions, including athletic coaches, may be disciplined for any lawful reason. For contracted extracurricular positions, including athletic coaches, see Policy 4207.

4408 Termination

This Policy must be implemented consistent with Policy 1101.

A. Probationary Teachers

For purposes of this Policy, the "termination" of a probationary teacher occurs when the probationary teacher is discharged during the term of an existing individual employment contract between the probationary teacher and the Board. Discontinuation of a probationary teacher's employment at the expiration of an individual employment contract is not termination for purposes of this Policy and is addressed separately in Policy 4409.

The Board may terminate a probationary teacher for misconduct, inappropriate behavior, performance that is not effective, or for any other lawful reason at any time.

The Superintendent or designee may recommend the termination of a probationary teacher to the Board. The recommendation will include the reason(s) for the proposed termination.

Probationary teachers recommended for termination by the Superintendent or designee will be provided advance notice of the allegations; an opportunity for a hearing in closed or open session before the Board; and the time, date, and location of the Board hearing.

B. Tenured Teachers

The Superintendent or designee may recommend the termination of a tenured teacher by filing tenure charges with the Board. The Board will consider whether to proceed on the tenure charges or modify the charges. A tenured teacher may be terminated for a reason that is not arbitrary or capricious.

The tenured teacher may challenge the Board's decision to discharge or demote the teacher by timely filing an appeal with the State Tenure Commission.

C. Non-Teaching Professionals and Teachers not subject to the Teachers' Tenure Act (preschool, GSRP, or other teachers if they did not serve a probationary period under the Tenure Act)

Unless otherwise provided by a collective bargaining agreement or individual employment contract, a Non-Teaching Professional or teacher who is not subject to the Teachers' Tenure Act may be terminated by the Board for any reason that is not arbitrary or capricious, subject to due process.

The Superintendent or designee may recommend the termination of a Non-Teaching Professional or teacher to the Board. The recommendation will include the reason(s) for the proposed termination.

Non-Teaching Professionals or teachers recommended for termination by the Superintendent or designee will be provided advance written notice of the allegations; an opportunity for a hearing in closed or open session before the Board; and the time, date, and location of the Board hearing.

D. Extracurricular Positions, Including Athletic Coaches

Unless otherwise provided by a collective bargaining agreement or individual employment contract, extracurricular positions, including athletic coaches, may be non-renewed or terminated at-will by the Superintendent or designee. For contracted extracurricular positions, including athletic coaches, see Policy 4207.

4409 Non-Renewal

For purposes of this Policy, "non-renewal" of a probationary teacher refers to the discontinuation of the employment relationship between the Board and a probationary teacher at the expiration of the probationary year following the process set forth in the Teachers' Tenure Act.

Teachers must serve a probationary period as required by the Teachers' Tenure Act. A probationary teacher's contract may be non-renewed for performance-based reasons or any other lawful reason.

This Policy must be implemented consistent with Policy 1101.

A. Probationary Period

1. A probationary teacher rated developing or needing support may be subject to non-renewal consistent with the Teachers' Tenure Act. To attain tenure, a probationary teacher must be rated effective (after July 1, 2024) or receive a "highly effective (before July 1, 2024)" or "effective" rating on the teacher's 3 most recent year-end annual performance evaluations, including their most recent evaluation and servehave completed at least 4 full school years of employment. District personnel who witness an act of Unlawful Discrimination must intervene immediately, unless circumstances would make intervention dangerous. A person who is unable to intervene should promptly attempt to find another person who is able to intervene, contact a building administrator, or contact law enforcement, as the situation requires.

Any student who witnesses an act of Unlawful Discrimination is encouraged to report it to District personnel. No student will be retaliated against based on any report of suspected Unlawful Discrimination. A student may also anonymously report an incident of Unlawful Discrimination. The District will investigate anonymous reports to the extent possible pursuant to Policies 3115-3115H or Policy 3118, as applicable. Minor students do not need Parent permission to file a

5707 School Wellness Policy

The District is committed to providing a school environment that enhances opportunities for learning and lifelong wellness.

