Instruction

Student On-line/Blended Learning Policy

The District shall provide eligible students the option of participating in on-line or blended learning courses. Such a program takes place in an interactive learning environment created through technology. The student and teacher may be separated from each other by time and/or space, or may interact before, during, and/or after the regular school day.

The purpose of the program is to make instruction available to District students using online and distance education technology in both traditional and nontraditional classroom settings.

The District shall offer a program for students in Grades 6-12.

The District may offer a full time or part time program for grade 9-12 students enrolled in dropout prevention, academic intervention, core courses, to meet graduation requirements, or dual enrollment programs.

Access and Availability

The District shall provide access to enroll and participate in courses and shall award credit, as may be appropriate for successful completion. Access shall be available to eligible students during or after the school day and during summer school enrollment.
