

Series 3000: Operations, Finance, and Property

3400 School Safety and Security

3407 Asbestos Management

The District will maintain an asbestos management plan for each school building and otherwise comply with the requirements of the Asbestos Hazard Emergency Response Act (AHERA) and related regulations.

- A. Each asbestos management plan will address building inspections, re-inspections, preventative measures, periodic surveillance, response actions, operations and maintenance, notices, and other information required by law.
- B. Each school building will maintain in its administrative offices a complete, updated copy of the asbestos management plan for that school building. The District's administrative offices will maintain complete, updated copies of asbestos management plans for all school buildings. The District will make asbestos management plans available for inspection without cost but may charge a reasonable amount to make copies.
- C. The District will provide training and information, maintain records, and perform asbestos-related obligations with accredited persons as required by law.
- D. The Board designates Dave Gough to oversee the District's compliance with the asbestos management plan and AHERA.