A. Nutrition Promotion and Education Goals

All students will receive nutrition education annually that is aligned with the Michigan Health Education Grade Level Content Expectations and the Michigan Merit Curriculum Guidelines for Health Education. Teaching healthy eating behaviors will be part of the curriculum.

The District promotes healthy food and beverage choices for students. The District will implement evidence-based healthy food promotion techniques through:

- 1. offering school meal programs; and
- 2. publicizing foods and beverages that meet or exceed the USDA Smart Snacks in School nutrition standards. The District will collaborate with public and private entities to promote student wellness.

The District will make water available to students throughout the school day.

B. Physical Activity Goals

The District will offer physical education programs that are designed to equip students with the knowledge, skills, and values necessary for lifelong physical activity. Physical education instruction will be aligned with the Michigan Physical Education Grade Level Content Expectations and the Michigan Merit Curriculum Guidelines for Physical Education.

Students will have the opportunity to participate regularly in supervised physical activities, either organized or unstructured, intended to maintain physical fitness and an understanding of the benefits of a physically active and healthy lifestyle.

The District strives to provide physical activity breaks for all students, including recess for elementary students and before and after school activities, and encourages students to use active transport (e.g., walking, biking).

The District encourages Parents to support their students' participation in physical activity, to be physically active role models, and to include physical activities in family events.

C. Goals for Other School-Based Activities Designed to Promote Student Wellness

The District may partner with community members or groups to implement this Policy. The District will also:

- 1. participate in state and federal child nutrition programs as appropriate;
- 2. allow other health-related entities to use school facilities for activities such as health clinics, screenings, and wellness events consistent with Policy 3304;
- 3. use evidence-based strategies to develop, structure, and support student wellness; and
- 4. create environments conducive to healthy eating, physical activity, and conveying consistent health messages.
- D. Standards and Nutrition Guidelines for All Foods and Beverages Sold to Students on the School Campus and During the School Day

The District will ensure that students have access to foods and beverages that comply with applicable laws and guidelines including, but not limited to, the USDA Nutrition Standards for School Meals and the USDA Smart Snacks in School nutrition standards.

The District will offer students a variety of age-appropriate, healthy food and beverage selections including fruits, vegetables, and whole grains aimed at meeting the nutrition needs of students within their calorie requirements to promote student health and reduce childhood obesity.

E. Standards for All Foods and Beverages Provided, But Not Sold, to Students During the School Day

The District may provide a list of healthy food and beverage alternatives to Parents, teachers, and students for classroom parties, rewards and incentives, or classroom snacks. The District discourages the use of unhealthy food and beverages as a reward or incentive for performance or behavior.

F. Food and Beverage Marketing

Marketing and advertising is allowed on school grounds or at school activities only for foods and beverages that meet or exceed the USDA Smart Snacks in School nutrition standards. Food and beverage fundraising and marketing that occurs at events outside of school hours need not comply with the USDA Smart Snacks in School nutrition standards.

In-school fundraising events must comply with Policy 5501 and MDE's Non-Compliant Food Fundraiser Guidance, which permits 2 fundraisers per week, per school building that do not comply with USDA Smart Snacks in School nutrition standards. In-school fundraising events may last up to 1 day and may not be held in the food service area during meal times.

Equipment that currently displays noncompliant marketing materials (e.g., scoreboard with soft drink logo) need not be immediately removed or replaced. As the District reviews and considers new contracts and as durable equipment, like scoreboards, is replaced or updated, any food or beverages marketed and advertised will meet or exceed the USDA Smart Snacks in School nutrition standards.

G. Wellness Committee

The District will form a Wellness Committee to establish goals for, oversee, and periodically review and update school health policies and programs. The Wellness Committee will also oversee this Policy's implementation.

