Bomb Threats

Bomb threats or similar threats to the safety of students in the school environment are taken very seriously. Michigan Compiled Law 380.1311A states "if a pupil enrolled in grade 6 or above makes a bomb threat or similar threat directed at a school building, other school property, or a school related event, then the School Board or the designee of the School Board on behalf of the School Board, shall expel the pupil from the school district for up to 180 school days."

The administration will follow the procedures for Bomb Threats as outlined in the district's Crisis Management Plan.
