Say **YES** to becoming a local coordinator for international students!

Our local coordinators recruit host families, mentor international students, and represent their local high school programs.

Work from home as part-time, independent contractor. Training provided, flexible hours, qualifying incentive trips.

We Seek Individuals Who Are:

Well connected in their local community, passionate about mentoring international students, comfortable networking/recruiting loving host families, interested in learning different cultures, good at problem solving, and successful at meeting deadlines
