GOOD NEWS
REPORT

Superintendent Parker shared the Community Choice Award plaque with the

Mrs. Buseth-Fischer and a group of elementary students shared their First
Lego Robotics projects. Students worked on the project twice a week, then
daily as the competition neared. The competition was held on December 7,
2024, and 30 teams competed. The team's score was based on a
presentation and a solution to the presentation. The two topics our students
presented on were overfishing and illegal fishing. The other area where the
team scored was tasks accomplished with the robots. The students were
given three minutes to complete up to 16 tasks, and points were awarded
based on what they accomplished. Mr. Smith commented, "I enjoyed
watching them work together to problem-solve and make adjustments."

NEW BOARD POLICY

Motion carried.

Moved Baucher, supported by Solis-Gautz, that the board approve adding a class, Introduction to Industrial Arts, at the high school.

**NEW COURSE
OFFERING**

Motion carried.

Moved by Solis-Gautz, supported by Baucher, that the board nominate Guillermo Lopez as a candidate to the MABS Board of Directors.

MASB CANDIDATE

Motion carried.

The board reviewed revisions to board policies #3115, 3118, 4101, 4102, 4104, 4105a, 5202, and 5206. On January 9th, a federal court issued an order declaring that the Title IX regulations were unlawful. Under guidance from Thrun Policy Services, the District must revert to the 2020 Title IX regulations. The 2020 regulation had a separate Title IX sexual harassment policy.

**REVISIONS TO
BOARD POLICIES**

The board reviewed the ERate bids. The District recommends awarding the bid to Amerinet, the lowest responsible bidder. The District received six bids. Approximately 83 network switches will be replaced. Amerinet guarantees that all the parts are 100% ERate reimbursable. The District can be reimbursed 80% of the overall cost.

ERATE

Superintendent Parker recently had community feedback forums regarding a new recreational facility. He showed a map of four potential locations and a rendering of what the inside of the facility might look like. At the forums, he asked groups to provide answers to four questions. What do you like about the concept? What reservations or concerns do you have? What questions do you have? What have we missed? Mr. Parker shared comments from the community regarding each of these questions. The next step will be a community poll, and then the original focus group will reconvene.

**REPORTS FROM
SUPERINTENDENT
AND STAFF**

**FINANCE
COMMITTEE**

Trustee Buku reported that the Finance Committee had met and discussed the ERate bid review and dog training costs.

**BOARD MEMBER
COMMENTS**

Trustee Solis-Gautz thanked Superintendent Parker for the numerous presentations/forums regarding the potential recreational facility. "I have heard many positive feedback, and people have a good understanding of the concept and what the District would like to accomplish," stated Solis-Gautz. "I recently attended a training with Anita and Kayla about how to run an effective school board. The training affirmed that we are doing things well. We have amazing faculty, and that makes the board's job easier. I am proud to be part of this school board."

Trustee Marks thanked the board for appointing him. "I am looking forward to the next two years," he commented.

Trustee Buku remarked, "I am thrilled about the new Industrial Arts class being offered third trimester. I could not attend the last board meeting, but I want to thank Dr. Ballard for his service to the District. He sometimes brought a jovial silliness, but he had a commanding authority when he was passionate about something. He was always articulate. The District is stronger because of his leadership."

Moved by Baucher, supported by Buku, that the meeting be adjourned at 7:11 p.m.

FEBRUARY 10, 2025, ADRIAN HIGH SCHOOL, B100, 785 RIVERSIDED AVE.

**MEETING CALLED TO
ORDER**

President Ferguson called the Adrian Board of Education meeting to order at 5:30 pm.

The Pledge of Allegiance was recited.

PLEDGE RECITED

PRESENT: Baucher, Buku, Dunn, Lewis, Solis-Gautz, and President Ferguson

ABSENT:

Moved by Baucher, supported by Solis-Gautz, that the Adrian Board of Education approve the agenda.

AGENDA APPROVED

The motion carried.

President Ferguson recited the District's mission statement as a reminder of its purpose and direction.

**MISSION
STATEMENT**

The board heard from three candidates, Francis Rhames, Jay Marks, and Danielle Mueller, who wanted to fill the vacant seat on the board since Trustee Ballard retired. Each candidate was given five minutes to share with the board about themselves and why they wanted to serve on the Adrian Board of Education.

**CANDIDATE
STATEMENTS**

Mr. Rhames explained that he has four kids in the District. His kids have been enrolled at all levels, including the alternative program. "This gives me a unique position when it comes to personal experiences. The alternative program is great. The district is really good about providing many opportunities for students to find their path. I would like to see families continue to be involved in their children's education. I see value in school, and I want to support the faculty. Education is important, and I want to be a strong voice for the students," stated Rhames.

"Thank you for the opportunity to participate in the process. I understand that it is challenging. I want to take a moment to thank Dr. Ballard for his service to the District. I have been in the district as a student, parent, and board member for six years. I want to be on the board, not to respond just to today's needs, but I want to be part of a successful future. I want to support kids and staff. I want to empower the administration to make the hard choices and help lead the District," commented Marks.

Mrs. Mueller shared her previous leadership roles. Due to previous employment with the board, Mrs. Mueller believes she has a connection with many students, staff, families, and the community. "I want to help develop and grow the district. I want to serve the community where my children attend. I have a passion for serving and want to fight for students," explained Mueller.

Moved by Buku, supported by Solis-Gautz, that the board appoint Jay Marks to fill the remainder of Trustee Ballard's term on the Adrian Board of Education.

Trustee Buku commented, "I know each of you personally, and I want to thank you for applying for the open seat on the board. Dani, your pride in our schools is evident. Frank, you have some great leadership qualities. I would be thrilled to have either of you serve on the board. However, my support for Jay is because of his experience and knowledge of where the district is heading."

**MOTION FOR
CANDIDATE**

"Thank you for your interest in and support of the District and for applying. There is

an election coming up. Please continue with your willingness to serve on the board and apply then,” stated Baucher.

President Ferguson said, “Superintendent Parker, I would like you to find an area where Frank and Dani can get involved. Thank you, candidates, for putting yourself out there; this is not easy. We value you.”

PURPOSE: To approve changes to existing policies at the request of Thrun Policy Services.

Pursuant to the 2020 Title IX regulations, schools must have a separate Title IX sexual harassment policy that includes specific requirements. Therefore, the following policies are attached to review the revisions.

3118 – Title IX Sexual Harassment

4101 – Employee Rights and Responsibilities Non-Discrimination

4102 – Employee Rights and Responsibilities Anti- Harassment

4104 – Employment Complaint Procedure for Allegations Implicating Civil Rights

4105A – Pregnancy Workplace Accommodations for employees and Applicants

5202 – Unlawful Discrimination, Harassment, and Retaliation against Students

B. Students with Disabilities

If a Party is a student with a disability, the applicable Coordinator or designee should consult with one or more members, as appropriate, of the student's Section 504 or Individualized Education Program Team (as applicable), to ensure compliance with Section 504 or the IDEA in the implementation of Supportive Measures.

3115D *Informal Resolution*

In lieu of resolving a Complaint through the Grievance Procedure, and if offered by the District, the Parties may elect to participate in an informal resolution process. If the Complaint involves Title IX Sexual Harassment, the informal resolution process in Policy 3118 applies. Informal resolution is not available to resolve a Complaint that includes allegations that an employee engaged in sex-based harassment of a student, or when such a process would conflict with Federal, State, or local law.

Informal resolution does not require a full investigation and may encompass a broad range of conflict resolution strategies, including, but not limited to, arbitration, mediation, or restorative justice.

