SCHOOL NOON SUPERVISION POLICY K-5

Recognizing the necessity for safety during the noon period it is the policy of the Adrian Board of Education that:

1. Paid adult noon supervisors shall be provided in a ratio of approximately one supervisor per 100 students. This does not include the principal.

2. Each principal shall develop a specific noon hour program to be approved by Central Administration.

3. Each elementary principal shall determine on a daily basis whether students shall be required to go out-of-doors for a period of supervised play activity. This decision shall be based on weather and safety considerations.

4. Students with health problems are to be allowed to remain indoors upon request of parents or a doctor. Parent requests will be honored on a daily basis only.

5. Parents shall be given a copy of this policy and the details of its implementation in the school their children attend, upon written request.
