The documentary **RESILIENCE** chronicles a new movement among pediatricians, therapists, educators and communities, who are using cutting-edge brain science to disrupt cycles of violence, addiction and disease.

RESILIENCE

THE BIOLOGY OF STRESS & THE SCIENCE OF HOPE

fig1

"The child may not remember, but the body remembers."

Join Lenawee and Monroe Great Start Collaboratives for a **FREE** public screening of **"RESILIENCE"**, a documentary about childhood trauma's adverse effects on health across a lifetime and the role that everyone in the community can play in preventing and reversing them.

December 5, 2019

LISD Tech Center

1372 N. Main St. Adrian, MI
