### Policies and Regulations

#### Students

##### **In-District Schools of Choice**

Following are the guidelines for the Adrian Public Schools In-District Schools of Choice Plan. This policy and plan will be the responsibility of the Superintendent of Schools or his/her designee.

1. All students will be registered in their “school attendance area” based on geographic lines.
2. Any parent interested in selecting a different school in the Adrian Public School District must complete an In-District Schools of Choice application and provide Proof of Residency. The applications are available in all school buildings and at the Administrative Offices. Applications must be returned to the Administrative Offices by the second Friday in May.
3. Transportation may be provided to those students approved for schools of choice.
4. All applications will receive consideration. Students will be assigned to their school of choice based on the following:
  - a. Available seats in the grade level in that school building.
  - b. If there are more applicants for seats in a grade level than are seats available, selection will be made based on a random lottery.
  - c. Siblings will be given priority for placement in the same school.
  - d. Students will agree to stay a minimum of one year in their chosen school, unless a change is mutually agreed upon by administrator(s) and parent/guardian.
  - e. Notification of placement in schools of choice will be provided in writing by the third Friday in June.

5. A request for an assignment to a particular school may be denied in the event it is determined that granting the assignment will adversely effect the district's commitment of seeking racial and ethnic integration and balance in the schools.