3115E *Grievance Procedure and Remedies*

A. Grievance Procedure

1. Generally

The District has adopted the following Grievance Procedure that provides for the prompt and equitable resolution of Unlawful Discrimination, including harassment and retaliation, Complaints, excluding Title IX Sexual Harassment complaints. This Grievance Procedure will be used to investigate and resolve Complaints of Unlawful Discrimination, including harassment and retaliation, between and among students, employees, volunteers, contractors, and Board members.

The District will treat Complainants and Respondents equitably.

The District requires that any individual serving in a Key Role not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent. The District presumes that the Respondent is not responsible for the alleged Unlawful Discrimination until a determination is made at the conclusion of the Grievance Procedure.

2. Grievance Procedure Timeframes

The District anticipates that most investigations will be concluded within 60 days. Investigations that involve several parties or witnesses, or investigations that are more complex, may exceed 60 days.

3. Confidentiality

The District will take reasonable steps to protect the privacy of the Parties and witnesses during its Grievance Procedure. These steps will not restrict the ability of the Parties to obtain and present evidence, including consulting with their family members, confidential resources, or advisors; or otherwise prepare for or participate in the Grievance Procedure.

4. Evidence Considerations

The Decisionmaker will objectively evaluate all relevant evidence. Credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.

5. Complaint Consolidation

The District may consolidate Complaints when the allegations arise out of the same facts or circumstances.

6. Notice of Allegations

Upon receiving a Complaint, the applicable Coordinator will notify the Parties of the following:

- a. The Grievance Procedure and any informal resolution process;
- b. Sufficient information available at the time to allow the Parties to respond to the allegations, including the identities of the Parties involved in the incident(s), the conduct alleged to constitute Unlawful Discrimination, and the date(s) and location(s) of the alleged incident(s); and
- c. Retaliation is prohibited.

If, during an investigation, the District decides to investigate additional allegations of Unlawful Discrimination by the Respondent toward the Complainant that are not included in the notice provided or that are included in a Complaint that is consolidated, the District will notify the Parties of the additional allegations.

7. Investigation

The District will ensure an adequate, reliable, and impartial Complaint investigation. The burden is on the District - not on the Parties - to conduct an investigation that gathers sufficient evidence to determine whether Unlawful Discrimination occurred.

The Parties will be provided an equal opportunity to present fact witnesses and other inculpatory and exculpatory relevant evidence.

Throughout the investigation, the Investigator must determine what, if any, facts remain in dispute. If dispositive facts are not reasonably in dispute (e.g., based on Party admissions, irrefutable evidence), further investigation is not required.

8. Determination

Following the investigation and evaluation of the evidence, the Decisionmaker will:

- a. Use the preponderance of the evidence standard to determine whether Unlawful Discrimination occurred.
- b. Notify the Parties in writing of the determination whether Unlawful Discrimination occurred, including the rationale for such determination and the procedures and permissible bases for the Complainant and Respondent to appeal, if applicable.
- c. Comply with this Grievance Procedure before imposing any disciplinary sanctions against a Respondent.

9. Remedies

If there is a determination that Unlawful Discrimination occurred, the applicable Coordinator will, as appropriate:

- a. Coordinate the provision and implementation of remedies to a Complainant and other people the District identifies as having had equal access to the District's education program or activity limited or denied by Unlawful Discrimination;
- b. Coordinate the imposition of any Disciplinary Sanctions against a Respondent; and
- c. Take other appropriate prompt and effective steps to ensure that Unlawful Discrimination does not continue or recur within the District's education program or activity.

10. False Statements

A person who knowingly files a false Complaint or makes a materially false statement is subject to discipline, including discharge from employment or expulsion.

Legal authority: 20 USC 1400 et seq., 1681 et seq.; 29 USC 206 et seq., 621 et seq., 701 et seq., 794, 2601 et seq., 6101 et seq.; 38 USC 4301 et seq.; 42 USC 1983, 2000d et seq., 2000e et seq., 2000ff et seq., 6101 et seq., 12101 et seq.; 29 CFR 1604.1 et seq., 1635; 34 CFR 106.1, et seq.; MCL 37.1101 et seq., 37.2101 et seq.

3115F *Complaint Dismissal and Appeals*

A. Complaint Dismissal

The District may dismiss a Complaint if:

1. The District is unable to identify the Respondent after taking reasonable steps to do so;
2. The Respondent is not participating in the District's education program or activity and is not employed by the District;
3. The Complainant voluntarily withdraws any or all of the allegations in the Complaint and the applicable Coordinator declines to initiate a Complaint; or
4. The District determines the conduct alleged in the Complaint, even if proven, would not constitute Unlawful Discrimination.

Upon dismissal, the District will promptly notify the Complainant of the basis for the dismissal. If the dismissal occurs after the Respondent has been notified of the allegations, the District will also notify the Respondent of the dismissal and the basis for the dismissal promptly following notification to the Complainant, or simultaneously if notification is in writing.

Upon dismissal, the District will take prompt and effective steps, as appropriate, through the applicable Coordinator, to ensure that Unlawful Discrimination does not continue or recur within the District's education program or activity. The District will offer Supportive Measures to the Complainant as appropriate. The District will also offer Supportive Measures to the Respondent as appropriate if the Respondent has been notified of the Complaint allegations.

B. Determination Appeal Procedures

Unless expressly stated in writing by the Decisionmaker, determinations are not subject to appeal.

3115H Training Requirements and Policy Notice

A. Training Requirements

All Coordinators and individuals assigned to serve in a Key Role must be adequately trained.

B. Nondiscrimination Notice Requirement

The District will prominently post on its website a notice of nondiscrimination, clearly stating that it applies to students, parents, employees, and applicants for admission and employment. The notice of nondiscrimination will comply with all applicable laws.

Legal authority: 20 USC 1400 et seq., 1681 et seq.; 29 USC 206 et seq., 621 et seq., 701 et seq., 794, 2601 et seq., 6101 et seq.; 38 USC 4301 et seq.; 42 USC 1983, 2000d et seq., 2000e et seq., 2000ff et seq., 6101 et seq., 12101 et seq.; 29 CFR 1604.1 et seq., 1635; 34 CFR 106.1, et seq.; MCL 37.1101 et seq., 37.2101 et seq.

3118 Title IX Sexual Harassment

Consistent with Policy 3115, the District prohibits unlawful sex discrimination, including harassment and retaliation, in any of its education programs or activities in accordance with Title IX of the Education Amendments of 1972 and its implementing regulations.

This Policy addresses allegations of Title IX sexual harassment that occurred on or after August 14, 2020 unless the District previously investigated the allegations under a different policy pursuant to the now-vacated Title IX 2024 regulations. Allegations of discrimination, harassment, or retaliation not covered by this Policy should be addressed under the District's applicable non-discrimination or anti-harassment policies. Allegations alleging both Title IX sexual harassment and other forms of Unlawful Discrimination and Unlawful Harassment (e.g., race, age, disability) Complaints that include allegations of Title IX sexual harassment may be investigated under this Policy or bifurcated and investigated pursuant to the applicable Grievance Procedure under Policies 3115-3115H. Investigating other forms of discrimination, including harassment and retaliation, pursuant to this Policy will fulfill the District's investigation requirements under Policies 3115-3115H, 4104, and 5202, but nothing in this paragraph limits the District's right to determine at any time that a non-Title IX allegation should be addressed under Policies 3115-3115H, 4104 or 5202 or any other applicable Policy.

