Students

**Student Driving and Parking**

Student driving and parking shall be regulated in a manner designed to protect safety of students and of the general public, maintain orderliness about school grounds and adjacent property, require parking only in authorized areas, to prevent the use of student automobiles from becoming a means of violating or circumventing school rules and regulations and to provide a procedure through which those students with the greatest need for private transportation and safe parking receive primary consideration.

The high school principal or designee will establish and make available to eligible students “Student Driving and Parking Regulations”.

ADRIAN HIGH SCHOOL
STUDENT DRIVING AND PARKING REGULATIONS

CRITERIA FOR THE PRIVILEGE TO DRIVE:

It has been tradition that students may drive to Adrian High School. This privilege will indeed continue to be available to students who display responsible behavior. Students who do not display responsible behavior will not be issued a parking permit; or if previously issued, will have their parking permits revoked. Responsible behavior means that: (1) the student has a good attendance record (2) the student has not been referred for excessive tardiness (3) the student does not have a record of disciplinary referrals (4) the student observes safety and security regulations (5) the student has no outstanding obligations to the school. Students must park all cars in the school parking lot to which they are assigned and must have an Adrian High School parking decal.

STUDENTS ISSUED PERMANENT PERMITS WILL ABIDE BY THE FOLLOWING REGULATIONS:

1. Every vehicle parking in the lots must have a current parking permit decal properly displayed.
2. Each student wishing to drive must complete a permit application and submit it to the Athletic Office.
3. There are a limited number of parking spaces and that number of permits will be issued.
4. The student must bring a valid driver's license and current vehicle registration with the application. Once the application is approved, the student will bring $20.00 to purchase the parking permit decal to the Athletic Office.
5. Temporary permits may be obtained for short-term parking needs in the Main Office.
6. Loitering, smoking and eating of lunches in student vehicles is prohibited.
7. Students must have permission to go to their cars during the school day.
8. In accepting the privilege to drive to and from school and to use the student parking areas, students and parents recognize that school authorities may--with reasonable cause--inspect any vehicle for materials or substances which might prove harmful or dangerous to the general welfare of the school.
9. Vans and other closed type vehicles must not be draped or curtained in such a manner as to restrict inspection of rear compartments.
10. Providing false information with regard to driving priorities will result in immediate suspension of driving privilege.
11. It is imperative that all students with a genuine need to drive obtain their permits at the beginning of the school year.

VIOLATIONS

1. Any vehicle parking in a restricted area (handicap, no parking, fire lane, staff, visitor, etc.) will be ticketed with the fine being $5.00 if paid within 48 hours and $5.00 additional for every 48 hours if it is not paid.
2. Any vehicle parking in the Adrian High School parking areas without a permit or wrong permit for that area will be ticketed with the fine being $5.00 if paid within 48 hours and $5.00 additional for every 48 hours if it is not paid.
3. If the fine reaches $10.00 and it is not paid, the ticket will be turned over to the appropriate assistant principal for disciplinary action. Disciplinary action will include denial of parking and driving privileges.
4. If any vehicle is found in continual violation of blocking emergency vehicle or fire lanes, these vehicles will be towed at the owner's expense.
5. Any student found parking in a faculty parking space, parking without a permit, or driving in a disorderly manner while on or around school grounds will be subject to losing their parking privilege and/or having their vehicle towed.
6. If a student or visitor is involved in any accident or moving violation, these matters will be handled by the administration and/or police, whichever is appropriate.
