Community Use of School Facilities

The Board of Education recognizes that school facilities belong to the school community; therefore, it is the Board’s policy to encourage the use of these facilities by groups and organizations whose purposes and objectives contribute to the mission of the school district.

The Board of Education also recognizes that the primary purpose of the school facilities is to implement the regular instructional program and that other usage should not interfere with this program.

The use of school facilities by community-based organizations shall be permitted for worthwhile purposes of an educational or civic nature when such uses will not interfere with the school program.

School facilities will be available for use by any individual, group or organization for private gain for private use such as parties and receptions.

Rental of school facilities to community groups or non-resident groups will be governed by the administrative regulations accompanying this policy.