The Board directs the Superintendent or designee to designate one or more employees who meet the training requirements in Section M of this Policy to serve as the District's Title IX Coordinator(s). The Title IX Coordinator will designate an Investigator, Decision-Maker, and Appeals Officer, if applicable, for each Formal Complaint made under this Policy. If a Formal Complaint is made under this Policy against the Title IX Coordinator, the Board President will designate the persons who will serve as the Investigator, Decision-Maker, and Appeals Officer and will work with District administrators to ensure that all other requirements of this Policy are met.

The Investigator, Decision-Maker, Appeals Officer, and Informal Resolution Facilitator cannot be the same person on a specific matter, and the persons designated to serve in those roles may or may not be District employees. Any person serving as the Investigator, Decision-Maker, Appeals Officer, or Informal Resolution Facilitator must meet the training requirements in Section M of this Policy.

Inquiries about Title IX's application to a particular situation may be referred to the Title IX Coordinator(s), the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

A. Definitions

For purposes of this Policy only, the below terms are defined as follows:

1. "Sexual Harassment" means conduct on the basis of sex that satisfies one or more of the following:
 - a. A District employee conditioning the provision of a District aid, benefit, or service on a person's participation in unwelcome sexual conduct;
 - b. Unwelcome conduct that a reasonable person would determine to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
 - c. "Sexual assault" as defined in 20 USC 1092(f)(6)(A)(v), "dating violence" as defined in 34 USC 12291(a)(10), "domestic violence" as defined in 34 USC 12291(a)(8), or "stalking" as defined in 34 USC 12291(a)(30).
 - i. "Sexual assault" is an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation. It includes unlawful sexual intercourse (including incest and statutory rape) and any sexual act, including rape, sodomy, sexual assault with an object, or fondling, directed against another person without the consent of that person, including when that person is incapable of giving consent.
 - A) Rape: (Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - B) Sodomy: Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - C) Sexual Assault With An Object: To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - D) Fondling: The touching of the private body parts of another person for the purpose of sexual gratification without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

- E) Incest: Nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - F) Statutory Rape: Nonforcible sexual intercourse with a person who is under the statutory age of consent.
- ii. “Dating violence” means violence committed by a person who is or has been in a romantic or intimate relationship with the Complainant. The existence of such a relationship is based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
 - iii. “Domestic violence” means felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the Complainant, person with whom the Complainant shares a child, person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Michigan; or any other person against an adult or youth Complainant who is protected from that person’s acts under the domestic or family violence laws of Michigan.
 - iv. “Stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for the person’s safety or the safety of others; or (2) suffer substantial emotional distress.
- 2. “Actual Knowledge” means notice of sexual harassment or allegations of sexual harassment to the District’s Title IX Coordinator or any District employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only District employee with actual knowledge is the Respondent.
 - 3. “Appeals Officer” is the person designated by the District to decide appeals of a dismissal or determination of responsibility for matters investigated under this Policy. The Appeals Officer may not be the same person as the Investigator, Title IX Coordinator, Decision-Maker, or person designated to facilitate an informal resolution process on a specific matter.
 - 4. “Complainant” is a person who is alleged to be the victim of conduct that could constitute Title IX sexual harassment.
 - 5. “Consent” means a voluntary agreement to engage in sexual activity by a person legally capable of consenting. Someone who is incapacitated cannot consent. Past consent does not imply future consent. Silence or an absence of resistance does not imply consent. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. Coercion, force, or threat of either invalidates consent. Sexual conduct or relationships between District

employees, volunteers, or contractors and students, regardless of age or consent, are prohibited.

6. “Day,” unless otherwise indicated, means a day that the District’s central office is open for business.
7. “Decision-Maker” is the person designated by the District to review the investigation report and provide a written determination of responsibility that provides the evidentiary basis for the Decision-Maker’s conclusions. The Decision-Maker may not be the same person as the Investigator, Title IX Coordinator, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter.
8. “Education Program or Activity” means any location, event, or circumstance over which the District exercised substantial control over both the Respondent and the context in which the harassment occurred.
9. “Formal Complaint” means a written document or electronic submission signed and filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the sexual harassment allegation.
10. “Grievance Process” is the process by which the District investigates and determines responsibility for Formal Complaints.
11. “Investigator” is the person designated by the District to investigate a Title IX Formal Complaint. The Investigator cannot be the same person as the Decision-Maker, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter. The Title IX Coordinator may serve as the Investigator on a particular investigation, unless the Title IX Coordinator has a conflict of interest or bias.
12. “Report” means an account of alleged Title IX sexual harassment made by any person (regardless of whether the reporting party is the alleged victim).
13. “Respondent” is a person who has been reported to be the perpetrator of conduct that could constitute Title IX sexual harassment.
14. “Supportive Measures” are non-disciplinary, non-punitive, individualized supports offered and implemented by the Title IX Coordinator as appropriate, as reasonably available, and at no-cost to the Complainant and the Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed. Supportive measures are designed to restore or preserve equal access to the District’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District’s educational environment, or deter sexual harassment.

15. “Title IX Coordinator” is the person(s) designated by the District to coordinate the District’s Title IX compliance. The Title IX Coordinator may not be the same person as the Appeals Officer or Decision-Maker on any matter. A person not serving as a Title IX Coordinator in a particular matter is not disqualified from serving in another role in that matter. The Title IX Coordinator may also serve as the Investigator or person designated to facilitate an informal resolution process on a particular investigation, unless the Title IX Coordinator signed the Formal Complaint.

B. Posting Requirement

The Title IX Coordinator’s contact information (name or title, office address, electronic mail address, and telephone number), along with the District’s Title IX nondiscrimination statement, must be prominently posted on the District’s website and in any catalogs or handbooks provided to applicants for admission or employment, students, parents/guardians, and unions or professional organizations with a collective bargaining or professional agreement with the District.

The District will provide notice of this Policy to all applicants, students, parents/guardians, employees, and unions or professional organizations with a collective bargaining or professional agreement with the District by prominently posting this Policy on its website and referencing this Policy in its handbooks, which will include the Title IX Coordinator’s name or title, office address, electronic mail address, and telephone number.

C. Designation of Title IX Coordinator

All Coordinators, including the Title IX Coordinator, are identified in Policy 3115B.

D. Reporting Title IX Sexual Harassment:

A person may make a report of sexual harassment or retaliation at any time. Reports may be made in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that result in the Title IX Coordinator receiving the person’s verbal or written report.

Any District employee who receives a report of sexual harassment or has actual knowledge of possible sexual harassment must convey that information to the Title IX Coordinator by the end of the next day.

Any other person who witnesses an act of sexual harassment is encouraged to report it to a District employee and may do so anonymously. No person will be retaliated against based on any report of suspected sexual harassment or retaliation.

E. General Response to Sexual Harassment

1. District’s Obligation to Respond without Deliberate Indifference

Upon actual knowledge of Title IX sexual harassment, the Title IX Coordinator must respond promptly in a manner that is not deliberately indifferent. The District will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

If the Title IX Coordinator receives a report of sexual harassment and the Complainant does not file a Formal Complaint, the Title IX Coordinator must evaluate the information and determine whether to sign and file a Formal Complaint. If the Title IX Coordinator determines not to sign and file a Formal Complaint, the Title IX Coordinator must address the allegations in a manner that is not deliberately indifferent.

2. Response to Report of Title IX Sexual Harassment

Upon receipt of a report of sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

3. Formal Complaint Filed

Upon the receipt of a Formal Complaint, the District must follow the Grievance Process in Section F of this Policy. A Formal Complaint may be submitted using a designated Title IX Sexual Harassment Formal Complaint Form.

4. Equitable Treatment

The District will treat the Complainant and Respondent equitably throughout the Grievance Process, which may include offering supportive measures as described in Subsection E(6) of this Policy.

