Requirements for Accepting Credit from a State or Regionally Accredited College toward the High School Diploma

An Adrian High School student may receive college credit toward the fulfillment of requirements for a high school diploma under the following conditions:

1. Approval of Principal based on written application stating reasons for college enrollment.
2. Enrollment restricted to state or regionally accredited institution of higher learning.
3. Student must be enrolled at any one time for a minimum of four (4) high school courses in addition to the college course/courses. Students may request a waiver with approval of the Superintendent.
4. Pupils must designate whether the course will be for high school or postsecondary credit, or both at the time of enrollment. Pupils must also notify the high school of his/her decision.
5. Credits earned at college may be applied toward high school graduation. Students who are at senior status may take dual enrollment courses in lieu of Adrian High School courses to meet core content graduation requirements. Students who are not seniors may submit a request to the principal for review.
6. Courses taken for college credit only will receive no high school credit for the course and will receive an S grade on the transcript (upon receiving a passing grade).
7. All dual enrollment courses taken for high school credit will receive a letter grade and will be considered in the determination of class ranking or final high school G.P.A.
8. The Adrian Public Schools shall not assume any financial or transportation responsibility for any college matriculation. However, transportation may be provided within existing bus routes.
