ALCOHOL USE ON SCHOOL PROPERTY

The Board of Education has determined that it is in the best interest of the School District to take action to prohibit the possession, sale, distribution, consumption, or being under the influence of alcoholic beverages or liquor at all times and by all persons on school premises or at school-sponsored activities.

Further, the Board of Education seeks the cooperation of the city of Adrian and its law enforcement authority to assist the board of Education in its efforts to prohibit the presence and influence of alcoholic beverages or liquor on school premises or at school-sponsored activities.

ACCORDINGLY, THE BOARD OF EDUCATION RESOLVES THAT:

The possession, sale, distribution, consumption, or being under the influence of alcoholic beverages or liquor on school property, on any school bus or other school-related vehicle, or at any school-sponsored function, activity or event (whether or not on school property) by any student, School District employee, volunteer, visitor, or any person utilizing or present on school property, school buses or other school-related vehicles, whether or not school is in session, is strictly prohibited.

The Secretary of the Board of Education is authorized and directed to forward a copy of this resolution to the City Commission of the City of Adrian, together with this Board’s request that the City of Adrian take such action as is within the City’s legal authority to enforce the School District’s above-referenced “No alcohol” policy on school property and at school-sponsored events.

All resolutions and parts of resolutions in conflict with this resolution are hereby rescinded to the extent of such conflict.