5. Documentation and Recordkeeping

The Title IX Coordinator will document all sexual harassment reports and all incidents of sexual harassment that the Title IX Coordinator receives or personally observes.

The District will retain this documentation in accordance with applicable record retention requirements in Section N of this Policy.

6. Supportive Measures

After receiving a report of Title IX sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, with or without the filing of a Formal Complaint. If the District does not provide a Complainant with supportive measures, then the Title IX Coordinator must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

The District may provide, as appropriate, non-disciplinary, non-punitive individualized services to the Complainant or Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed.

Supportive measures should be designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party.

Supportive measures are offered without charge and are designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.

Supportive measures may include, but are not limited to:

- a. District-provided counseling;
- b. Course-related adjustments, such as deadline extensions;
- c. Modifications to class or work schedules;
- d. Provision of an escort to ensure that the Complainant and Respondent can safely attend classes and school activities; and
- e. No-contact orders.

All supportive measures must be kept confidential, to the extent that maintaining such confidentiality would not impair the District's ability to provide the supportive measures.

7. Respondent Removal

a. Emergency Removal (Student)

The District may only remove a student Respondent from a District program or activity if, following an individualized safety and risk analysis, the District determines that there is an immediate threat to the physical health or safety of any student or other person arising from the sexual harassment allegations. The District must provide the Respondent with notice and an opportunity to immediately challenge the removal decision. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

b. Administrative Leave (Employee)

The District may place an employee Respondent on non-disciplinary administrative leave during the pendency of the Grievance Process. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

8. Law Enforcement

In appropriate circumstances, a District employee will notify law enforcement or Child Protective Services, consistent with Policies 4202, 5201, and 5701.

The District will attempt to comply with all law enforcement requests for cooperation with related law enforcement activity. In some circumstances, compliance with law enforcement requests may require the District to briefly suspend or delay its investigation. If an investigation is delayed, the District will notify the parties in writing of the delay and the reasons for the delay.

If the District's investigation is suspended or delayed, supportive measures will continue during the suspension or delay. If the law enforcement agency does not notify the District within 10 days that the District's investigation may resume, the District will notify the law enforcement agency that the District intends to promptly resume its investigation.

F. Grievance Process

1. Generally

The Grievance Process begins when a Formal Complaint is filed or when the Title IX Coordinator signs a Formal Complaint and concludes the date the parties receive the Appeals Officer's written decision or the date on which an appeal is no longer timely. The District will endeavor to complete the Grievance Process within 90-120 days, absent extenuating circumstances or delays as described below. The District will treat both the Complainant and the Respondent equitably throughout the Grievance Process.

Neither the Title IX Coordinator, the Decision-Maker, the Investigator, Appeals Officer, nor any person designated to facilitate an informal resolution process will have a conflict of interest or bias for or against Complainants or Respondents generally or for or against an individual Complainant or Respondent.

The Grievance Process requires an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a Complainant, Respondent, or witness.

Throughout the Grievance Process, there is a presumption that the Respondent is not responsible for the alleged conduct unless, in the determination of responsibility, the Decision-Maker finds the Respondent responsible for the alleged conduct.

At any point, the Title IX Coordinator, Investigator, Decision-Maker, or Appeals Officer may temporarily delay the Grievance Process or permit a limited extension of time frames for good cause. Good cause may include, but is not limited to, absence of a party, party's advisor, or witness; concurrent law

enforcement activity; or the need for accommodations (e.g., language assistance or accommodation of disabilities). If there is a delay or extension, the parties will receive written notice of the delay or extension and the reasons for the action.

Any disciplinary action resulting from the Grievance Process will be issued in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

After the investigation portion of the Grievance Process has concluded, the Decision-Maker will endeavor to issue a determination of responsibility within 30 days, absent extenuating circumstances.

2. Notice of Allegations

Upon receipt of a Formal Complaint, the District must provide written notice to the parties who are known at the time that includes:

- a. A copy of this Policy, which includes the District's Grievance Process, and any informal resolution process;
- b. The sexual harassment allegations, including sufficient details known at the time and with sufficient time so that parties may prepare a response before the initial interview. Sufficient details include parties involved in the incident, if known; the alleged conduct constituting sexual harassment; and the date and time of the alleged incident;
- c. A statement that the Respondent is presumed not responsible for the alleged conduct;
- d. A statement that a determination of responsibility is made at the Grievance Process's conclusion;
- e. A statement that the parties may have an advisor of their choice, who may be an attorney, although any attorney or advisor who is not a District employee will be at the party's own cost;
- f. A statement that the parties will be provided an opportunity to inspect and review any evidence before the investigation report is finalized; and

If the Complainant or Respondent is a student, and the District's Student Code of Conduct addresses false statements by students during an investigation or the disciplinary process, a citation to that portion of the Code of Conduct. If, during the course of an investigation, the Investigator decides to investigate allegations that are not included in the initial notice, the District will provide notice of the additional allegations to the Complainant and Respondent.

3. Informal Resolution

During the Grievance Process, *after* a Formal Complaint has been filed but before a determination of responsibility has been made, the District may offer to facilitate an informal resolution process, or either party may request the informal resolution process. A Formal Complaint must be filed to initiate the informal resolution process.

Informal resolution does not require a full investigation and may encompass a broad range of conflict resolution strategies, including, but not limited to, arbitration, mediation, or restorative justice. The Title IX Coordinator will determine the informal resolution process that will be used, including the person who will facilitate that process.

Informal resolution is not available for a Formal Complaint alleging that an employee sexually harassed a student.

A party is not required to participate in an informal resolution process.

When offering informal resolution, the Title IX Coordinator must (1) provide both parties written notice of their rights in an informal resolution; and (2) obtain written, voluntary consent from both parties to enter into the informal resolution process. The written notice must contain the:

- a. Allegations;
- b. Informal resolution requirements, including the circumstances under which the informal resolution precludes the parties from resuming a Formal Complaint arising from the same allegations;
- c. Right to withdraw from informal resolution and resume the Grievance Process at any time prior to a final resolution; and
- d. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or that could be disclosed.

4. Investigation

The District has the burden of proof and the burden to gather evidence sufficient to reach a determination of responsibility.

a. Investigation Process

The District will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege unless the person holding the privilege has waived the privilege in writing.

The District may not access, consider, disclose, or otherwise use a party's medical records, including mental health records, which are made and maintained by a healthcare provider in connection with the party's treatment

unless the District obtains that party's voluntary, written consent to do so for the Grievance Process.

The Investigator must provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory or exculpatory evidence. The Investigator cannot restrict parties from discussing the allegations under investigation, nor can the Investigator restrict parties from gathering or presenting relevant evidence.

Parties may be accompanied by an advisor of their choice, including an attorney, during the Grievance Procedure. If a party chooses an advisor who is not a District employee, the District is not responsible for any associated costs. The Investigator or Title IX Coordinator may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties (e.g., abusive, disruptive behavior or language will not be tolerated; advisor will not interrupt the investigator to ask questions of witnesses).

The Investigator must provide the date, time, location, participants, and purpose of all hearings (if any), investigative interviews, and meetings, to a party whose participation is invited or expected. Written notice must be provided a sufficient time in advance so that a party may prepare to participate.

As described in Section L of this Policy, retaliation against a person for making a complaint or participating in an investigation is prohibited.

The Investigator must ensure that the Complainant and Respondent have an equal opportunity to inspect and review any evidence obtained as part of the investigation so that each party has the opportunity to meaningfully respond to the evidence before the investigation's conclusion. This evidence includes (1) evidence upon which the District does not intend to rely in reaching a determination regarding responsibility, and (2) inculpatory or exculpatory evidence obtained from any source.

