# ENROLLING NOW!

# Before & After School Care

## 2020-2021 School year YMCA of Lenawee County

Located at the YMCA in Adrian, we serve all Adrian Public Schools. We provide a fun, safe environment, with healthy snacks, physical exercise and enrichment activities. We have experienced, dedicated staff, who are trained in COVID 19 screening and prevention. All staff and students are temperature and symptom checked upon arrival.

In the case of unexpected school closures, we will remain open to provide all day care for school age students at an additional fee.

We will also provide full day school age care for students choosing the virtual learning option. Restrictions apply.

We accept DHS and financial assistance is available.

### Full Time Before and After:

Y Members \$80

Non Members \$100

### Part Time:

Y Members \$65

Non Members \$85

\*additional fees for full day, half days and school closures
