***Disclaimer:** A positive student experience, along with the overall success of these programs, will be very dependent upon student behavior as attention and focus are vital. Student behavioral expectations are the same during Maple Pride Gymnastics as they are during the school day. If a student has to be removed by a staff member, an incident report will be filed with the building principal as well as the Recreation Director. In the event of a removal, a call from the Recreation Director will be placed to the parent/guardian to discuss the incident. In the event of a second removal, the student will be removed for the rest of the program, and a refund will be issued. By signing the form below, you agree to the behavioral procedure. Additionally, you release Adrian Public Schools, the City of Adrian, the YMCA of Lenawee, First Student Inc., and it's employees from any property damage or personal injury.*