Before the investigation's completion, the Investigator must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 calendar days to submit a written response to the Investigator. The party's response must be considered by the Investigator before completing the final investigation report.

b. Investigation Report

The Investigator must create an investigation report that fairly summarizes relevant evidence and submit the investigation report to the Decision-Maker.

At least 10 calendar days before a determination of responsibility is issued, the Investigator must send the investigation report to each party for review and written response. Written responses to the investigation report must be submitted directly to the Decision-Maker.

The Investigator will endeavor to complete the investigation and finalize the report within 60 days.

5. Determination of Responsibility

The Decision-Maker cannot be the same person as the Title IX Coordinator, Investigator, Appeals Officer, or person designated to facilitate an informal resolution process.

Before the Decision-Maker reaches a determination of responsibility, and after the Investigator has sent the investigation report to the parties, the Decision-Maker must:

- a. Afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness; and
- b. Provide each party with the answers, and allow for additional, limited follow-up questions from each party.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant unless offered to prove that someone other than the Respondent committed the alleged misconduct, or the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

If the Decision-Maker decides to exclude questions from either party as not relevant, the Decision-Maker must explain the decision to the party proposing the questions.

The Decision-Maker must issue a written determination of responsibility based on a preponderance of the evidence standard (i.e., more likely than not) simultaneously to both parties. The written determination of responsibility must include:

- a. Identification of the sexual harassment allegations;
- b. Description of the procedural steps taken from the receipt of the Formal Complaint through the determination of responsibility, including any:
 - i. Notification to the parties;
 - ii. Party and witness interviews;
 - iii. Site visits;
 - iv. Methods used to collect evidence; and

- v. Hearings held.
 - c. Factual findings that support the determination;
 - d. Conclusions about the application of any relevant code of conduct, policy, law, or rule to the facts;
 - e. A statement of, and rationale for, the result as to each allegation, including:
 - i. A determination of responsibility;
 - ii. Any disciplinary action taken against the Respondent (consistent with Policies 4309, 4407, 4506, 4606, or 5206, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts); and
 - iii. Whether remedies designed to restore and preserve equal access to the District's education program or activity will be provided to the Complainant.
 - f. Appeal rights.
6. Appeals

Notice of the determination of responsibility or dismissal decision must include notice of the parties' appeal rights.

Both parties may appeal a determination of responsibility or the decision to dismiss a Formal Complaint in whole or in part for the following reasons only:

- a. A procedural irregularity that affected the outcome.
- b. New evidence that was not reasonably available at the time the determination of responsibility or dismissal decision was made that could affect the outcome.
- c. The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against the Complainant or Respondent, generally or individually, that affected the outcome.

An appeal must be filed with the Title IX Coordinator within 5 calendar days of the date of the determination of responsibility or dismissal decision.

Upon receipt of an appeal, the Title IX Coordinator will assign an Appeals Officer who will provide both parties written notice of the appeal and an equal opportunity to submit a written statement in support of, or challenging, the determination or dismissal decision.

The Appeals Officer must provide a written decision describing the result of the appeal and the rationale for the result to both parties simultaneously. The Appeals Officer will endeavor to decide an appeal within 30 days.

The Appeals Officer cannot be the same person who acts as the Title IX Coordinator, Investigator, Decision-Maker, or person designated to facilitate an informal resolution process on the same matter. The Appeals Officer also cannot have a conflict of interest or bias against Complainants and Respondents generally or individually.

The determination of responsibility is final upon the date the parties receive the Appeals Officer's written decision or on the date on which an appeal is no longer timely.

G. Dismissal

1. Mandatory Dismissals

The Title IX Coordinator must dismiss a Formal Complaint if:

- a. The Formal Complaint's allegations, even if substantiated, would not constitute sexual harassment as defined in this Policy;
- b. The Formal Complaint's allegations did not occur in the District's programs or activities; or
- c. The Formal Complaint's allegations did not occur in the United States.

2. Discretionary Dismissals

The Title IX Coordinator may dismiss a Formal Complaint if:

- a. The Complainant notifies the Title IX Coordinator in writing that the Complainant wishes to withdraw the Formal Complaint in whole or in part;
- b. The Respondent's enrollment or employment ends; or
- c. Specific circumstances prevent the District from gathering evidence sufficient to reach a determination (e.g., several years have passed between alleged misconduct and Formal Complaint filing, Complainant refuses or ceases to cooperate with Grievance Process).

The Title IX Coordinator will promptly and simultaneously notify both parties when a Formal Complaint is dismissed. The notice must include the reasons for mandatory or discretionary dismissal and the right to appeal. Appeal rights are discussed above in Subsection F(6) of this Policy.

Dismissal of a Formal Complaint under this Policy does not excuse or preclude the District from investigating alleged violations of other policy, rule, or law, or from issuing appropriate discipline based on the results of the investigation.

H. Consolidation of Complaints

The Title IX Coordinator or Investigator may consolidate Formal Complaints where the allegations arise out of the same facts or circumstances. Where a Grievance

Process involves more than one Complainant or more than one Respondent, references in this Policy to the singular “party,” “Complainant,” or “Respondent” include the plural, as applicable.

I. Remedies and Disciplinary Sanctions

The District will take appropriate and effective measures to promptly remedy the effects of sexual harassment. The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appropriate remedies will be based on the circumstances and may include, but are not limited to:

1. Providing an escort to ensure that the Complainant and Respondent can safely attend classes and school activities;
2. Offering the parties school-based counseling services, as necessary;
3. Providing the parties with academic support services, such as tutoring, as necessary;
4. Rearranging course or work schedules, to the extent practicable, to minimize contact between the Complainant and Respondent;
5. Moving the Complainant’s or the Respondent’s locker or work space;
6. Issuing a “no contact” directive between the Complainant and Respondent;
7. Providing counseling memoranda with directives or recommendations.

These remedies may also be available to any other student or person who is or was affected by the sexual harassment.

The District will impose disciplinary sanctions consistent with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts. Discipline may range from warning or reprimand to termination of employment, or student suspension or expulsion.

After a determination of responsibility, the Title IX Coordinator should consider whether broader remedies are required, which may include, but are not limited to:

1. Assemblies reminding students and staff of their obligations under this Policy and applicable handbooks;
2. Additional staff training;
3. A climate survey; or
4. Letters to students, staff, and parents/guardians reminding persons of their obligations under this Policy and applicable handbooks.

If the Complainant or Respondent is a student with a disability, the District will convene an IEP or Section 504 Team meeting to determine if additional or different programs, services, accommodations, or supports are required to ensure that the Complainant or Respondent continues to receive a free appropriate public education. Any disciplinary action taken against a Respondent who is a student with a disability must be made in accordance with Policy 5206B and the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act.

J. False Statements

Any person who knowingly makes a materially false statement in bad faith during a Title IX investigation will be subject to discipline, up to and including discharge or permanent expulsion. A dismissal or determination that the Respondent did not violate this Policy is not sufficient, on its own, to conclude that a person made a materially false statement in bad faith.

K. Confidentiality

The District will keep confidential the identity of a person who reports sexual harassment or files a Formal Complaint, including parties and witnesses, except as permitted or required by law or to carry out any provision of this Policy, applicable regulations, or laws.

L. Retaliation

Retaliation (e.g., intimidation, threats, coercion) for the purpose of interfering with a person's rights under Title IX is prohibited. This prohibition applies to retaliation against any person who makes a report, files a Formal Complaint, or participates in, or refuses to participate in a Title IX proceeding. Complaints alleging retaliation may be pursued in accordance with District Policy.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this Section.

