5411.01-F *In-District Schools of Choice*

The District offers In-District Schools of Choice in accordance with the following guidelines.

1. All students will be registered in their “school attendance area” based on geographic lines.
2. Any parent interested in selecting a different school in the Adrian Public School District must complete an In-District Schools of Choice application and provide Proof of Residency. The applications are available in all school buildings and at the Administrative Offices. Applications must be returned to the Administrative Offices by the second Friday in May.
3. Transportation may be provided to those students approved for schools of choice.
4. All applications will receive consideration. Student will be assigned to their school of choice based on the following:
 - a. Available seats in the grade level in that school building.
 - b. If there are more applicants for seats in a grade level than are seats available, selection will be made based on a random lottery.
 - c. Siblings will be given priority for placement in the same school.
 - d. Students will agree to stay a minimum of one year in their chosen school, unless a change is mutually agreed upon by administrator(s) and parent/guardian.
 - e. Notification of placement in schools of choice will be provided in writing by the third Friday in June.
5. A request for an assignment to a particular school may be denied in the event it is determined that granting the assignment will adversely impact the District’s commitment of seeking racial and ethnic integration and balance of schools.
