Students

Equal Educational Opportunities/Section 504/ADA/Individuals with Disabilities Education Act (IDEA)

In compliance with its obligations under both Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act, the Adrian Public Schools does not discriminate against otherwise qualified disabled students in the provision of its educational programs and activities. The Adrian Public Schools will make reasonable modifications to its programs and activities to accommodate otherwise qualified disabled students, unless such modifications would impose an undue burden on the operation of the particular program, or would alter the fundamental nature or purpose of the program.

The Adrian Public Schools is not required to provide a specific accommodation requested by an individual. Instead, the district is only required to provide a reasonable accommodation; when more than one reasonable accommodation exists, the institution may chose which reasonable accommodation to provide.

In addition to its provision of educational services, the Adrian Public Schools will not discriminate against otherwise qualified disabled students in its provisions of non-educational programs and services.

The Adrian Public Schools will provide a free appropriate education (including formalized modifications in the regular education classroom, special education and/or related aids and services) to otherwise qualified disabled students who attend the Adrian Public Schools. Instruction will be individually designed to meet the individualized educational needs of these students. The Adrian Public Schools will seek to assure that the educational services provided to otherwise qualified disabled students are reasonably calculated to afford such students an equal opportunity to achieve educational benefit as is provided to non-disabled students.

The coordinator for Section 504 activities relating to students in the district is the Superintendent or designee. The coordinator for Section 504 activities relating to employees is the Director of Human Resources.