When processing a report or Formal Complaint of sexual harassment, pursuing discipline for other conduct arising out of the same facts or circumstances constitutes retaliation if done for the purpose of interfering with that person's rights under Title IX.

Any person who engages in retaliation will be disciplined in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

M. Training

All District employees must be trained on how to identify and report sexual harassment.

Any person designated as a Title IX Coordinator, Investigator, Decision-Maker, Appeals Officer, or any person who facilitates an informal resolution process must be trained on the following:

1. The definition of sexual harassment;
2. The scope of the District's education programs or activities;
3. How to conduct an investigation and the District's grievance process, including, as applicable, hearings, appeals, and informal resolution processes; and
4. How to serve impartially, including avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

Investigators must receive training on how to prepare an investigation report as outlined in Subsection F(4)(b) above, including, but not limited to, issues of relevance.

Decision-Makers and Appeals Officers must receive training on issues of evidence and questioning, including, but not limited to, when questions about a Complainant's prior sexual history or disposition are not relevant.

Any materials used to train District employees who act as Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, or who facilitate an informal resolution process must not rely on sex stereotypes and must promote impartial investigations and adjudications of Formal Complaints. These training materials must be posted on the District's website.

N. Record Keeping

The District will maintain records related to reports of alleged Title IX sexual harassment for a minimum of seven years. This retention requirement applies to investigation records, disciplinary sanctions, remedies, appeals, and records of any action taken, such as supportive measures.

The District will also retain any materials used to train Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, and any person designated to facilitate an informal resolution process.

O. Office for Civil Rights

Any person who believes that he or she was the victim of sexual harassment may file a complaint with the Office for Civil Rights (OCR) at any time:

U.S. Department of Education Office for Civil Rights
1350 Euclid Avenue, Suite 325
Cleveland, Ohio 44115
Phone: (216) 522-4970
E-mail: OCR.Cleveland@ed.gov

An OCR complaint may be filed before, during, or after filing a Formal Complaint with the District. A person may forego filing a Formal Complaint with the District and instead file a complaint directly with OCR. The District recommends that a person who has been subjected to sexual harassment also file a Formal Complaint with the District to ensure that the District is able to take steps to prevent any further harassment and to discipline the alleged perpetrator, if necessary. OCR does not serve as an appellate body for District decisions under this Policy. An investigation by OCR will occur separately from any District investigation.

1. A Board member, employee, or employment applicant who believes he/she has been the subject of Unlawful Discrimination, harassment or Retaliation, must timely file a complaint, preferably within 10 business days of the alleged or suspected violation or when the reporter obtained knowledge of the alleged or suspected violation, with the Employment Compliance Officer or applicable coordinator listed in Policy 3115B.

4105A Pregnancy Workplace Accommodations for Employees and Applicants

The District complies with state and federal law prohibiting pregnancy discrimination. The District will provide reasonable accommodations to known limitations related to pregnancy, childbirth, or related medical conditions of a qualified employee absent an undue hardship. The District treats pregnancy or related conditions as any other temporary medical condition for all job-related purposes. For purposes of this policy, the term “employee” includes an applicant for employment where relevant.

For an employee who requires a reasonable accommodation due to a known limitation related to pregnancy, childbirth, or related medical conditions, the employee or the employee’s representative must make a proper District official (as identified in Pregnant Workers Fairness Act (“PWFA”) regulations) aware of the limitation.

Upon receipt of an accommodation request, the District will begin the interactive process with the employee to consider whether the employee is qualified under the PWFA and, if so, reasonable accommodation options consistent with the PWFA that do not cause undue hardship.

Determining whether an employee is qualified may be a two-step inquiry. First, the District will determine whether the employee can perform the essential job functions of the employee’s position with or without a reasonable accommodation. If so, the employee is qualified. If not, then the District will consider the employee to be qualified if: (1) any inability to perform an essential job function(s) is for a temporary period, (2) the essential function(s) could be performed in the near future, and (3) the inability to perform the essential function(s) can be reasonably accommodated without an undue hardship.

Reasonable accommodation requests will not be granted if they cause an undue hardship, as defined by law. The District may require medical documentation supporting the requested accommodation where allowed by law because the information is necessary for assessing the accommodation request. Medical information will be kept confidential.

After considering any relevant medical information, essential job functions, and the employee’s requested accommodations, the District will, as appropriate, implement reasonable accommodations for a qualified employee that do not cause an undue hardship. The District is not obligated to adopt the employee’s specific accommodation request. The District may engage or re-engage in the interactive process, as necessary.

A reasonable accommodation may include a voluntary leave of absence. If an employee has insufficient leave or insufficient accrued employment time to qualify for leave, or if the District does not maintain a leave policy applicable to the employee, the District will treat any pregnancy or related conditions as a justification for a voluntary leave of absence without pay for a reasonable period of time, at the conclusion of which the employee will be reinstated to the status held when the leave began or to a comparable position without

decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

An employee who believes he/she has been discriminated against under this Policy must promptly file a complaint using the Employment Complaint Procedure in Policy 4104.

5202 Unlawful Discrimination, Harassment, and Retaliation Against Students

The District prohibits unlawful discrimination. “Unlawful Discrimination” includes unlawful harassment and retaliation, unless specifically stated otherwise. The District will investigate all allegations of Unlawful Discrimination and will take appropriate action, including discipline, against any person who, following an investigation, is determined to have engaged in Unlawful Discrimination.

Complaints alleging Unlawful Discrimination, harassment, and Retaliation against a student will be investigated using the process outlined in Policies 3115-3115H.

Complaints alleging Title IX sexual harassment will be investigated using the Grievance Process outlined in Policy 3118.

The identities of the District’s Title IX Coordinator, Section 504 Coordinator, and Civil Rights Coordinator are listed in Policy 3115B.

A. Student Handbooks

The Superintendent or designee will include in student handbooks a statement explaining the District’s policy against Unlawful Discrimination, including unlawful harassment and Retaliation. This statement must include an explanation of types of Unlawful Discrimination, examples of harassment, reporting requirements, and consequences as described in this Policy.

B. Reporting Requirements

District personnel must immediately report incidents of alleged Unlawful Discrimination, including incidents that District personnel witness or about which they receive reports or information, regardless of whether the incidents are verbal, visual, or physical, and whether the incidents also constitute harassment, bullying, or hazing.

District personnel who witness an act of Unlawful Discrimination must intervene immediately, unless circumstances would make intervention dangerous. A person who is unable to intervene should promptly attempt to find another person who is able to intervene, contact a building administrator, or contact law enforcement, as the situation requires.

Any student who witnesses an act of Unlawful Discrimination is encouraged to report it to District personnel. No student will be retaliated against based on any report of suspected Unlawful Discrimination. A student may also anonymously report an incident of Unlawful Discrimination. The District will investigate anonymous reports to the extent possible pursuant to Policies 3115-3115H or Policy 3118, as applicable. Minor students do not need Parent permission to file a

Complaint or participate in the Grievance Procedure described in Policies 3115-3115H and 3118.

C. Office for Civil Rights

Any person who believes that he or she was the victim of Unlawful Discrimination may file a complaint with the Office for Civil Rights (OCR) at any time:

Office for Civil Rights
1350 Euclid Avenue, Suite 325
Cleveland, Ohio 44115
Phone: (216) 522-4970

OCR does not serve as an appellate body for District decisions. An investigation by OCR will occur separately from any District investigation.