The Wellness Committee will represent all school buildings and include, to the extent possible, Parents, students, food service representatives, physical and health education teachers, school and community health care professionals, and community members. The Board encourages community participation in the Wellness Committee. When possible, membership will also include Supplemental Nutrition Assistance Program education coordinators.

H. Implementation and Oversight

The Superintendent or designee is responsible for ensuring that each school building complies with this Policy.

The Board will review this Policy at least every 3 years to determine compliance, progress, and the extent to which this Policy compares to model school wellness policies. Parents, students, school employees, school health professionals, Board members, and community members may provide input to the District during the Wellness Policy review process.

A copy of this Policy will be maintained in the District's administrative offices and posted on the District's website. The Superintendent or designee will maintain all legally required documentation for implementation of this Policy.

The Superintendent or designee will annually provide notice about this Policy and any updates to the community.

I. School Meal Program

1. Meal Modifications

The District will accommodate reasonable meal modification requests for students with disabilities, as defined in Section 504 of the Rehabilitation Act, with no additional cost to the student. The modification request must be related to the disability or limitations caused by the disability.

4.2. Delinguent Meal Charge Debt and Bad Debt

The District is required to make reasonable efforts to collect unpaid meal charges of current students. The building principal or designee will contact households about unpaid meal charges and may establish payment plans and due dates by telephone, e-mail, or other written or oral communication. If these collection efforts are unsuccessful, the District may pursue any other methods to collect delinquent debt of current students as allowed by law. Collection efforts may continue into a new school year.

Unpaid meal charges of inactive students, such as graduated students and students no longer enrolled at the District, that are not collected by the end of the school year will be classified as bad debt. No later than December 31 of the following school year, non-federal funds will be used to reimburse the school meal program for the amount of bad debt.

2.3. Elimination of "Lunch Shaming"

The District will strive to eliminate any form of "lunch shaming." "Lunch shaming" is the public identification or stigmatization of students who cannot pay for a school meal. In furtherance of this goal, the District prohibits the following:

- a. requiring a student who cannot pay for a school meal or who has unpaid meal charges to wear a wristband or handstamp;
- b. requiring a student to dispose of a meal after it has been served because the student cannot pay for the meal or has unpaid meal charges;
- c. communicating directly with a student about unpaid meal charges unless the District has attempted but has been unable to contact the student's Parent by telephone, e-mail, or other written or oral communication;
- d. requiring a student to perform chores or other labor to pay a student meal debt; and
- e. discussing a student's unpaid meal charges in the presence of other students.

3.4. Meal Charge Policy

The District's policy on charged meals is:

Students who qualify for free meals will not be denied a reimbursable meal, even if they have accrued a negative balance from other food purchases.

The District will encourage Parents to complete financial eligibility forms as part of the student enrollment process to determine eligibility for free or reduced-price meals.

The Board directs the Superintendent to include this Policy in the student handbook and to distribute it to Parents.

PURPOSE

To approve the Adams Property Services, LLC, proposed contract extension.

EXPLANATION:

The District issued an RFP for "Snow Removal Services" on September 18, 2023, for the 23-24 school year, with a District option to extend the agreement. Adams was the low bidder at the time for snow removal services.

Attached is a letter from Josh Adams, owner of Adams Property Services, LLC. This letter proposes a three-year extension at the 2023 rates.

The District has been pleased with the company's responsiveness to any issues we have had. In addition, they have been willing to provide any extra one-time services requested, and have done so in a timely fashion.

If, at any point, the District becomes dissatisfied with the services provided, a termination clause is included in the original agreement.

The Operations Director and CFO support this three-year renewal. With other renewals we have seen over the past year, there have been price increases. A renewal that continues with 2023 pricing is favorable for the District.

RECOMMENDATION:

The CFO recommends that the Adrian Board of Education approve the letter submitted by Adams Property Services, LLC, offering a three-year contract extension for snow removal services.