5200 Student Conduct and Discipline

5206 *Student Discipline*

Student Discipline - Generally

The Board is committed to providing students and staff with a safe learning environment free from substantial disruption. Consistent with this commitment, the District may discipline students who engage in misconduct, up to and including suspension or expulsion from school.

The District will take steps to effectively discipline students in a manner that minimizes out-of-school suspensions and expulsions. The District will comply with applicable laws related to student discipline, including the consideration of specific factors and possible use of restorative practices.

A. Applicability

This Policy applies to student conduct that occurs:

1. on District property;
2. at a school-sponsored or school-related event;
3. on a school bus or vehicle;
4. while traveling to or from school, including at a bus stop; and
5. at any other time or place if the conduct has a nexus to the school, substantially disrupts the school environment, or as permitted by law.

B. Student Code of Conduct

The Superintendent or designee will develop, regularly update, and annually publish a student code of conduct in all student handbooks. The student code of conduct must:

1. identify offenses that may result in discipline;
2. identify possible disciplinary consequences for each offense, which may, if appropriate, include suspension or expulsion;
3. be consistent with applicable state and federal laws and Board Policies; and
4. include a copy of Policy 5206E entitled "Suspension from Class, Subject, or Activity by Teacher."

C. Definitions

For purposes of this Policy:

1. “suspend” or “suspension” means a disciplinary removal from school for less than 60 school days;
2. “expel” or “expulsion” means a disciplinary removal from school for 60 or more school days;
3. “restorative practices” means practices that emphasize repairing the harm to the victim and the school community caused by a student’s misconduct; and
4. “Mandatory 7 Factors” means the following:
 - a. the student’s age;
 - b. the student’s disciplinary history;
 - c. whether the student has a disability;
 - d. the seriousness of the behavior;
 - e. whether the behavior posed a safety risk;
 - f. whether restorative practices are a better option; and
 - g. whether lesser interventions would address the behavior.

D. Restorative Practices

Before suspending or expelling a student (except a student who possesses a firearm in a weapon-free school zone), teachers, administrators, and the Board must first determine whether restorative practices would better address the student’s misconduct, recognizing the Board’s objective of minimizing out-of-school suspensions and expulsions. Likewise, teachers, administrators, and the Board must consider whether restorative practices should be used in addition to the suspension or expulsion. Restorative practices, which may include a victim-offender conference, should be the first consideration to remediate offenses such as interpersonal conflicts, bullying, verbal and physical conflicts, theft, damage to property, class disruption, harassment, and cyberbullying.

All victim-offender conferences must be conducted consistent with state and federal law and Policies. No student who claims to be the victim of unlawful harassment may be compelled to meet with the alleged perpetrator of the harassment as part of a restorative practice.

E. Discretionary Suspension or Expulsion

Under Michigan law, a suspension of 10 or fewer school days is presumed to be reasonable. A suspension of more than 10 school days or an expulsion is, in most circumstances, presumed not to be justified. Before imposing a suspension or an expulsion, administrators or the Board must consider the Mandatory 7 Factors.

1. Building Administrators - 10 or fewer days

The Board delegates to all building administrators the authority to suspend a student for up to 10 school days consistent with the student code of conduct.

A building administrator may also suspend a student for up to 10 school days pending further investigation and possible further disciplinary consequences, including a longer-term suspension or expulsion.

Before exercising this authority, the building administrator must consider the Mandatory 7 Factors.

Additionally, before suspending a student for any length of time, the building administrator must provide the student due process as described in Policy 5206A. If the student is a student with a disability, the student's discipline is also subject to Policy 5206B.

2. Superintendent - Less than 60 school days

The Board delegates to the Superintendent the authority to suspend a student for less than 60 school days consistent with the student code of conduct. Before exercising this authority, the Superintendent must consider the Mandatory 7 Factors.

Any time the Superintendent finds that a suspension of more than 10 school days is warranted, the Superintendent must base the rationale on the Mandatory 7 Factors and explain the rationale in writing.

Additionally, before suspending a student for any length of time, the Superintendent must provide the student due process as described in Policy 5206A. If the student is a student with a disability, the student's discipline is also subject to Policy 5206B.

3. Board - Suspension or Expulsion

The Board may suspend or expel a student for an offense consistent with the student code of conduct.

Before exercising this authority, the Board must consider the Mandatory 7 Factors.

Any time the Board finds that a suspension of more than 10 school days or expulsion is warranted, the Board must base the rationale on the Mandatory 7 Factors and explain the rationale in writing.

Before exercising this authority, the Board must provide the student due process as described in Policy 5206A. If the student is a student with a disability, the student's discipline is also subject to Policy 5206B.

F. Criminal Sexual Conduct – Discretionary Suspension or Expulsion

If a student commits criminal sexual conduct, as defined in Revised School Code Section 1311, against another student enrolled in the District and expulsion is not mandatory under Policy 5206 H.3, the District may suspend or expel the student even if the student has not been criminally charged, subject to consideration of the Mandatory 7 Factors.

Before exercising this authority, the District must provide the student due process as described in Policy 5206A. If the student is a student with a disability, the student's discipline is also subject to Policy 5206B.

G. Mandatory Suspension or Expulsion

Building principals and other administrators must refer all incidents that may result in a mandatory suspension or expulsion to the Superintendent or designee for transmission to the Board. As explained below, the Board recognizes that in some circumstances it may choose not to suspend or expel a student. Nothing in this section may be construed as limiting the Board's discretion to suspend or expel a student for any offense that the student code of conduct identifies as possibly resulting in suspension or expulsion.

1. Possession of a Dangerous Weapon

a. Possession of a Firearm

If a student possesses a firearm in a weapon-free school zone, the Board will permanently expel the student unless the student demonstrates, in a clear and convincing manner, at least one of the following:

- the student was not possessing the firearm to use as a weapon or to deliver, either directly or indirectly, to another person to use as a weapon;
- the student did not knowingly possess the firearm;
- the student did not know or have reason to know that the firearm constituted a "dangerous weapon"; or
- the student possessed the firearm at the suggestion, request, or direction of, or with the express permission of, school or police authorities.

If a student demonstrates one of the above circumstances in a clear and convincing manner and the student has not been previously suspended or expelled from school, the Board will not expel the student unless the Board finds that, based on the circumstances, expulsion is warranted.

b. Possession of a Dangerous Weapon (Other than a Firearm)

If a student possesses a dangerous weapon (other than a firearm) in a weapon-free school zone, the Board will consider whether to permanently

expel the student or to impose a less severe penalty after first considering the Mandatory 7 Factors.

The Board is not required to expel a student for possession of a dangerous weapon (other than a firearm) if the student demonstrates, in a clear and convincing manner, at least one of the following:

- the student was not possessing the instrument or object to use as a weapon or to deliver, either directly or indirectly, to another person to use as a weapon;
- the student did not knowingly possess the weapon;
- the student did not know or have reason to know that the instrument or object constituted a “dangerous weapon”; or
- the student possessed the weapon at the suggestion, request, or direction of, or with the express permission of, school or police authorities.

If a student demonstrates one of the above circumstances in a clear and convincing manner and the student has not been previously suspended or expelled from school, the Board will not expel the student unless the Board finds that, based on the circumstances, expulsion is warranted.

c. Applicable Definitions for Dangerous Weapon Offense

“Weapon-free school zone” means school property and a vehicle used by a school to transport students to or from school property.

“School property” means a building, playing field, or property used for school purposes to impart instruction to children or used for functions and events sponsored by a school, except a building used primarily for adult education or college extension courses.

“Dangerous weapon” means a firearm, dagger, dirk, stiletto, knife with a blade over 3 inches in length, pocket knife opened by a mechanical device, iron bar, or brass knuckles.

“Firearm” means (i) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (ii) the frame or receiver of any such weapon; (iii) any firearm muffler or firearm silencer; or (iv) any destructive device. “Firearm” does not include an antique firearm, as defined by 18 USC § 921.

“Destructive device” means (i) any explosive, incendiary, or poison gas (including a bomb, grenade, rocket having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine, or similar device); (ii) any type of weapon (other than a shotgun or a shotgun shell that the Attorney General finds is

generally recognized as particularly suitable for sporting purposes) by whatever name known which will, or which may be readily converted to, expel a projectile by the action of an explosive or other propellant, and which has any barrel with a bore of more than one-half inch in diameter; and (iii) any combination of parts either designed or intended for use in converting any device into a destructive device and from which a destructive device may be readily assembled.

d. Additional Procedures for Dangerous Weapon Expulsion

The Superintendent or designee must ensure that if a student is expelled for possession of a dangerous weapon, the student's permanent record reflects the expulsion. The Superintendent or designee must refer a student who is expelled for possession of a dangerous weapon to the county department of social services or the county community mental health agency and notify the student's Parent (or the student, if the student is at least age 18 or is an emancipated minor) of the referral within 3 calendar days of the expulsion. The Superintendent or designee must also make a referral to local law enforcement and contact the student's Parent immediately any time a student is found to have brought a dangerous weapon to school or possessed a dangerous weapon at school, at a school related activity, or in a school vehicle. If a District official confiscates a dangerous weapon, the District official will give the dangerous weapon to law enforcement and will not release the dangerous weapon to any other person, including the legal owner.

Unless reinstated pursuant to Revised School Code Section 1311(6), a student expelled by another district or public school academy for possession of a dangerous weapon may not enroll in the District.

2. Arson

If a student commits arson as defined in Revised School Code Section 1311, in a school building or on school grounds, the Board will consider whether to permanently expel the student or to impose a less severe penalty after first considering the Mandatory 7 Factors.

The Superintendent or designee must ensure that if a student is expelled for committing arson, the student's permanent record reflects the expulsion. The Superintendent or designee must refer a student who is expelled for committing arson to the county department of social services or the county community mental health agency and notify the student's Parent (or the student, if the student is at least age 18 or is an emancipated minor) of the referral within 3 calendar days of the expulsion.

Unless reinstated pursuant to Revised School Code Section 1311(6), a student expelled by another district or public school academy for committing arson may not enroll in the District.

3. Criminal Sexual Conduct

If a student commits criminal sexual conduct as defined in Revised School Code Section 1311, in a school building or on school grounds, or pleads to, is convicted of, or is adjudicated for criminal sexual conduct against another student enrolled in the District, the Board will consider whether to permanently expel the student or to impose a less severe penalty after first considering the Mandatory 7 Factors.

The Superintendent or designee must ensure that if a student is expelled for committing criminal sexual conduct, the student's permanent record reflects the expulsion. The Superintendent or designee must refer a student who is expelled for committing criminal sexual conduct to the county department of social services or the county community mental health agency and notify the student's Parent (or the student, if the student is at least age 18 or is an emancipated minor) of the referral within 3 calendar days of the expulsion.

Unless reinstated pursuant to Revised School Code Section 1311(6), a student expelled by another district or public school academy for committing criminal sexual conduct may not enroll in the District.

4. Physical Assault

a. Physical Assault Against Employee, Volunteer, or Contractor

If a student in grade 6 or above commits a physical assault at school against an employee, volunteer, or contractor and the victim reports the physical assault to the Board or to a school administrator or, if the victim is unable to report the assault, another person makes the report on the victim's behalf, the Board will consider whether to permanently expel the student or to impose a less severe penalty after first considering the Mandatory 7 Factors.

The Superintendent or designee must ensure that if a student is expelled for physically assaulting an employee, volunteer, or contractor, the student's permanent record reflects the expulsion. The Superintendent or designee must refer a student who is expelled for physically assaulting an employee, volunteer, or contractor to the county department of social services or the county community mental health agency and notify the student's Parent (or the student, if the student is at least age 18 or is an emancipated minor) of the referral within 3 calendar days of the expulsion.

Unless reinstated pursuant to Revised School Code Section 1311a(5), a student expelled by another district or public school academy for physically assaulting an employee, volunteer, or contractor may not enroll in the District.

b. Physical Assault Against Another Student

If a student in grade 6 or above commits a physical assault at school against another student and the physical assault is reported to the Board or to an administrator, the District will consider whether to suspend or expel the student or to impose a less severe penalty after first considering the Mandatory 7 Factors.

A resident student in grade 6 or above who is currently expelled by another district or public school academy for committing a physical assault against another student may request to enroll in the District. The Superintendent or designee will consider the request along with any information the Superintendent or designee determines relevant. The Superintendent or designee may either grant or deny the request. The Superintendent's decision is final.

c. Applicable Definitions for Physical Assault

- i. "Physical assault" means intentionally causing or attempting to cause physical harm to another through force or violence.
- ii. "At school" means in a classroom, elsewhere on school premises, on a school bus or other school-related vehicle, or at a school-sponsored activity or event whether or not it is held on school premises.

5. Bomb Threat or Similar Threat

If a student in grade 6 or above makes a bomb threat or similar threat directed at a school building, other District property, or at a school-related event, the District will consider whether to suspend or expel the student or to impose a less severe penalty after first considering the Mandatory 7 Factors.

A resident student in grade 6 or above who is currently expelled by another district or public school academy for making a bomb threat or similar threat may request to enroll in the District. The Superintendent or designee will consider the request along with any information the Superintendent or designee determines relevant. The Superintendent or designee may either grant or deny the request. The Superintendent's decision is final.

H. Victims of Alleged Sexual Assault

The District will not expel a student or suspend a student for more than 10 days for an action the student took immediately preceding, immediately following, or that could reasonably be tied to an incident in which the student was sexually assaulted or an incident in which the student reports being sexually assaulted, an incident where another person witnesses and reports the student's sexual assault, or an incident for which school officials receive credible information that the student was sexually assaulted. This subsection does not apply if:

- The student is convicted of, pleads guilty or responsible to, or is adjudicated responsible for aggravated assault, assault with intent to commit murder,

assault with intent for great bodily harm, assault with intent to maim, attempted murder, homicide, manslaughter; or criminal sexual conduct;

- The student commits an act described in Section H.1 through H.3 of this Policy;
- A Title IX investigation conducted pursuant to Policy 3118 concludes by clear and convincing evidence that the report of sexual assault was false; or
- The Board or the Superintendent determines, after considering the Mandatory 7 factors, that a longer-term suspension or expulsion is warranted.

In determining whether to suspend a student described in this section, the District will consider the recommendations of the District's Title IX Coordinator, as applicable.

I. Statewide School Safety Information Policy (SSSIP) & Law Enforcement Reporting

The Superintendent or designee must notify law enforcement when required by the SSSIP and make all other reports and provide all other notifications required by the SSSIP or any state or federal law. Nothing in this Policy limits the ability of a school administrator to contact law enforcement at any other time.

J. Educational Programming During Suspension or Expulsion

Except as otherwise required by law or as provided in this Policy, a student who has been suspended or expelled may not be on school property, attend classes or other school functions, or participate in extracurricular activities during the student's suspension or expulsion without written permission from the Superintendent or designee. District personnel may assist students who have been suspended or expelled to explore alternative means, as allowed by law, to earn credit and to complete coursework during the period of the student's suspension or expulsion.
